RECORDS OF ELECTIONS AND TOWN MEETINGS
DURING THE YEAR 1963

TOWN WARRANT

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections, to meet at the polling places designated for the several precincts in said Town on

MONDAY, THE FOURTH DAY OF MARCH, 1963

at seven o'clock in the forenoon, to act on the following Articles, namely:

Article 1. To elect by ballot the following Town Officers: One Town Clerk for three years; one Treasurer for three years; two Selectmen for three years; one Assessor for three years; one member of the School Committee for two years (to fill vacancy); three members of the School Committee for three years; one member of the Arlington Housing Authority for five years; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of Town Meeting Members as hereinafter specified: in Precinct 1, five such members for three years and one such member for two years; in Precinct 2, six such members for three years, one such member for two years and two such members for one year; in Precinct 3, four such members for three years and one such member for two years; in Precinct 4, six such members for three years, one such member for two years and three such members for one year; in Precinct 5, seven such members for three years, one such member for two years and one such member for one year; in Precinct 6, five such members for three years; in Precinct 7, five such members for three years and one such member for one year; in Precinct 8, five such members for three years; in Precinct 9, six such members for three years, one such member for two years and one such member for one year; in Precinct 10, five such members for three years and one such member for one year; in Precinct 11, seven such members for three years; in Precinct 12, six such members for three years, one such member for two years and one such member for one year; in Precinct 13, six such members for three years and two such members for one year; in Precinct 14, eight such members for three years.

For these purposes, the polls will be opened at seven o'clock A.M. and remain open until eight o'clock P.M., at each of the polling places designated, viz.: Precinct One, in the East Arlington Branch Library, entrance on Massachusetts Avenue; Precincts Two and Four, in the Hardy School Building, entrance on Lake Street; Precinct 3, in the Junior High School Building East, entrance on Tufts street; Precinct 5, in the Thompson School Building, entrance on North Union Street; Precincts Six and Eight, in the Town Hall; Precinct 7, in the Fidelity House, St. Agnes Parish, entrance on Medford Street; Precinct 9A, in the Bishop School, entrance from Stowecroft Road; Precincts 9B and 11B, in the Stratton School, entrance from Mountain Avenue; Precincts 10A and 12A, in the Cutter School Building, entrance on School Street; Precincts 10B and 12B, in the Brackett School Building,

entrance on Eastern Avenue; Precinct 11A, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct 13, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct 14A, Park Avenue Congregational Church, entrance on Paul Revere Road; Precinct 14B, in the Dallin School Building, entrance on Florence Avenue.

You are, also required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Monday, the eighteenth day of March, 1963, at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Prevention Code for the town of Arlington; of the committee under votes of the Town passed March 20, 1953, and March 24, 1954, to investigate, consider and make recommendations to the Town relative to the construction and operation of refuse disposal incinerators; of the committee under vote of the Town passed March 15, 1954, to investigate and study the adequacy of the present school building within the Town and the future locations of new school buildings; of the committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets; of the committee under vote of the Town passed March 24, 1954, to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach; of the Peirce School Playground Improvement Committee under vote of the Town passed March 25, 1955; of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955; of the committee on quarters for organizations now occupying the Old Town Hall under vote of the Town passed April 2, 1956; of the committee on the improvement of the acoustics in the Robbins Memorial Town Hall auditorium under vote of the Town passed April 2, 1956; of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956; of the Arlington Development Commission under vote of the Town passed March 25, 1957; of the committee under vote of the Town passed March 27, 1957, to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows; of the committee under vote of the Town passed March 23, 1959, to investigate, consider and make recommendations relative to the replacement of the Town's radio broadcasting system in accordance with the directive contained in Docket 12295 of the Federal Communications Commission; of the committee under vote of the Town passed March 23, 1959, to procure plans and estimates for the construction of an elementary school building on land owned by the Town located on Pheasant Avenue; of the committee under vote of the Town passed March 21, 1960, to investigate, consider and make recommendations relative to Town encouragement financially, or otherwise, of Town employees seeking formal education in areas related to or growing out of their full-time activities; of the committee under vote of the Town passed March 22, 1961, to investigate, consider and make recommendations relative to the need for Urban Renewal in the Town; of the Board of Directors of Youth Services under vote of the Town passed March 21, 1962; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To see if the Town will authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1964, and to issue a note or notes therefor, payable within one year, and to renew any

note or notes that may be given for a period of less than one year in accordace with Section 17, Chapter 44, General Laws.

Article 5. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and charges for aid, relief or care furnished prior to January 1, 1963, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 6. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws and as amended under any Article of the Warrant for this meeting, by increasing all money figures contained therein by approximately four percent (4%) to the nearest even dollar or $208.00, whichever is the greater, in the Annual Salary Schedule, and $4.00 or approximately four percent (4%) to the nearest even daily rate, whichever is the greater, in the Weekly Salary Schedule, and by increasing the compensation of regularly employed part-time employees by approximately four percent (4%) to the nearest dollar; said amendment to be effective April 1, 1963; appropriate the sum of $94,500.00 to be expended by the various departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 7. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Cemetery Foreman, from Grade MC 7 to Grade MC 8; by reallocating Foreman of Paint, Carpenter and Blacksmith Shops, from Grade MC 7 to Grade MC 8; by reallocating Forestry Foreman, from Grade MC 7 to Grade MC 8; by reallocating Park Foreman, from Grade MC 7 to Grade MC 8; and by reallocating Public Works Foreman, from Grade MC 7 to Grade MC 8; said amendment to be effective April 1, 1963; appropriate the sum of $1,981.00 to be expended by the departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 8. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Superintendent of Parks and Recreation, from Grade AG 11 to Grade AG 12; said amendment to be effective April 1, 1963; appropriate the sum of $312.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 9. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Sealer of Weights and Measures, from Grade AG 4 to Grade AG 6; said amendment to be effective April 1, 1963, appropriate the sum of $408.00 to be expended by the department affected; and to determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 10. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "Minimum - $6962.00", "Step 1 - $7230.00", "Step 2 - $7498.00", "Step 3 - $7766.00", and "Maximum - $8088.00" where they appear in Grade LS 8 of said Schedules and inserting in place thereof the words and figures "Minimum - $7374.00",

"Step 1 - $7642.00", "Step 2 - $7910.00", "Step 3 - $8178.00", and "Maximum - $8500.00"; said amendment to be effective April 1, 1963; appropriate the sum of $68.00 to be expended by the department affected; and to determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 11. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "Minimum - $103.20", "Step 1 - $107.50", "Step 2 - $112.10", "Step 3 - $116.70", and "Maximum - $121.50" where they appear in Grade MC 9 of said Schedules and inserting in place thereof the words and figures "Minimum - $107.20", "Step 1 - $111.50", "Step 2 - $116.10", "Step 3 - $120.70", and "Maximum - $125.50", said amendment to be effective April 1, 1963; appropriate the sum of $157.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 12. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "($240.00 per year additional when assigned as Inspector)" where they appear after "Patrolman", "Police Sergeant", and "Police Captain" and inserting in place thereof the words and figures "($360.00 per year additional when assigned as Inspector)"; said amendment to be effective April 1, 1963; appropriate the sum of $630.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 13. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by inserting after the classification of "Junior Building Custodian" the following words and figures "(10¢ per hour additional when assigned to Town Hall night shift)"; said amendment to be effective April 1, 1963; appropriate the sum of $314.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 14. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Timekeeper, from Grade AG 5 to Grade AG 6; said amendment to be effective April 1, 1963; appropriate the sum of $221.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 15. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Storekeeper, from Grade AG 5 to Grade AG 6; said amendment to be effective April 1, 1963; appropriate the sum of $221.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 16. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by adding the classification of Motor Equipment Operator, Grade 3 (possession of unrestricted license), Grade MC 6; said amendment to be effective April 1, 1963.

(Inserted at the request of the Personnel Board)

Article 17. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by deleting the words "power shovel, power grader" where they appear after Motor Equipment Operator, Grade 3, Grade MC 5, and inserting the word "seweroder" so as to read as follows: "(10¢ per hour additional when operating power sweeper, bulldozer on sanitary fill, and seweroder)"; said amendment to be effective April 1, 1963.

(Inserted at the request of the Personnel Board)

Article 18. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "(10¢ per hour additional when on sidewalk tractor snow removal, compressor or road roller)" where they appear after "Motor Equipment Operator, Grade 1" and inserting in place thereof the words and figures "(10¢ per hour additional when operating sidewalk tractor snow removal, compressor, road roller, and Walters' Snow Fighter)"; said amendment to be effective April 1, 1963.

(Inserted at the request of the Personnel Board)

Article 19. To see if the Town will vote to amend Section K, of Section 14, of Article 7C of the By-Laws, by adding the following sentence at the end thereof: "Permanent employees suffering an injury on the job related to their work shall continue to earn ordinary sick leave credit and vacation allowance," so that said Section K will read as follows: "Employees injured on the job and receiving Workmen's Compensation may, upon request, be granted such sick leave allowance payment, as will, when added to the amount of Workmen's Compensation, result in payment to them of their full salary, provided they have such sick leave credit. Permanent employees suffering an injury on the job related to their work shall continue to earn ordinary sick leave credit and vacation allowance during their absence from work due to such injury."

(Inserted at the request of the Personnel Board)

Article 20. To see if the Town will vote to amend Section A, paragraph 3, sub-paragraphs b, c and e, of Section 13, of Article 7B, of the By-Laws, by striking out said sub-paragraphs and inserting in place thereof the following:

b. Three calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than ten years of continuous full-time service with the Town, said ten years service to be completed prior to June 1.

c. Four calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than twenty years of continuous full-time service with the Town, said twenty years of service to be completed prior to June 1.

e. Three calendar weeks vacation for library assistants. Provided, however, that any library assistant who has served not less than twenty years of continuous full-time service with the Town shall be entitled to a vacation of four calendar weeks, said twenty years service to be completed prior to June 1.

(Inserted at the request of the Personnel Board)

Article 21. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws and as amended under any article of the Warrant for this

meeting, by increasing all money figures contained therein by approximately four percent (4%) to the nearest even dollar or $208.00, whichever is the greater, in the annual salary schedule, and $4.00 or approximately four percent (4%) to the nearest even daily rate, whichever is the greater, in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately four percent (4%) to the nearest dollar; said amendment to be effective April 1, 1963; appropriate the sum of $94,000.00 to be expended by the various departments affected; and determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 22. To see if the Town will vote to amend the Classification Plan, known as Schedule A of Article 7C of the By-Laws, by reallocating Motor Equipment Operator Grade 1 (MC2) to Motor Equipment Operator Grade 1 (MC3); said amendments to be effective April 1, 1963; appropriate the sum of $4,324.00, to be expended by the various departments affected; and to determine how the money shall be raised; or take action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 23. To see if the Town will vote to amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C, of the By-Laws, by striking out the words and figures "Minimum - $4966.00", "Step 1 - $5288.00", and "Maximum - $5614.00", where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum - $5314.00", "Step 1 - $5658.00", and Maximum - $6007.00"; and by striking out the words and figures "Maximum - $6232.00", where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum - $6668.00"; and by striking out the words and figures "Maximum - $6875.00", where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum - $7356.00"; and by striking out the words and figures "Maximum - $7545.00", where they appear in Grade PF 5 of said Schedules and inserting in place thereof the words and figures "Maximum - $8073.00"; and by striking out the words and figures "Maximum - $9476.00", where they appear in Grade PF 6 of said Schedules and inserting in place thereof the words and figures "Maximum - $10,139.00"; said amendment to become effective April 1, 1963; appropriate the sum of $57,105.00 to be expended by the departments affected; and determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 24. To see if the Town will accept the provisions of Section 95A of Chapter 32 of the General Laws, as amended, entitled: "CITY OR TOWN SHALL GRANT ANNUITY TO SURVIVING SPOUSE ETC., OF CERTAIN OFFICIALS OR EMPLOYEES"; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 25. To see if the Town will accept the provisions of Section 18A of Chapter 90 of the General Laws, inserted by Chapter 409 of the Acts of 1962, entitled "Rules Regulating Use of Ways by Pedestrians; Non-Criminal Disposition of Violations;" or take any action relating thereto.

Article 26. To see if the Town will make an appropriation for the conversion of a portion of the traffic signals now existing within the Town to conform with the requirements contained in the Manual on Uniform Traffic Control Devices issued by the Burea of Public Roads of the U.S. Department

of Commerce; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 27. To see if the Town will make an appropriation to pave the municipal parking area on Winslow Street, construct entrances, construct islands for gates, treadles and other appurtenances, and install gates, treadles and curbing, all for the purpose of charging fees for parking therein; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 28. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned, and to provide for the disposal of motor vehicles and other personal property belonging to the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Board of Selectmen; Town Manager; Purchasing Agent; Maintenance Department; Accountant; Town Treasurer and Collector of Taxes Department; Assessors' Department; Legal Department; Claims; Town Clerk's Department; Vital Statistics; Public Works Department; Engineering Department; Elections and Town Meetings; Planning Board; Board of Survey; Robbins Memorial Town Hall; Town House Grounds Department; Police Department; Parking Meters; Fire Department; Fire and Police Signal System; Building, Plumbing and Gas Inspection; Boards of Appeals (Building and Zoning); Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moth Suppression; Tree Warden's Department; Health Department; Inspector of Animals; Sewerage System Maintenance; Removal of Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removal; Lighting of Streets and Ways; Traffic Signals; Public Welfare Department; Aid to Dependent Children; Old Age Assistance; Disability Assistance; District or Other Nurses; Veterans' Benefits; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions (Non-Contributory); Contributory Retirement System; Memorial Day; Patriots' Day; Printing Town Reports; Insurance; Workmen's Compensation Insurance Funds; Municipal Insurance Fund; Reserve Fund; Maintenance of Robbins House and Houses Owned by the Town; Water Department Maintenance; Cemeteries; Interest; Debt; Sinking Fund; Personnel Board; Civil Defense.

Article 29. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 30. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 31. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 32. To see if the Town will make an appropriation for the Construction and Installation of Sidewalks and Edgestones; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 33. To see if the Town will make an appropriation for the Reconstruction and Maintenance of Permanent Sidewalks and Resetting of Edgestones Upon the Public Ways of the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 34. To see if the Town will make an appropriation for Improvements throughout the Town to the Town's Drainage System and to increase its capacity; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 35. To see if the Town will make an appropriation for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Grove Street, Chestnut Street, Summer Street and Mystic Street, within the town as now existing or hereafter relocated, altered and widened, including land damages, if any under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be alloted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 36. To see if the Town will vote to raise and appropriate or transfer from available funds in the treasury, a sum or sums of money for the reconstruction of any or all parts of the following streets or ways within the Town: Mill Street, Brooks Avenue, Varnum Street, Thorndike Street, Herbert Road, Park Avenue Extension, Hillside Avenue, Claremont Avenue; or take any action relating thereto.

Article 37. To see if the Town will appropriate the sum of fourteen hundred ($1400.00) dollars for the purpose of resurfacing with bituminous concrete the following area — Brooks Avenue, from Milton Street to Varnum Street, to correct settled areas which hold considerable water.

(Inserted at the request of ten (10) registered voters)

Article 38. To see if the Town will accept the laying out of a Town way from Wright Street to Dothan Street, substantially in the location of the private way known as Thesda Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Wright Street and the southwesterly side line of Thesda Street, thence northwesterly on said southwesterly side line of Thesda Street on a curve to the left with a radius of 51.77 feet a distance of 34.05 feet to a point of tangency, thence northwesterly on said southwesterly side line of Thesda Street a distance of 169.0 feet to an angle point, thence northwesterly on said southwesterly side line of Thesda Street a distance of 40.11 feet to the point of intersection of said southwesterly side line of Thesda Street and the westerly side line of Dothan Street, thence northwesterly across said Thesda Street a distance of 52.92 feet to the point of intersection of the northeasterly side line of Thesda Street and the westerly side line of Dothan Street Extended, thence southeasterly on said northeasterly side line of Thesda Street a distance of 72.20 feet to an angle point, thence southeasterly on said northeasterly side line of Thesda Street a distance of 136.85 feet to a point of curve, thence easterly on said northeasterly side line of Thesda Street on a curve to the left with a radius of 69.19 feet a distance of 30.32 feet to the point of intersection of said northeasterly side line of Thesda Street and the westerly side line of Wright Street, thence southeasterly on said westerly side line of Wright Street a distance of 65 feet more or less to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile Thesda St., Arlington, Mass. Scale Hor.= 40' Vert. = 6' July 1926 F. P. Cutter C. E. Lexington".

Article 39. To see if the Town will accept the laying out of a Town way from Thesda Street to the Winchester Line, substantially in the location of the private way known as Dothan Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Dothan Street and the northeasterly side line of Thesda Street, thence northwesterly on said northeasterly side line of Thesda Street a distance of 60.17 feet to an angle point, thence northwesterly on said northeasterly side line of Thesda Street a distance of 22.47 feet to the point of intersection of said northeasterly side line of Thesda Street and the westerly side line of Dothan Street, thence northeasterly on said westerly side line of Dothan Street on a curve to the left with a radius of 25 feet a distance of 25.40 feet to the point of tangency, thence northerly on said westerly side line of Dothan Street distances of 460.33 feet and 204.58 feet to the point of intersection of said westerly side line of Dothan Street and the Arlington-Winchester Town Line, thence southeasterly by said Arlington-Winchester Town Line a distance of 40.49 feet to the point of intersection of said Arlington-Winchester Town Line and the easterly side line of Dothan Street, thence southerly on said easterly side line of Dothan Street a distance of 198.31 feet and 504.51 feet respectively to a point of curve, thence southeasterly on said easterly side line of Dothan Street on a curve to the left with a radius of 25 feet a distance of 27.73 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Street Plan and Profile of Dothan Street, Arlington, Mass. Scales Hor. 1" = 40' Ver. 1" = 6' August 18, 1953, Kenneth B. Oates, Engineer, 10 Morton Street, Watertown" and the other entitled "Street Plan and Profile Showing Dothan Street, Arlington, Mass. Scale Hor. 1" = 40' Ver. 1" = 4' July 5, 1955, Kenneth B. Oates Co., Civil Engineers, Registered Land Surveyors, 10 Mt. Auburn St., Watertown, Mass.

Article 40. To see if the Town will accept the laying out of a Town way from George Street to Rhinecliff Street, substantially in the location of the private way known as Hillside Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of George Street and the southeasterly side line of Hillside Avenue, thence southwesterly on said southeasterly side line of Hillside Avenue a distance of 200.0 feet to the point of intersection of said southeasterly side line of Hillside Avenue and the northeasterly side line of Rhinecliff Street, thence northwesterly on said northeasterly side line of Rhinecliff Street a distance of 50.0 feet to the point of intersection of said northeasterly side line of Rhinecliff Street and the northwesterly side line of Hillside Avenue, thence northeasterly on said northwesterly side line of Hillside Avenue a distance of 200.0 feet to the point of intersection of said northwesterly side line of Hillside Avenue and the southwesterly side line of George Street, thence southeasterly on said southwesterly side line of George Street a distance of 50.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile Showing Proposed Lines and Grades for Hillside Ave., Arlington. Hor. Sc. 40' = 1" Ver. Sc. 6' = 1" Chas. J. Elliot Engr. and Surveyor Nov. 5, 1910 Sheet 2".

Article 41. To see if the Town will accept the laying out of a Town way from Rhinecliff Street to Property Line, substantially in the location of the private way known as Day Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Rhinecliff Street and the southeasterly side line of Day Street, thence northwesterly and westerly on said southeasterly side line of Day Street on a curve to the left with a radius of 20 feet a distance of 31.58 feet to a point of tangency, thence southwesterly on said southeasterly side line of Day Street a distance of 337.15 feet to a point of curve, thence southwesterly and westerly on said southeasterly side line of Day Street on a curve to the right with a radius of 90 feet a distance of 46.49 feet to a point, thence northeasterly across said Day Street a distance of 46.72 feet to a point on the northwesterly side line of Day Street, thence westerly on said northwesterly side line of Day Street on a curve to the left with a radius of 50 feet a distance of 7.69 feet to a point of tangency, thence northeasterly on said northwesterly side line of Day Street a distance of 337.83 feet to a point of curve, thence northeasterly and northerly on said northwesterly side line of Day Street on a curve to the left with a radius of 20 feet a distance of 31.25 feet to the point of intersection of said northwesterly side line of Day Street and the southwesterly side line of Rhinecliff Street, thence southeasterly on said southwesterly side line of Rhinecliff Street a distance of 80.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Day Street, Arlington, Mass. Scales Hor. 1" = 40' Ver. 1" = 6' August 18, 1962, John J. Sullivan, Surv., 1 Maybie St., Arlington, Mass.

Article 42. To see if the Town will accept the laying out of a Town way from Sutherland Road to its end, substantially in the location of the private way known as Lorne Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Sutherland Road and the northeasterly side line of Lorne Road, thence southerly and southeasterly on said northeasterly side line of Lorne Road on a curve to the left with a radius of 14 feet a distance of 22.0 feet to a point of tangency, thence southeasterly on said northeasterly side line of Lorne Road, a distance of 259.50 feet to a point, thence southwesterly across said Lorne Road a distance of 40.0 feet to a point on the southwesterly side line of Lorne Road, thence northwesterly on said southwesterly side line of Lorne Road a distance of 259.50 feet to a point of curve, thence westerly on said southwesterly side line of Lorne Road on a curve to the left with a radius of 14 feet a distance of 22.0 feet to the point of intersection of said southwesterly side line of Lorne Road and the southeasterly side line of Sutherland Road, thence northeasterly on said southeasterly side line of Sutherland Road a distance of 68.0 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled "Plan and Profile of Lorne Road between Tanager Street and Sutherland Road, Scales Hor. 1 in. = 40 ft. Vert. 1 in. = 6 ft. Feb. 1911, R. W. Pond, Town Engineer".

Article 43. To see if the Town will accept the laying out of a Town way from Quincy Street to Park Property, substantially in the location of the

private way known as Lehigh Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Quincy Street and the southwesterly side line of Lehigh Street, thence northerly and northwesterly on said southwesterly side line of Lehigh Street on a curve to the left with a radius of 51.86 feet a distance of 43.65 feet to a point of tangency, thence northwesterly on said southwesterly side line of Lehigh Street a distance of 203.11 feet to a point at the northwesterly boundary line of Lot 66, thence northwesterly across said Lehigh Street a distance of 52.45 feet to a point on the northeasterly side line of Lehigh Street, thence southeasterly on said northeasterly side line of Lehigh Street a distance of 162.93 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Lehigh Street on a curve to the left with a radius of 19.84 feet a distance of 42.19 feet to the point of intersection of said northeasterly side line of Lehigh Street and the northwesterly side line of Quincy Street, thence southwesterly on said northwesterly side line of Quincy Street on a curve to the left with a radius of 466.57 feet a distance of 80.96 feet to a point of tangency, thence southwesterly on said northwesterly side line of Quincy Street a distance of 44.07 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Lehigh Street, Estate of Ira L. Russell, Arlington, Mass. Scale Hor. 1" = 40', Ver. 1" = 6', Jan. 1921, C. H. Gannett, C. E., 53 State St., Boston".

Article 44. To see if the Town will accept the laying out of a Town way from present end to Dickson Avenue, substantially in the location of the private way known as Pheasant Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Dickson Avenue and the southwesterly side line of Pheasant Avenue, thence northeasterly, northerly and northwesterly on said southwesterly side line of Pheasant Avenue on a curve to the left with a radius of 25 feet a distance of 33.38 feet to a point of tangency, thence northwesterly on said southwesterly side line of Pheasant Avenue a distance of 444.51 feet to a point at the end of the accepted portion of Pheasant Avenue, thence northeasterly across said Pheasant Avenue and by said accepted portion a distance of 40.0 feet to a point on the northeasterly side line of Pheasant Avenue, thence southeasterly on said northeasterly side line of Pheasant Avenue a distance of 422.0 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Pheasant Avenue on a curve to the left with a radius of 25 feet a distance of 45.15 feet to the point of intersection of said northeasterly side line of Pheasant Avenue and northwesterly side line of Dickson Avenue, thence southwesterly on said northwesterly side line of Dickson Avenue a distance of 92.55 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Pheasant Avenue, Brattle Heights, Arlington, Horizontal Scale 40 feet to an inch, Vertical Scale 6 feet to an inch, May 1917, Ernest W. Branch, Civil Engineer, Boston, Quincy."

Article 45. To see if the Town will accept the laying out of a Town way from present end to Appleton Place, substantially in the location of the

private way known as Acton Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessments of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the easterly side line of Acton Street at the end of the accepted portion thereof, thence southeasterly through land of Town of Arlington on the northerly side line of Acton Street a distance of 227.72 feet to a point of curve, thence easterly and northeasterly on said northerly side line of Acton Street on a curve to the left with a radius of 42 feet a distance of 34.56 feet to a point of tangency, thence northeasterly on said northerly side line of Acton Street a distance of 42.79 feet to the point of intersection of said northerly side line of Acton Street and the southwesterly side line of Appleton Place, thence southeasterly on said southwesterly side line of Appleton Place a distance of 40.0 feet to the point of intersection of said southwesterly side line of Appleton Place and the southerly side line of Acton Street, thence southwesterly on said southerly side line of Acton Street a distance of 42.79 feet to a point of curve, thence southwesterly and westerly on said southerly side line of Acton Street on a curve to the right with a radius of 82 feet a distance of 67.48 feet to a point of tangency thence northwesterly on said southerly side line of Acton Street a distance of 171.19 feet to a point of curve, thence westerly, southwesterly and southerly on said southerly side line of Acton Street on a curve to the left with a radius of 15 feet a distance of 33.07 feet to a point thence northwesterly on said southerly side line of Acton Street a distance of 82 feet more or less to a point on the westerly side line of Acton Street at the end of the accepted portion thereof, thence northeasterly by said accepted portion of Acton Street a distance of 52 feet more or less to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Acton Street in Arlington, Mass. Scales Hor. 1" = 20' Vert. 1" = 3' Nov. 1962 W. H. Roby, Town Eng."

Article 46. To see if the Town will accept the laying out of a Town way from present end to Water Street, substantially in the location of the private way known as Railroad Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the easterly side line of Railroad Avenue said point being 125.07 feet northeasterly of Massachusetts Avenue, thence northwesterly across said Railroad Avenue and by the accepted portion of Railroad Avenue a distance of 45.74 feet to the westerly side line of Railroad Avenue, thence southwesterly on said westerly side line of Railroad Avenue a distance of 24.21 feet to a point, thence northeasterly and northerly on said westerly side line of Railroad Avenue on a curve to the left with a radius of 26.41 feet a distance of 17.24 feet to a point of tangency, thence northerly on said westerly side line of Railroad Avenue a distance of 116.62 feet to a point of curve, thence northerly and northwesterly on said westerly side line of Railroad Avenue on a curve to the left with a radius of 101.0 feet a distance of 43.49 feet to a point of tangency, thence northwesterly on said westerly side line of Railroad Avenue distances of 81.15 feet and 42.55 feet respectively to a point of curve thence northwesterly on said westerly side line of Railroad Avenue on a curve to the left with a radius of 41.34 feet a distance of 27.0 feet to a point of tangency, thence northwesterly on said westerly side line of Railroad Avenue a distance of 57.52 feet to a point of

intersection of said westerly side line of Railroad Avenue and the southeasterly side line of Water Street, thence northeasterly on said southeasterly side line of Water Street a distance of 83.18 feet to the point of intersection of said southeasterly side line of Water Street and the easterly side line of Railroad Avenue, thence southeasterly on said easterly side line of Railroad Avenue distances of 122.34 feet, 125.50 feet, 36.63 feet, 98.29 feet and 68.07 feet respectively to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan & Profile of Railroad Avenue, Arl., Mass. Scales Hor. 1" = 20' Vert. 1" = 3' Dec. 1962 W. H. Roby, Town Engineer".

Article 47. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 48. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise of any land easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 49. To see if the Town will accept the laying out of a Town way from Stowecroft Road to its end, substantially in the location of the private way known as Baker Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Stowecroft Road and the southwesterly side line of Baker Road, thence northwesterly on said southwesterly side line of Baker Road a distance of 192.73 feet to a point of curve, thence northwesterly and northerly on said southwesterly side line of Baker Road on a curve to the right with a radius of 140 feet a distance of 139.96 feet to a point of tangency, thence northerly on said southwesterly side line of Baker Road a distance of 105.18 feet to a point of curve, thence northwesterly on said southwesterly side line of Baker Road on a curve to the left with a radius of 665.10 feet a distance of 229.39 feet to a point of tangency, thence northwesterly on said southwesterly side line of Baker Road a distance of 10.64 feet to a point at the northerly boundary line of Lot 28A, thence northeasterly across said Baker Road a distance of 40.0 feet to a point on the northeasterly side line of Baker Road, thence southeasterly on said northeasterly side line of Baker Road a distance of 9.36 feet to a point of curve, thence southeasterly and southerly on said northeasterly side line of Baker Road on a curve to the right with a radius of 705.10 feet a distance of 243.18 feet to a point of tangency, thence southwesterly on said northeasterly side line of Baker Road a distance of 105.18 feet to a point of curve, thence southerly and southeasterly on said northeasterly side line of Baker Road on a curve to the left with a radius of 100 feet a distance of 99.97 feet to a point of tangency, thence southeasterly on said northeasterly side line of Baker Road a distance of 129.94 feet to a point of curve, thence easterly, northeasterly and northerly on said northeasterly side line of Baker Road on a curve to the left with a radius of 25 feet a distance of 52.81 feet to the point of intersection of said northeasterly

side line of Baker Road and the westerly side line of Stowecroft Road, thence southerly on said westerly side line of Stowecroft Road a distance of 88.23 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan and Profile of Baker Road, Arlington, Mass. Scales Hor. 1 in. = 40 ft. Ver. 1 in. = 6 ft. Jan. 20, 1959, Fred A. Joyce, Surveyor, Belmont, Mass."

Article 50. To see if the Town will accept the laying out of a Town way from #32 to #55, substantially in the location of the private way known as Stone Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Ridge Street and the southeasterly side line of Stone Road, thence southwesterly on said southeasterly side line of Stone Road a distance of 306.37 feet to a point of curve, thence southwesterly on said southeasterly side line of Stone Road a distance of 330.96 feet to a point of tangency, thence southwesterly on said southeasterly side line of Stone Road a distance of 52.26 feet to a point, thence northwesterly across said Stone Road a distance of 42.15 feet to a point on the northwesterly side line of Stone Road, thence northeasterly on said northwesterly side line of Stone Road a distance of 38.98 feet to a point of curve, thence northeasterly on said northwesterly side line of Stone Road a distance of 313.07 feet to a point of tangency, thence northeasterly on said northwesterly side line of Stone Road a distance of 310.26 feet to the point of intersection of said northwesterly side line of Stone Road and the northerly side line of Ridge Street, thence southeasterly across said Stone Road a distance of 40.20 feet to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Stone Road, Arlington, Mass. Horizontal Scale 1 inch = 40 feet Vertical Scale 1 inch = 6 feet W. A. Mason & Son Co., Civil Engineers, Cambridge, Mass. June 9, 1928".

Article 51. To see if the Town will accept the laying out of a Town way from Overlook Road to Washington Street, substantially in the location of the private way known as Mountain Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Overlook Road and the southwesterly side line of Mountain Avenue, thence northerly and northwesterly on said southwesterly side line of Mountain Avenue on a curve to the left with a radius of 10 feet a distance of 16.46 feet to a point of tangency, thence northwesterly on said southwesterly side line of Mountain Avenue distances of 210.72 feet, 187.15 feet and 191.47 feet respectively to a point of curve, thence northwesterly, westerly, southwesterly and southerly on said southwesterly side line of Mountain Avenue on a curve to the left with a radius of 48.87 feet a distance of 122.75 feet to the point of intersection of said southwesterly side line of Mountain Avenue and the easterly side line of Washington Street, thence northerly on said easterly side line of Washington Street a distance of 111.60 feet to the point of intersection of said easterly side line of Washington Street and the northeasterly side line of Mountain Avenue, thence southeasterly, easterly and northeasterly on said northeasterly side line of Mountain Avenue on a curve to the left with a radius of 29.76 feet a distance of 61.06 feet to a point

of tangency, thence northeasterly on said northeasterly side line of Mountain Avenue a distance of 42.43 feet to an angle point, thence southeasterly on said northeasterly side line of Mountain Avenue distances of 267.46 feet, 187.60 feet and 211.22 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Mountain Avenue on a curve to the left with a radius of 10 feet a distance of 14.96 feet to the point of intersection of said northeasterly side line of Mountain Avenue and the northwesterly side line of Overlook Road, thence southeasterly on said northwesterly side line of Overlook Road a distance of 60.17 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Plan and Profile of Overlook Road & Mountain Ave., Arlington, Mass. as Petitioned For By Neil McIntosh Jr., Trustee Showing Proposed Lines and Grades, Scales Hor. 1" = 40' Vert. 1" = 6' April 1914 C. H. Gannett C. E. 53 State Street, Boston" and the other entitled, "Plan and Profile of Part of Mountain Avenue in Arlington, Mass. Owned and Developed by Thomas Lee of 18 Sheldon Rd., Watertown, Scales: Horizontal 1 in. = 40 ft. Vertical 1 in. = 6 ft. April 4, 1955, Everett M. Brooks Co. Civil Engineers, Newtonville, Mass."

Article 52. To see if the Town will accept the laying out of a Town way from north of Nicod Street to Wilbur Avenue, substantially in the location of the private way known as Wollaston Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the northwesterly side line of Wollaston Avenue at the end of the accepted portion thereof, thence northeasterly on said northwesterly side line of Wollaston Avenue distances of 38.22 feet and 74 feet more or less to the point of intersection of said northwesterly side line of Wollaston Avenue and the northeasterly side line of Wilbur Avenue, thence southeasterly across said Wollaston Avenue a distance of 84.02 feet to the point of intersection of the southeasterly side line of Wollaston Avenue and the northeasterly side line of Wilbur Avenue, thence southwesterly on said southeasterly side line of Wollaston Avenue a distance of 11.34 feet, 59.96 feet and 40.0 feet respectively to a point, thence northwesterly across said Wollaston Avenue and by the end of the accepted portion thereof a distance of 68 feet more or less to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Wollaston Avenue, Arlington, Mass. Scales Hor. 1" = 40' Vert. 1" = 6' Dec. 28, 1931, James M. Keane, Town Engineer".

Article 53. To see if the Town will accept the laying out of a Town way from Wollaston Avenue northwesterly, substantially in the location of the private way known as Wilbur Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Wollaston Avenue and the southwesterly side line of Wilbur Avenue, thence northeasterly, northerly and northwesterly on said southwesterly side line of Wilbur Avenue on a curve to the left with a radius of 35 feet a distance of 52.33 feet to a point of tangency, thence northwesterly on said southwesterly side line of Wilbur Avenue a distance of 406.00 feet to a point at the northwesterly boundary line of Lot 12, thence northeasterly across said Wilbur

Avenue a distance of 40.94 feet to a point on the northeasterly side line of Wilbur Avenue, thence southeasterly on said northeasterly side line of Wilbur Avenue a distance of 452.84 feet to the point of intersection of said northeasterly side line of Wilbur Avenue and the northwesterly side line of Wollaston Avenue, thence southwesterly on said northwesterly side line of Wollaston Avenue a distance of 74 feet more or less to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Board of Survey Plan and Profile of Wilbur Avenue, Arlington, Mass. Scales Hor. 1" = 40' Vert. 1" = 6' Jan. 28, 1932, James M. Keane, Town Engineer".

Article 54. To see if the Town will accept the laying out of a Town way from Dickson Avenue to Fabyan Street, substantially in the location of the private way known as Hemlock Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessments of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Fabyan Street and the northeasterly side line of Hemlock Street, thence southwesterly, southerly and southeasterly on said northeasterly side line of Hemlock Street on a curve to the left with a radius of 10 feet a distance of 15.71 feet to a point of tangency, thence southeasterly on said northeasterly side line of Hemlock Street a distance of 392.20 feet to a point of curve, thence southeasterly on said northeasterly side line of Hemlock Street on a curve to the left with a radius of 66.6 feet a distance of 17.24 feet to a point of tangency, thence southeasterly on said northeasterly side line of Hemlock Street a distance of 101.69 feet to a point of curve at the present end of the accepted portion of Dickson Avenue, thence southeasterly on said northeasterly side line of Hemlock Street on a curve to the right with a radius of 127.53 feet a distance of 56.73 feet to the point of intersection of said northeasterly side line of Hemlock Street and the southeasterly side line of Dickson Avenue, thence southwesterly across said Hemlock Street a distance of 40.6 feet to a point on the southwesterly side line of Hemlock Street, thence northwesterly on said southwesterly side line of Hemlock Street a distance of 16.76 feet to a point of curve, thence northwesterly on said southwesterly side line of Hemlock Street on a curve to the left with a radius of 87.53 feet a distance of 38.94 feet to a point of tangency thence northwesterly on said southwesterly side line of Hemlock Street a distance of 101.69 feet to a point of curve, thence northwesterly on said southwesterly side line of Hemlock Street on a curve to the right with a radius of 106.61 feet a distance of 27.60 feet to a point of tangency, thence northwesterly on said southwesterly side line of Hemlock Street a distance of 392.20 feet to a point of curve, thence northwesterly, westerly and southwesterly on a curve to the left with a radius of 10 feet a distance of 15.71 feet to the point of intersection of said southwesterly side line of Hemlock Street and the southeasterly side line of Fabyan Street, thence northeasterly on said southeasterly side line of Fabyan Street, a distance of 60.0 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Plan and Profile of Hemlock Street, Brattle Heights, Arlington, Horizontal Scale 40 feet to an inch, Vertical Scale 6 feet to an inch, May 1917, Ernest W. Branch, Civil Engineer, Boston Quincy" and the other entitled, "Plan and Profile of Hemlock Street, Arlington Mass. Scale Hor. 1" = 40' Vert. 1" = 6' Jan. 5, 1958, Francis J. DeRoche, Eng."

Article 55. To see if the Town will accept the laying out of a Town way from Morningside Drive to Stone Road, substantially in the location of the private way known as Ridge Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing

the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the westerly side line of Stone Road and the southerly side line of Ridge Street, thence northerly, and northwesterly on said southerly side line of Ridge Street on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of tangency, thence northwesterly on said southerly side line of Ridge Street a distance of 327.41 feet to the point of intersection of said southerly side line of Ridge Street and the southeasterly side line of Morningside Drive, thence northeasterly on said southeasterly side line of Morningside Drive a distance of 128 feet more or less to the point of intersection of said southeasterly side line of Morningside Drive and the northerly side line of Ridge Street, thence southeasterly and easterly on said northerly side line of Ridge Street on a curve to the left with a radius of 22 feet a distance of 29.16 feet to a point of tangency, thence southeasterly on said northerly side line of Ridge Street a distance of 200.05 feet to a point of curve, thence southeasterly on said northerly side line of Ridge Street on a curve to the right with a radius of 440 feet a distance of 21.82 feet to the point of intersection of said northerly side line of Ridge Street and the westerly side line of Stone Road, thence southwesterly on said westerly side line of Stone Road a distance of 74.46 feet to the point of beginning as shown on two plans on file in the office of the Town Clerk, Arlington, Mass. one entitled, "Plans & Profiles of Melvin Rd., Stone Rd., Ridge St., Greenwood Rd., Old Middlesex Path, Arlington, Mass. Hor. Scale 40 ft. = 1 in. Ver. Scale 6 ft. = 1 in. April 20, 1950, Fred A. Joyce, Surveyor, Belmont, Mass." and the other entitled, "Plan and Profile of Ridge Street, Arlington, Mass. Horizontal Scale 1 inch = 40 feet. Vertical Scale 1 inch = 6 feet, W. A. Mason & Son Co., Civil Engineers, Cambridge, Mass. June 9, 1928".

Article 56. To see if the Town will accept the laying out of a Town way from Ridge Street to Winchester Road, substantially in the location of the private way known as Greenwood Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Winchester Road and the northwesterly side line of Greenwood Road, thence northeasterly on said northwesterly side line of Greenwood Road on a curve to the left with a radius of 25 feet a distance of 29.17 feet to a point of tangency, thence northeasterly on said northwesterly side line of Greenwood Road a distance of 298.17 feet to a point of curve, thence northerly and northwesterly on said northwesterly side line of Greenwood Road on a curve to the left with a radius of 25 feet a distance of 39.27 feet to the point of intersection of said northwesterly side line of Greenwood Road and the southerly side line of Ridge Street, thence southeasterly on said southerly side line of Ridge Street a distance of 90 feet to the point of intersection of said southerly side line of Ridge Street and the southeasterly side line of Greenwood Road, thence northwesterly, westerly and southwesterly on said southeasterly side line of Greenwood Road on a curve to the left with a radius of 25 feet a distance of 39.27 feet to a point of tangency, thence southwesterly on said southeasterly side line of Greenwood Road a distance of 274.85 feet to a point of curve, thence southerly, southeasterly and easterly on said southeasterly side line of Greenwood Road on a curve to the left with a radius of 15 feet a distance of 29.62 feet to the point of intersection of said southeasterly side line of Greenwood Road and the northerly side line of

Winchester Road, thence westerly on said northerly side line of Winchester Road a distance of 82.72 feet to the point of beginning as shown on a plan on file in the Office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Greenwood Road, Arlington, Mass. Horizontal Scale 1 inch = 40 feet, Vertical Scale 1 inch = 6 feet, W. A. Mason & Son Co. Civil Engineers, Cambridge, Mass. June 9, 1928.

Article 57. To see if the Town will accept the laying out of a Town way from Ridge Street to Greenwood Road, substantially in the location of the private way known as Winchester Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

FIRST SECTION:

Beginning at the point of intersection of the westerly side line of Ridge Street and the southerly side line of Winchester Road, thence northwesterly on said southerly side line of Winchester Road on a curve to the left with a radius of 25 feet a distance of 28.68 feet to a point of tangency, thence northwesterly on said southerly side line of Winchester Road a distance of 303.08 feet to a point of curve, thence westerly, southwesterly and southerly on said southerly side line of Winchester Road on a curve to the left with a radius of 25 feet a distance of 40.14 feet to the point of intersection of said southerly side line of Winchester Road and the easterly side line of Stone Road, thence northerly on said easterly side line of Stone Road distances of 27.91 feet and 61.36 feet respectively to the point of intersection of said easterly side line of Stone Road and northerly side line of Winchester Road, thence southerly and southeasterly on said northerly side line of Winchester Road on a curve to the left with a radius of 25 feet a distance of 37.55 feet to a point of tangency, thence southeasterly on said northerly side line of Winchester Road a distance of 357.62 feet to a point of curve, thence easterly, northeasterly and northerly on said northerly side line of Winchester Road on a curve to the left with a radius of 25 feet a distance of 57.09 feet to the point of intersection of said northerly side line of Winchester Road and the westerly side line of Ridge Street, thence southeasterly on said westerly side line of Ridge Street distances of 94.31 feet and 27.13 feet respectively to the point of beginning.

SECOND SECTION:

Beginning at the point of intersection of the westerly side line of Stone Road and the southerly side line of Winchester Road, thence northerly, northwesterly and westerly on said southerly side line of Winchester Road on a curve to the left with a radius of 15 feet a distance of 30.18 feet to a point of tangency, thence southwesterly on said southerly side line of Winchester Road a distance of 280.73 feet to a point, thence northwesterly across said Winchester Road a distance of 40.0 feet to a point on the northerly side line of Winchester Road, thence northeasterly on said northerly side line of Winchester Road a distance of 304.51 feet to a point of curve, thence northeasterly on said northerly side line of Winchester Road on a curve to the left with a radius of 25 feet a distance of 29.17 feet to the point of intersection of said northerly side line of Winchester Road and the westerly side line of Stone Road, thence southwesterly on said westerly side line of Stone Road distances of 57.30 feet and 26.20 feet respectively as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Plan and Profile of Winchester Road, Arlington, Mass. Horizontal Scale 1 inch = 40 feet, Vertical Scale 1 inch = 6 feet, W. A. Mason & Son Co., Civil Engineers, Cambridge, Mass. June 9, 1928."

Article 58. To see if the Town will accept the laying out of a Town way from Forest Street to Hancock Street, substantially in the location of the private way known as Hancock Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Forest Street and the southwesterly side line of Hancock Street, thence northerly and northwesterly on said southwesterly side line of Hancock Street on a curve to the left with a radius of 20 feet a distance of 39.37 feet to a point of tangency, thence northwesterly on said southwesterly side line of Hancock Street a distance of 116.72 feet to a point of curve, thence northwesterly on said southwesterly side line of Hancock Street on a curve to the right with a radius of 265.28 feet a distance of 48.62 feet to a point of compound curve, thence northwesterly and northerly on said southwesterly side line of Hancock Street on a curve to the right with a radius of 92.28 feet a distance of 111.30 feet to a point of tangency, thence northerly on said southwesterly side line of Hancock Street a distance of 257.0 feet to a point, thence easterly across said Hancock Street a distance of 40.0 feet to a point on the northeasterly side line of Hancock Street, thence southerly on said northeasterly side line of Hancock Street a distance of 257.0 feet to a point of curve, thence southerly and southeasterly on said northeasterly side line of Hancock Street on a curve to the left with a radius of 52.28 feet a distance of 63.06 feet to a point of compound curve, thence southeasterly on said northeasterly side line of Hancock Street on a curve to the left with a radius of 225.28 feet a distance of 41.28 feet to a point of tangency, thence southeasterly on said northeasterly side line of Hancock Street, a distance of 117.69 feet to a point of curve, thence easterly and northeasterly on said northeasterly side line of Hancock Street on a curve to the left with a radius of 20 feet a distance of 32.89 feet to the point of intersection of said northeasterly side line of Hancock Street and the northwesterly side line of Forest Street, thence southwesterly on said northwesterly side line of Forest Street on a curve to the right with a radius of 487.55 feet a distance of 80 feet more or less to the point of beginning as shown on a plan on file in the office of the Town Clerk, Arlington, Mass. entitled, "Street Plan & Profile of Hancock Street, Arlington, Mass. Scale Hor. 1" = 40', Ver. 1" = 6', Nov. 12, '58, Frank W. Sarnow, Civil Engineer, 24 Tanager St., Arlington, Mass.

Article 59. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments for the reconstruction of any or all parts of certain public ways in the Town, the laying out of which is accepted at this meeting including costs of acceptance, land damages and the cost of paving any or all sidewalks to be laid out at the time of said reconstruction; determine how the money shall be raised and expended; or take any action relating thereto.

Article 60. To see if the Town will vote to authorize the Town Manager to sell, convey or otherwise dispose of a steel storage building located in the Old Town Yard at #1083 Massachusetts Avenue; or take any action relating thereto.

Article 61. To see if the Town will make an appropriation for the construction of a storm drain culvert or pipe, with appurtenances, through Private Lands, from Mystic Street to Upper Mystic Lake; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 62. To see if the Town will vote to accept the naming of the newly developed section of the Summer Street playground, which includes only the Little League Baseball Field, as the George N. Buck Memorial Field.

(Inserted at the request of ten (10) registered voters)

Article 63. To see if the Town will vote to authorize the Town Manager to sell, convey or otherwise dispose of the wooden building now located in the rear of Railroad Avenue, and formerly known as the Arlington Center Railroad Station, to Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc.; or take any action relating thereto.

Article 64. To see if the Town will make an appropriation to excavate, grade, pave, paint stalls, provide lighting, and install parking meters on property in the rear of Railroad Avenue, the site of the former Arlington Center Railroad Station, and do any and all other acts necessary on land owned by the Town of Arlington in the rear of Railroad Avenue to provide a public off-street parking area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 65. To see if the Town will make an appropriation for the purchase and installation of parking meters in the Arlington Heights business area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 66. To see if the Town will make an appropriation for the installation of pedestrian actuated traffic signals on Massachusetts Avenue at Lockeland Avenue and on Massachusetts Avenue at Churchill Avenue; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 67. To see if the Town will appropriate a sum of money to be expended under the direction of the Town Manager for the use of the committee known as the Board of Directors of Youth Services for the purposes of assisting in the prevention, treatment and control of problems relating to the children and youth of the Town and of advising and assisting other agencies concerned with such matters; determine in what manner such sum shall be raised; or take any action relating to all or any part of the foregoing.

(Inserted at the request of the Board of Directors of Youth Services)

Article 68. To see if the Town will vote to amend its Zoning By-Law by striking out Paragraph 5 of Section 4 and inserting in place thereof the following:

5. Any person or persons desiring to obtain the permission of the Zoning Board of Appeals for any purpose for which such permission is required under the provisions of this by-law shall make application in writing therefor to the Zoning Board of Appeals which shall, within a reasonable time, hold a public hearing thereon. Notice of such hearing and of the subject matter, sufficient for identification, shall be given by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication to be not less than fourteen days before the day of the hearing.

(Inserted at the request of the Planning Board)

Article 69. To see if the Town will vote to amend its Zoning By-Law by striking out Paragraph 2 of Section 5 and inserting in place thereof the following:

2. The Planning Board, upon the request in writing of not less than ten registered voters of the Town, shall or upon its own initiative may, hold a public hearing for the consideration of any proposed amendment, modification or repeal of this by-law, provided that where a petition is filed such petition shall show that copies of the petition have been sent by registered mail to all abutters of the land referred to in the petition. The Planning Board shall report to the Town Meeting its recommendations with respect to the action to be taken thereon. Notice of such hearing and of the subject matter, sufficient for identification, shall be given by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication being not less than fourteen days before the day of such hearing.

(Inserted at the request of the Planning Board)

Article 70. To see if the Town will amend its Zoning By-Law by altering the Zoning may therein referred to so as to include in the Residence B District the area now included in the Residence A District and bounded and described as follows:

Beginning at a point on the southwesterly side line of Summer Street, said point being a distance of 42.38 feet from a stone bound at the intersection of the southwesterly side line of Summer Street, and the southeasterly side line of Thorn Road, thence southeasterly and southerly on a curve to the right with a radius of 740.36 feet a distance of 226.30 feet to a point of tangency on said southwesterly side line of Summer Street, thence continuing along said southwesterly side line of Summer Street S 11°-36'-42"E a distance of 23.33 feet to a point of curve on said southwesterly side line of Summer Street, thence southerly and southwesterly on a curve to the right with a radius of 213.38 feet a distance of 195.83 feet to a point of tangency on the northwesterly side line of Forest Street, thence S 40°-45'-27"W along the said northwesterly side line of Forest Street, a distance of 129.50 feet to the point of intersection of the said northwesterly side line of Forest Street and the northerly side line of Bow Street, thence continuing S 62°-36'-21"W along the said northerly side line of Bow Street, a distance of 167.47 feet to a point on said northerly side line of Bow Street, thence turning and running N 50°-19'-09"W a distance of 181.12 feet to an angle point, thence running N 50°-33'-35"W a distance of 80.31 feet to a point on the northeasterly property line of Lot 18, thence turning and running N 50°-55'-51"E a distance of 94.70 feet to an angle point, thence running N 43°-18'-21"E a distance of 187.82 feet to an angle point, thence running N 42°-31'-21"E a distance of 134.41 feet to an angle point, thence running N 41°-28'-21"E a distance of 165.95 feet to the point of beginning and containing 3.48 acres all as shown on a plan entitled, "Plan of Land in Arlington, Mass., Owned by Charles A. Peirce, Scale 1" = 40', Jan. 3, 1918, Geo. E. Ahern, Town Engineer, Prepared for Commission of School House Sites, on file in the office of the Town Engineer, Arlington, Mass.", said parcel is also shown on plan entitled, "Plan of Land in Arlington, Mass., owned by Charles A. Peirce, dated January 3, 1918, by George E. Ahern, Town Engineer, recorded in Middlesex So. Dist. Deeds, Plan Book 263, Plan 48."

(Inserted at the request of the Planning Board)

Article 71. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence A District and bounded and described as follows:

NORTHEASTERLY	by Forest Street, 163.0 feet
SOUTHEASTERLY	by Lot A, 100.0 feet
SOUTHWESTERLY	by land of the Town of Arlington, 105.53+ feet

NORTHWESTERLY	by land of the Boston & Maine Railroad, 116+ feet

Containing 15725 square feet more or less and shown on Block Plan No. 82 on file in the office of the Town Engineer.

(Inserted at the request of ten (10) registered voters)

Article 72. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District, and bounded and described as follows:

SOUTHEASTERLY	by North Union Street, 395 feet;
SOUTHWESTERLY	by land shown as "Thompson School" on a plan hereinafter referred to, 400 feet;
NORTHWESTERLY	by Everett Street, 395 feet; and
NORTHEASTERLY	by Lots 306, 307, 308, 309, 310 and 311 as shown on said plan, 400 feet.

Containing 158,000 square feet of land. Said parcel being shown on plan entitled "Plan Showing Proposed Layout of Three Story (12) Unit Apts., Arlington, Mass." dated Jan. 1963, by Jos. J. Sullivan, Surveyor.

(Inserted at the request of ten (10) registered voters)

Article 73. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District, and bounded and described as follows:

SOUTHWESTERLY	by Norcross Street, 128 feet;
NORTHWESTERLY	by land of Rose Tedesco and by Lots numbered 58, 59 and 60, 224 feet more or less;
NORTHEASTERLY	by Lots numbered 74, 75, 76 and 10, 153 feet; and
SOUTHEASTERLY	by Lots numbered 10, 9, 8, and 7, 216.25 feet.

Containing 30,475 square feet of land more or less. Said parcel being shown on "Plan To Accompany Petition of Arthur W. Johnson Realty Trust for Zoning Variance, Norcross St., Arlington, Mass." dated December 19, 1962, by Joseph Selwyn, Civil Engineer.

(Inserted at the request of ten (10) registered voters)

Article 74. To see whether the Town will petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town to the Arlington Housing Authority for the use of the said Housing Authority to erect buildings for housing for aged citizens of Arlington; and will vote to authorize and direct the Board of Selectmen to sell, convey or otherwise dispose of said parcel to the Arlington Housing Authority for said use as above described; or take any action relating thereto.

Said parcel of land is bounded and described, as follows:

Beginning at a point on the southerly side line of Summer Street; at the division line between land now of formerly of Malcom G. Stevens, Trustee, and land now of the Town of Arlington, thence easterly on said southerly side line of Summer Street, by various courses and curves a distance of 497 feet, more or less to a point, thence southwesterly on a curve with a radius of 560 feet a distance of 298 feet more or less, to a point on the northerly corner of property now or formerly of R. Wendell Wood, thence westerly, a distance of 40 feet along property now or formerly of R. Wendell Wood to an

angle point, thence northwesterly, a distance of 95.15 feet along property now or formerly of the Boston & Maine Railroad to an angle point, thence northerly a distance of 61.58 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 68.20 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence westerly a distance of 71.33 feet along property now or formerly of Boston & Maine Railroad, thence northwesterly, a distance of 213 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northerly a distance of 51.40 feet to an angle point along property now or formerly of the Boston & Maine Railroad, thence northeasterly a distance of 152.5 feet to an angle point along property now or formerly of Malcom G. Stevens, Trustee, thence northerly a distance of 100 feet along property of said Malcom G. Stevens, Trustee, to the point of beginning and containing about 150,000 square feet, more or less, as shown on two plans on file in the office of the Town Engineer, Arlington, Mass.; one entitled "Plan of Land in Arlington, Mass., Taken for Park Purposes, Scale 1" = 40', April, 1933, James M. Keane, Town Engineer", and another entitled "Copy of Plan of Fowles Pond, Arlington, Mass., Scale 1" = 40', January, 1930, James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Housing Authority)

Article 75. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District, all or any part of the area now included in land owned by the Town of Arlington for Park purposes and located on Summer Street, bounded and described as follows:

Beginning at a point on the southerly side line of Summer Street, at the division line between land now or formerly of Malcolm G. Stevens, Trustee, and land now of the Town of Arlington, thence easterly on said southerly side line of Summer Street, by various courses and curves, a distance of 497 feet, more or less to a point, thence southwesterly on a curve with a radius of 560 feet, a distance of 298 feet more or less, to a point on the northerly corner of property now or formerly of R. Wendell Wood, thence westerly, a distance of 40 feet along property now or formerly of R. Wendell Wood, to an angle point, thence northwesterly, a distance of 95.15 feet along property now or formerly of the Boston & Maine Railroad to an angle point, thence northerly a distance of 61.58 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 68.20 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence westerly a distance of 71.33 feet along property now or formerly of Boston & Maine Railroad, thence northwesterly a distance of 213 feet to an angle point along property now or formerly of Boston & Maine Railroad, thence northerly a distance of 51.40 feet to an angle point along property now or formerly of the Boston & Maine Railroad, thence northeasterly a distance of 152.5 feet to an angle point along property now or formerly of Malcom G. Stevens, Trustee, thence northerly a distance of 100 feet along property of said Malcolm G. Stevens, Trustee, to the point of beginning and containing about 150,000 square feet, more or less, as shown on two plans on file in the office of the Town Engineer, Arlington, Mass.; one entitled "Plan of Land in Arlington, Mass. Taken for Park Purposes, Scale 1" = 40', April 1933, James M. Keane, Town Engineer," and another entitled "Copy of Plan of Fowles Pond, Arlington, Mass., Scale 1" = 40', January, 1930, James M. Keane, Town Engineer."

(Inserted at the request of the Arlington Housing Authority)

Article 76. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included partly in the Business A District and partly in the Residence B District and bounded and described as follows:

NORTHERLY	by Water Street 62.96 feet;
EASTERLY	by land now or formerly of Daniel Collins 115.78 feet;
SOUTHERLY	by land now or formerly of Chester Trump 59.01 feet;
SOUTHERLY	again by land now or formerly of John Carmo 3.42 feet;
WESTERLY	by land now or formerly of Helen O'Brien 113.65 feet.

Containing 7,192 square feet of land. Said parcel is shown as Lot B2 27 Water Street, on Block Plan 50 of the Town of Arlington.

(Inserted at the request of ten (10) registered voters)

Article 77. To see if the Town will amend its Zoning By-Laws by altering the Zoning Map therein referred to so as to include in the Residence B District, the area now included in the Residence C District and bounded and described as follows:

WESTERLY	by Spy Pond five courses measuring 808.86 feet;
NORTHERLY	by land of the Town of Arlington, as shown on plan hereinafter mentioned, 240 feet;
EASTERLY	by land of the Boston and Maine Railroad, as shown on said plan, in seven courses together measuring 874.90 feet;
SOUTHEASTERLY	by land of William H. and Marilyn H. Hamilton, as shown on said plan, 66 feet;
SOUTHWESTERLY AND SOUTHEASTERLY	by land of Frederico Boraschi and Bruno Pedrelli, as shown on said plan, in two courses measuring 63.60 feet and 48.50 feet.

Said parcel being shown on a plan entitled "Plot Plan of Land in Arlington, Mass.," dated Sept. 21, 1960, by Albert A. Miller and Wilbur C. Nylander, Civil Engrs. and Surveyors.

(Inserted at the request of ten (10) registered voters)

Article 78. To see if the Town will acquire by purchase or eminent domain for the purpose of a public park a parcel of land bounded and described as follows:

WESTERLY	by Spy Pond by five courses together measuring 808.86 feet;
NORTHERLY	by land of the Town of Arlington, as shown on plan hereinafter mentioned, 240 feet;
EASTERLY	by land of the Boston and Maine Railroad, as shown on said plan, in seven courses together measuring 874.90 feet;
SOUTHEASTERLY	by land of William H. and Marilyn H. Hamilton, as shown on said plan, 66 feet;
SOUTHWESTERLY AND SOUTHEASTERLY	by land of Frederico Boraschi and Bruno Pedrelli, as shown on said plan, in two courses measuring respectively 63.60 feet and 48.50 feet.

Said parcel being shown on a plan entitled "Plot Plan of Land in Arlington, Mass." dated Sept. 21, 1960, by Albert A. Miller and Wilbur C. Nylander, Civil Engrs. and Surveyors."

(Inserted at the request of ten (10) registered voters)

Article 79. To see if the Town will transfer the sum of Eight Thousand Dollars ($8,000.00) from the Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of the Town Cemeteries.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 80. To see if the Town will make an appropriation for the improvement of the playground immediately in the rear of the Junior High School West; determine how the money is to be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 81. To see if the Town will vote to appoint a committee of five comprised of the Chief of Police, the Inspector of Wires, the Town Engineer and two registered voters of the Town experienced in electrical communications to investigate, consider and make recommendations relative to the replacement of the Police Operation Desk in the Police Station, said committee to report not later than the 1964 Annual Town Meeting; make an appropriation for the use of said committee; determine in what manner the money shall be raised; or take any action relating thereto.

Article 82. To see if the Town will make an appropriation for the purchase of new fire alarm signalling equipment at Fire Headquarters and for the relocation of the Watchroom and Mutual Aid Signals from the first floor to the second floor of said building; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 83. To see if the Town will make an appropriation for the development and improvement of the Robbins Farm Playground including the construction of three tennis courts and installation of a storm drain; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Board of Park Commissioners)

Article 84. To see if the Town will acquire by purchase, eminent domain or otherwise a parcel or parcels of land or any portion thereof between Park Avenue and Davis Road, in the rear of the business blocks on Massachusetts Avenue, for the purpose of establishing an off-street parking area; make an appropriation for the purpose aforesaid and determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 85. To see if the Town will make an appropriation to excavate, grade, pave, paint stalls and provide lighting and parking meters and to do any and all other acts necessary to provide a public off-street parking area in the rear of the business property presently on Massachusetts Avenue, between Park Avenue and Davis Road; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 86. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the High School Additions and Reconstruction Committee appointed under Article 86 of the Warrant for the Annual Town Meeting of 1956 for the purpose of erecting an addition, or additions, to the present High School and to provide for other alterations and improvements to and remodeling, modernization, and reconstruction of

said High School including the cost of furnishings, equipment and lighting for said additions and other facilities for both the present building and the proposed addition; determine in what manner the money shall be raised; or take any action relating to any or all of the foregoing.

(Inserted at the request of the High School Additions and Reconstruction Committee)

Article 87. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Town Manager, said appropriation to be added to amount appropriated under Article 98 of the Warrant for the 1962 Annual Town Meeting, for the purpose of installation of new boilers, incinerators and automatic temperature control system at the Locke School; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the School Committee and School Survey Committee)

Article 88. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Town Manager for the purpose of converting three (3) coal-firing steam boilers at the Junior High School West to oil-burning boilers and to remodel the heat units and control systems and other related work; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 89. To see if the Town will make an appropriation to be expended under the direction of the Town Clerk, for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; determine in what manner the money shall be raised; or take any action relating thereto.

Article 90. To see if the Town will vote to make an appropriation for the purpose of providing ornamental and additional light to the streets in the business area of the Town during the Christmas holiday season; determine in what manner the funds shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 91. To see if the Town will make an appropriation of a sum of money to be expended under the direction of the Board of Selectmen for the purpose of providing suitable headquarters for the Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington; determine in what manner the money shall be raised and expended or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 92. To see if the Town will make an appropriation to be added to the Stabilization Fund created under Article 73 of the Warrant for the 1958 Annual Town Meeting in accordance with the provisions of Massachusetts General Laws (Ter. Ed.), Chapter 40, Section 5B, as amended; determine in what manner the money shall be raised; or take any action relating thereto.

Article 93. To see if the Town will authorize taking a sum of money voted for the appropriation heretofore made at this Town Meeting under this Warrant, and not voted to be borrowed, from any available funds in the treasury and will authorize the Assessors to use free cash in the treasury in any available funds to an amount not exceeding $550,000.00, in the determination of the 1963 tax rate.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least before the day of said meeting for the election of officers.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk before the day of said meeting.
Given under our hands, at said Arlington this twenty-first day of January, in the year of our Lord one thousand nine hundred sixty-three.

(Signed)

HORACE H. HOMER
PHILIBERT L. PELLEGRINI
JOSEPH P. GREELEY
ARTHUR D. SAUL, JR.

FRANK K. NICKSAY
Constable, Town of Arlington

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, March 4, 1963

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purpose herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town, previous to the day of the meeting for the election of officers and by posting an attested copy of said Warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the times, places and objects of the meetings was published in the local papers.

(Signed) Frank K. Nicksay
Constable of the Town of Arlington, Massachusetts

ANNUAL TOWN MEETING, MARCH 4, 1963

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Monday, March 4, 1963, at seven o'clock in the forenoon.

Upon receipt of the returns as made by the election officers of the several precincts, they were canvassed by Miss Ann Mahon, Town Clerk, Messrs. Timothy J. Buckley, Arthur P. Wyman and Joseph H. Cormier,

Registrars of Voters assisted by Miss Mary A. Farrington, Assistant Town Clerk, and the results were announced at 3:15 A.M. on Tuesday, March 5, 1963, as follows:

Total Ballots Cast - 6,934

All used and unused ballots, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Town Election, properly signed and sealed, were delivered to the Town Clerk to be preserved by her during the time required by law.

The persons declared elected town officers, including town meeting members, were notified as required by the General Laws.

A true record.
ATTEST:

Ann Mahon
Town Clerk

In accordance with Section 61 of Chapter 51 of the General Laws, the return of the registred voters in Arlington at the close of registration for the Town Election on February 12, 1963, was forwarded to the Secretary of the Commonwealth.

The results of the count of votes cast at the Town Election were forwarded to the Secretary of the Commonwealth.

In accordance with Section 132 of Chapter 54 of the General Laws, the total number of voters checked on the voting lists in each precinct was forwarded to the Secretary of the Commonwealth.

In connection with the work of the Department of Corporations and Taxation, a list of Town Officials was forwarded to the Director of Accounts.

ANNUAL TOWN MEETING — MARCH 18, 1963

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, March 18, 1963, at eight o'clock in the evening. The Warrant calling the meeting served as the notice sent by mail to the town meeting members by the Town Clerk.

Certificates were filed with the Town Clerk by the Chairman and Clerks of Precincts 1 and 9 relative to meetings held on March 18, and of the elections to fill town meeting vacancies until the next annual election, as follows:

Precinct 1 - Richard D. Freeman, 32 Oxford Street, to fill until the next annual election the vacancy arising from the removal from the precinct of Herbert S. Hurd, whose term was to expire in 1965;

Precinct 9 - Kenneth A. West, 17 Davis Avenue, to fill until the next annual election the vacancy arising from the resignation of Carl Henry Freyer, whose term was to expire in 1965.

*Elected

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty-three (243) town meeting members and eight (8) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred twenty (220) town meeting members and eight (8) town meeting members at large (90.8% of total 251) attended the meeting.

Philip H. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:08 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Anton Kovar, pianist, and Mr. Augustus Mazzocca, trumpeter, both of the School Department.

The invocation was given by the Rt. Rev. Joseph M. F. Fitzgibbons, Pastor of St. Jerome's Church.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of Mr. Philibert L. Pellegrini, Chairman of the Board of Selectmen, permission was granted by general consent for Mr. Greeley of the Board of Selectmen; Mr. Nicksay, Executive Secretary of the Board of Selectmen; Mr. Coolidge of the Board of Assessors; Mr. Waterman, Executive Secretary of the Board of Assessors; Messrs. Widder, Johnson, Swadkins and Andrews of the Personnel Board; Mr. Morris, Executive Secretary of the Personnel Board; Messrs. Leone, Mullin, Cataldo and McGrath of the Planning Board; Messrs Dunn, Higby, Ahern, Lawlor, Guinan, Cotter, Sisson, Dillon and Blackman of the Finance Committee; Mr. Farrow, Executive Secretary of the Finance Committee; Miss Carter, and Mrs. Porteus, Messrs. Allen, Baker, Coughlin, Kent and Morine of the School Committee; Mr. Roens, Superintendent of Schools, Mr. Anderson, Assistant Superintendent of Schools and Mr. Purcell, Town Counsel, be permitted to sit within the Town Meeting enclosure.

The Town Clerk read the call of the meeting and the constable's return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Selectmen Pellegrini, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, March 20, 1963, at 8 o'clock.

On motion of Selectmen Pellegrini, duly seconded, it was

VOTED: That Article 2 be taken up. (Choice of other Town Officers.)

On motion of Selectmen Pellegrini, duly seconded, it was

VOTED: That the following be appointed Measurers of Wood and Bark:

John M. Wilfert, Jr., 19 Windmill Lane
Edward L. Kelley, 20 Paul Revere Road

There being no further business under Article 2, the Moderator declared it disposed of.

On motion of Selectmen Pellegrini, duly seconded, it was

VOTED: That Article 3 be taken up. (Reports of Town Boards, Finance and other Committees.)

On motion of Selectmen Pellegrini, duly seconded, it was

VOTED: That the reports of the Selectmen and of the various Town officers and the committees heretofore appointed, together with the statistics of the Assessors as printed in the Town Report, be received.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in the printed form be received.

Mr. Horace H. Homer presented the report of the Committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets and on Mr. Homer's motion, duly made and seconded, it was

VOTED: That the report be received.

The Moderator announced that the report of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955, was on file with the Town Clerk.

Mr. James W. Daily announced that the report of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956, will be made under Article 86 of the Warrant.

Mr. Allan B. Igo presented the report of the Arlington Development Commission under vote of the Town passed March 25, 1957, and on motion of Mr. Pellegrini, duly made and seconded, it was

VOTED: That the report be received.

Mr. William J. Frost reported for the committee under vote of the Town passed March 21, 1960, to investigate, consider and make recommendations relative to Town encouragement, financially, or otherwise, of Town employees seeking formal education in areas related to or growing out of their full-time activities, and on his motion, duly seconded, it was

VOTED: That the committee be discharged.

Mr. George J. Remmert presented the report of the Committee under vote of the Town passed March 22, 1961, to investigate, consider and make recommendations relative to the need for urban renewal in the Town, and on his motion, duly seconded, it was

VOTED: That the report be received.

Miss Murdena A. Campbell, Chairman of the Planning Board, formally presented the comprehensive plan summary report prepared for the Board by Planning and Renewal Associates, a study authorized under Article 71 of the Warrant for the 1960 Annual Town Meeting, and on her motion, duly seconded, it was

VOTED: That the Comprehensive Plan Report be received.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be laid on the table.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant unless otherwise voted as to any particular article, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4. (Treasurer; Power to Borrow.)

VOTED: (Unanimously) That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1964, in anticipation of the revenue of the financial year beginning January 1, 1964 and to issue a note or notes therefore, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1964.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (Claims or Charges of Symmes Hospital.)

VOTED: (Unanimously) That the sum of twenty eight thousand three hundred ten and 15/100 dollars ($28,310.15) be and hereby is appropriated to pay claims and charges of Symmes Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1963 to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 5, the Moderator declared it disposed of.

Article 6. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan — Schedule A and Pay Plan — Schedule B as established by Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, be and hereby are amended by increasing all money figures contained therein by approximately four percent (4%) to the nearest even dollar or two hundred and eight dollars ($208.00), whichever is the greater, in the annual salary schedule, and four dollars ($4.00) or approximately four percent (4%) to the nearest even daily rate, whichever is the greater in the weekly salary schedule; and by increasing the compensation of regularly employed part-time employees by approximately four percent (4%) to the nearest dollar; said amendment to become effective April 1, 1963; and that for this purpose the sum of ninety four thousand five hundred dollars ($94,500) be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 6, the Moderator declared it disposed of.

Article 7. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan — Schedule A as established by Article 7C of the By-Laws be and hereby is amended by re-allocating Cemetery Foreman; Foreman of Paint, Carpenter and Blacksmith shops; Forestry Foreman; Park Foreman; and Public Works Foreman from Grade MC 7 to Grade MC 8; said amendment to become effective April 1, 1963; and that for this purpose the sum of nineteen hundred eight one dollars ($1,981.00) be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 7, the Moderator declared it disposed of.

Article 8. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan — Schedule A as established by Article 7C of the By-Laws be and hereby is amended by re-allocating Superintendent of Parks and Recreation from Grade AG 11 to Grade AG 12; said amendment to become effective April 1, 1963; and that for this purpose the sum of three hundred twelve dollars ($312.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 8, the Moderator declared it disposed of.

Article 9. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan — Schedule A as established by Article 7C of the By-Laws be and hereby is amended by re-allocating Sealer of Weights and Measures from Grade AG 4 to Grade AG 6; said amendment to become effective April 1, 1963; and that for this purpose the sum of four hundred eight dollars ($408.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 9, the Moderator declared it disposed of.

Article 10. Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan — Schedule A and Pay Plan — Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Minimum - $6962.00", "Step 1 - $7230.00", "Step 2 - $7498.00", "Step 3 - $7766.00", and "Maximum - $8088.00" where they appear in Grade LS 8 of said schedules and inserting in place thereof the words and figures "Minimum - $7374.00", "Step 1 - $7642.00", "Step 2 - $7910.00", "Step 3 - $8178.00", and "Maximum - $8500.00"; said amendment to become effective April 1, 1963; and that for this purpose the sum of sixty eight dollars ($68.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 10, the Moderator declared it disposed of.

Article 11. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan - Schedule A and Pay Plan - Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Minimum - $103.20", "Step 1 - $107.50", "Step 2 - $112.10", "Step 3 - $116.70", and "Maximum - $121.50" where they appear in Grade MC 9 of said schedules and inserting in place thereof the words and figures "Minimum - $107.20", "Step 1 - $111.50", "Step 2 - $116.10", "Step 3 - $120.70", and "Maximum - $125.50"; said amendment to become effective April 1, 1963; and that for this purpose the sum of one hundred fifty seven dollars ($157.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 11, the Moderator declared it disposed of.

Article 12. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A as established by Article 7C of the By-Laws, be and hereby are amended by striking out the words and figures "($240.00 per year additional when assigned as Inspector)" where they appear after "Patrolman", "Police Sergeant", and "Police Captain" and inserting in place thereof the words and figures "($360.00 per year additional when assigned as Inspector)"; said amendment to become effective April 1, 1963; and that for this purpose the sum of six hundred thirty dollars ($630.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 12, the Moderator declared it disposed of.

Article 13. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: That the Classification Plan - Schedule A as established by Article 7C of the By-Laws, be and hereby is amended by inserting after the classification of "Junior Building Custodian" the following words and figures "(10 cents per hour additional when assigned to Town Hall night shift)"; said amendment to become effective April 1, 1963; and that for this purpose the sum of three hundred fourteen dollars ($314.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 13, the Moderator declared it disposed of.

Article 14. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, Schedule A as established by Article 7C of the By-Laws, be and hereby is amended by reallocating Timekeeper from Grade AG 5 to Grade AG 6; said amendment to become effective April 1, 1963; and that for this purpose the sum of two hundred twenty one dollars ($221.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 14, the Moderator declared it disposed of.

Article 15. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A, as established by Article 7C of the By-Laws, be and hereby is amended by re-allocating Storekeeper from Grade AG 5 to Grade AG 6; said amendment to become effective April 1, 1963; and that for this purpose the sum of two hundred twenty one dollars ($221.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 15, the Moderator declared it disposed of.

Article 16. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A, as established by Article 7C of the By-Laws, be and hereby is amended by adding the classification of Motor Equipment Operator, Grade 3 (possession of unrestricted license) - Grade MC 6; said amendment to become effective April 1, 1963.

There being no further business under Article 16, the Moderator declared it disposed of.

Article 17. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A, as established by Article 7C of the By-Laws, be and hereby is amended by deleting the words "power shovel, power grader" where they appear after Motor Equipment Operator, Grade 3, - Grade MC 5, and inserting the word "seweroder" so as to read as follows: "(10 cents per hour additional when operating power sweeper, bulldozer on sanitary fill, and seweroder)"; said amendment to become effective April 1, 1963.

There being no further business under Article 17, the Moderator declared it disposed of.

Article 18. (Amendment of Town By-Laws — Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A, as established by Article 7C of the By-Laws, be and hereby is amended by striking out the words and figures "(10 cents per hour additional when on sidewalk tractor snow removal, compressor or road roller)" where they appear after "Motor Equipment Operator, Grade 1" and inserting in place thereof the words and figures "(10 cents per hour additional when operating sidewalk tractor snow removal, compressor, road roller, and Walters' Snow Fighter)", said amendment to become effective April 1, 1963.

There being no further business under Article 18, the Moderator declared it disposed of.

Article 19. (Amendment of Town By-Laws.)

VOTED: (Unanimously) That Section K of Section 14 of Article 7C of the By-Laws, be and hereby is amended by adding the following sentence at the end thereof: "Permanent employees suffering an injury on the job related to their work shall continue to earn ordinary sick leave credit and vacation allowances during their absence from work due to such injury." so

that said Section K will read as follows: "Employees injured on the job and receiving Workmen's Compensation may, upon request, be granted such sick leave allowance payment, as will, when added to the amount of Workmen's Compensation, result in payment to them of their full salary, provided they have such sick leave credit. Permanent employees suffering an injury on the job related to their work shall continue to earn ordinary sick leave credit and vacation allowance during their absence from work due to such injury."

There being no further business under Article 19, the Moderator declared it disposed of.

Article 20. (Amendment of Town By-Laws.)

VOTED: (Unanimously) That Section A, Paragraph 3, sub-paragraphs b, c and e, of Section 13, of Article 7C of the By-Laws be and hereby are amended by striking out said sub-paragraphs and inserting in place thereof the following:

b. Three calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than ten years of continuous full-time service with the Town, said ten years service to be completed prior to June 1.

c. Four calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than twenty years of continuous full-time service with the Town, said twenty years of service to be completed prior to June 1.

e. Three calendar weeks vacation for library assistants. Provided, however, that any library assistant who has served not less than twenty years of continuous full-time service with the Town shall be entitled to a vacation of four calendar weeks, said twenty years service to be completed prior to June 1.

There being no further business under Article 20, the Moderator declared it disposed of.

Article 21. (Amendment of Town By-Laws — Classification and Pay Plan.)

On motion of Frederick A. Mahony, town meeting member from Precinct 11, duly seconded, it was

VOTED: That Article 21 be laid on the table.

Article 22. (Amendment of Town By-Laws — Classification and Pay Plan.)

On motion of Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That Article 22 be laid on the table.

Article 23. (Amendment of Town By-Laws — Classification and Pay Plan.)

A substitute motion was offered by James A. Barry, Jr., town meeting member from Precinct 7, who later requested that it be withdrawn and on his motion, duly seconded, it was

VOTED: (Roll Call Vote, 126 in the affirmative and 105 in the negative) That Article 23 be laid on the table.

Article 24. (Acceptance of Section 95A of Chapter 32 of The General Laws.)

VOTED: That no action be taken under Article 24 of the Warrant.

There being no further business under Article 24, the Moderator declared it disposed of.

Article 25. (Acceptance of Section 18A of Chapter 90 of The General Laws.)

VOTED: (Unanimously) That the Town does hereby accept the provisions of Section 18A of Chapter 90 of the General Laws, inserted by Chapter 409 of the Acts of 1962, entitled, "Rules Regulating Use of Ways by Pedestrians; Non-Criminal Disposition of Violations".

There being no further business under Article 25, the Moderator declared it disposed of.

Article 26. (Appropriation for Conversion of Traffic Signals.)

VOTED: (Unanimously) That the sum of eight thousand dollars ($8,000) be and hereby is appropriated for the conversion of a portion of the traffic signals now existing within the Town to conform with the requirements contained in the Manual on Uniform Traffic Control Devices issued by the Bureau of Public Roads of the U.S. Department of Commerce; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 26, the Moderator declared it disposed of.

Article 27. (Appropriation to Pave Municipal Parking Area.)

VOTED: That the sum of eighteen thousand sixty dollars ($18,060) be and hereby is appropriated to pave the municipal parking area on Winslow Street, construct entrances, construct islands for gates, treadles and other appurtenances, and install gates, treadles and curbing, all for the purpose of charging fees for parking therein; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 27, the Moderator declared it disposed of.

Article 28. (Town Departmental Outlays and Expenses.)

MOVED AND SECONDED: That sums be appropriated to defray departmental obligations, outlays and expenses for the year 1963 to be raised by general tax except as otherwise specifically voted and expended, and that the disposal of motor vehicles and other personal property be authorized, all under the direction of the respective department heads as follows:

Article 35. (Reconstruction of Certain Streets.)

VOTED: That the sum of fifty six thousand two hundred dollars ($56,200) be and hereby is appropriated for the relocation, alteration and widening, construction of, specific repairs upon, and improvement of all or any parts of Grove Street, Chestnut Street, Summer Street and Mystic Street, within the Town as now existing or hereafter relocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 35, the Moderator declared it disposed of.

On motion of Eleanor M. Campobasso, town meeting member from Precinct 5, duly seconded, it was

VOTED: That Article 23 be taken from the table.

Article 23. (Amendment of Town By-Laws - Classification and Pay Plan.)

A substitute motion offered by Eleanor M. Campobasso, town meeting member from Precinct 5, duly seconded, was carried on a roll call vote, 97 having voted in the affirmative and 96 in the negative.

(See adjourned session of Town Meeting held March 20, 1963, for final action on Article 23.)

On motion of Daniel A. Purcell, town meeting member from Precinct 9, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:30 P.M. on Monday, March 18, 1963, until Wednesday, March 20, 1963, at 8:00 P.M.

A true record.
ATTEST:

Ann Mahon
Town Clerk

ADJOURNED ANNUAL TOWN MEETING - MARCH 20, 1963

Pursuant to the vote of adjournment of March 18, 1963, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 20, 1963, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrance to the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty-three (243) town meeting members and eight (8) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred fourteen (214) town meeting members and eight (8) town meeting members at large (88.4% of total - 251) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:08 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Don Keay, pianist, and Mr. Augustus Mazzocca, trumpeter, both of the School Department.

The invocation was given by Reverend William W. Lewis, Pastor of the First Parish Unitarian Church.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

On motion of Selectman Pellegrini, duly made and seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, March 25, 1963, at 8:00 o'clock.

The Moderator declared Article 23 to be now before the meeting.

Article 23. (Amendment of Town By-Laws - Classification and Pay Plan.)

A substitute motion offered by Eleanor M. Campobasso, town meeting member from Precinct 5, having been passed at the previous session of the town meeting, a roll call vote was taken on the motion as amended by the

substitute motion and it was declared lost, 105 having voted in the affirmative and 114 in the negative.

There being no further business under Article 23, the Moderator declared it disposed of.

A motion to adjourn offered by Robert W. Porteus, town meeting member from Precinct 9, duly seconded, was declared lost by the Moderator on a voice vote.

A motion that Article 86 be taken up next out of order offered by F. Leo Fitzpatrick, town meeting member from Precinct 12, duly seconded, was declared lost by the Moderator on a voice vote.

The Moderator declared Article 36 to be now before the meeting.

Article 36. (Reconstruction of Certain Streets.)

VOTED: (Unanimously) That the sum of fifty five thousand dollars ($55,000) be and hereby is appropriated for the reconstruction of any or all parts of the following streets or ways within the Town; Mill Street, Brooks Avenue, Varnum Street, Thorndike Street, Herbert Road, Park Ave. Extension, Hillside Avenue and Claremont Avenue; and to meet said appropriation the sum of fifty five thousand dollars ($55,000) be transferred from the proceeds received from the Commonwealth of Massachusetts under the provisions of Chapter 782 of the Acts of 1962.

There being no further business under Article 36, the Moderator declared it disposed of.

On the motion of G. Hartley Noble, Jr., town meeting member from Precinct 8, duly seconded, it was

VOTED: That Article 21 be taken from the table.

Article 21. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That no action be taken under Article 21 of the Warrant.

There being no further business under Article 21, the Moderator declared it disposed of.

On the motion of Robert Shaw, town meeting member from Precinct 6, duly seconded, it was

VOTED: That Article 22 be taken from the table.

Article 22. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That no action be taken under Article 22 of the Warrant.

There being no further business under Article 22, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Budget No. 8 of Article 28 be taken from the table.

8. Town Treasurer and Collector of Taxes

By consent of the meeting, the motion in the printed report of the Finance Committee was considered withdrawn, and on the new motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

There being no further business under Article 43, the Moderator declared it disposed of.

Article 44. (Laying Out of Pheasant Avenue.)

VOTED: (Unanimously) That the laying out of a town way from present end to Dickson Avenue, substantially in the location of the private way known as Pheasant Avenue, as more particularly described in Article 44 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 44, the Moderator declared it disposed of.

Article 45. (Laying Out of Acton Street.)

VOTED: (Unanimously) That the laying out of a town way from present end to Appleton Place, substantially in the location of the private way known as Acton Street, as more particularly described in Article 45 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 45, the Moderator declared it disposed of.

Article 46. (Laying Out of Railroad Avenue.)

After considerable discussion, the motion of the Finance Committee was declared lost on a standing vote, 100 having voted in the affirmative and 97 in the negative, lacking the required two-thirds vote.

There being no further business under Article 46, the Moderator declared it disposed of.

On motion duly made and seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:40 P.M. on Wednesday, March 20, 1963, until Monday, March 25, 1963, at 8:00 P.M.

A true record.
ATTEST:

Ann Mahon
Town Clerk

ADJOURNED ANNUAL TOWN MEETING - MARCH 25, 1963

Pursuant to the vote of adjournment of March 20, 1963, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening, March 25, 1963, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty-two (242) town meeting members and eight (8) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred nine (209) town meeting members and eight (8) town meeting members at large (86.8% of total - 250) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:07 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Miss Denise Corcoran, pianist and Mr. Augustus Mazzocca, trumpeter.

The invocation was given by Reverend Robert E. Slaughter, Pastor of the First Baptist Church.

On motion of Selectman Pellegrini, duly made and seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourns to Wednesday evening, March 27, 1963, at 8:00 o'clock.

Article 47. (Appropriation for Construction of Ways.)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the sum of one hundred thirty thousand three hundred dollars ($130,300) be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting under Articles 38 to 45 inclusive, including land damages and the cost of pavements and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of seventy seven thousand two hundred ninety five and 54/100 dollars ($77,295.54) be raised by general tax and forty thousand one hundred seventy two and 59/100 ($40,172.59) be taken from unexpended balances in the treasury as follows:

Article 71.	Annual Town Meeting - 1957 Committee Re: Parking Facilities	$ 100.00
Article 49.	Annual Town Meeting - 1959 Street Construction	146.30
Article 52.	Annual Town Meeting - 1960 Street Construction	506.01
Article 41.	Annual Town Meeting - 1961 Street Construction	4,742.22
Article 48.	Annual Town Meeting - 1962 Street Construction	14,698.33
Article 70.	Annual Town Meeting - 1958 Committee Re: Voting Machines	100.00
Article 29.	Annual Town Meeting - 1960 Service Roadway - Spy Pond Field	5,778.53
Article 63.	Annual Town Meeting - 1960 Street Construction	10,613.84
Article 42.	Annual Town Meeting - 1961 Easements in Land	800.00
Article 54.	Annual Town Meeting - 1961 Street Construction	1,661.58
Article 58.	Annual Town Meeting - 1961 Sanitary Sewer-Madison Avenue	484.78
Article 91.	Annual Town Meeting - 1962 Improvement of Spy Pond Field	541.00
and the balance to be taken from		
	Overlay Surplus - 1957	3,486.48
	Overlay Surplus - 1959	9,345.39

and further that the sum of one hundred thirty thousand three hundred dollars ($130,300) be expended under the direction of the Town Manager, substantially as follows:

Thesda Street	(Article 38)	$ 13,100.00
Dothan Street	(Article 39)	29,500.00
Hillside Avenue	(Article 40)	8,600.00
Day Street	(Article 41)	13,600.00

Pheasant Avenue	(Article 44)	30,500.00
Acton Street	(Article 45)	13,100.00
		$130,300.00

There being no further business under Article 47, the Moderator declared it disposed of.

Article 48. (Easements in Land.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town, to purchase or take by eminent domain or otherwise acquire, easements in land adjoining the location of ways, the laying out of which is accepted at this meeting under Articles 38 to 46 inclusive, consisting of the right to have the land of said location protected by having the surface of such adjoining land slope from the boundaries of said location; that for this purpose the sum of five hundred dollars ($500.00) be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 48, the Moderator declared it disposed of.

Article 49. (Laying Out of Baker Road.)

VOTED: (Unanimously) That the laying out of a town way from Stowecroft Road to its end, substantially in the location of the private way known as Baker Road, as more particularly described in Article 49 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 49, the Moderator declared it disposed of.

Article 50. (Laying Out of Stone Road.)

VOTED: (Unanimously) That the laying out of a town way from No. 32 to No. 55, substantially in the location of the private way known as Stone Road, as more particularly described in Article 50 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 50, the Moderator declared it disposed of.

Article 51. (Laying Out of Mountain Avenue.)

VOTED: (Unanimously) That the laying out of a town way from Overlook Road to Washington Street, substantially in the location of the private way known as Mountain Avenue, as more particularly described in Article 51 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 51, the Moderator declared it disposed of.

Article 52. (Laying Out of Wollaston Avenue.)

VOTED: (Unanimously) That the laying out of a town way from north of Nicod Street to Wilbur Avenue in the location of the private way known as Wollaston Avenue as more particularly described in Article 52 of the War-

rant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 52, the Moderator declared it disposed of.

Article 53. (Laying Out of Wilbur Avenue.)

VOTED: (Unanimously) That the laying out of a town way from Wollaston Avenue northwesterly, substantially in the location of the private way known as Wilbur Avenue, as more particularly described in Article 53 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 53, the Moderator declared it disposed of.

Article 54. (Laying Out of Hemlock Street.)

VOTED: (Unanimously) That the laying out of a town way from Dickson Avenue to Fabyan Street, substantially in the location of the private way known as Hemlock Street, as more particularly described in Article 54 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 54, the Moderator declared it disposed of.

Article 55. (Laying Out of Ridge Street.)

VOTED: (Unanimously) That the laying out of a town way from Morningside Drive to Stone Road substantially in the location of the private way known as Ridge Street, as more particularly described in Article 55 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 55, the Moderator declared it disposed of.

Article 56. (Laying Out of Greenwood Road.)

VOTED: (Unanimously) That the laying out of a town way from Ridge Street to Winchester Road, substantially in the location of the private way known as Greenwood Road, as more particularly described in Article 56 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 56, the Moderator declared it disposed of.

Article 57. (Laying Out of Winchester Road.)

VOTED: (Unanimously) That the laying out of a town way from Ridge Street to Greenwood Road, substantially in the location of the private way known as Winchester Road, as more particularly described in Article 57 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 57, the Moderator declared it disposed of.

Article 58. (Laying Out of Hancock Street.)

VOTED: (Unanimously) That the laying out of a town way from Forest Street to Hancock Street, substantially in the location of the private way known as Hancock Street, as more particularly described in Article 58 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 58, the Moderator declared it disposed of.

Article 59. (Construction of Ways.)

VOTED: (Unanimously) That the sum of seven thousand six hundred fifty dollars ($7,650) be and hereby is appropriated for the construction of public ways, the laying out of which is accepted at this meeting under Article 49 to 58 inclusive of the Warrant, all under the provisions of law authorizing the assessment of betterments; said sum to be raised by general tax and expended under the direction of the Town Manager, substantially as follows:

Baker Road	(Article 49)	$ 400.00
Stone Road	(Article 50)	1,300.00

Winchester Road	(Article 57)	4,700.00
Hancock Street	(Article 58)	100.00
		$ 7,650.00

There being no further business under Article 59, the Moderator declared it disposed of.

Article 60. (Sale of Building.)

VOTED: (Unanimously) That the Town Manager be and hereby is authorized to sell, convey or otherwise dispose of a steel storage building located in the Old Town Yard at #1083 Massachusetts Avenue.

There being no further business under Article 60, the Moderator declared it disposed of.

Article 61. (Construction of Storm Drain.)

VOTED: (Unanimously) That no action be taken under Article 61 of the Warrant.

There being no further business under Article 61, the Moderator declared it disposed of.

Article 62. (Naming a Playground.)

VOTED: (Unanimously) That the Town does hereby accept the naming of the newly developed section of the Summer Street playground, which includes only the Little League Baseball Field, as the George N. Buck Memorial Field.

There being no further business under Article 62, the Moderator declared it disposed of.

On motion of Edward A. Parker, town meeting member from Precinct 13, duly seconded, it was

VOTED: That Article 63 be laid on the table.

On motion of Edward A. Parker, town meeting member from Precinct 13, duly seconded, it was

VOTED: That Article 64 be laid on the table.

Article 65. (Appropriation for Parking Meters in Arlington Heights Business Area.)

After considerable discussion, the motion of the Finance Committee was declared lost on a standing vote, 84 having voted in the affirmative and 114 in the negative.

There being no further business under Article 65, the Moderator declared it disposed of.

Article 66. (Installation of Traffic Signals.)

VOTED: That the sum of ten thousand six hundred twenty dollars ($10,620.00) be and hereby is appropriated for the installation of pedestrian actuated traffic signals on Massachusetts Avenue at Lockeland Avenue and on Massachusetts Avenue at Churchill Avenue; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 66, the Moderator declared it disposed of.

On motion of Edward A. Parker, town meeting member from Precinct 13, duly seconded, it was

VOTED: That Article 63 be taken from the table.

Article 63. (Disposal of Arlington Center Railroad Station.)

A substitute motion offered by Philibert L. Pellegrini, Chairman of the Board of Selectmen, and duly seconded, was declared carried on a voice vote. Thereupon, on the motion of the Finance Committee as amended by the substitute motion, it was

VOTED: That the Town Manager be and hereby is authorized and empowered on behalf of the Town to sell, convey or otherwise dispose of the wooden building now located in the rear of Railroad Avenue, and formerly known as the Arlington Center Railroad Station, to Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc. for the sum of one dollar ($1.00), subject to the following terms and conditions:

1. Said sale shall be completed within two (2) years from the date when offered for sale by the Town Manager.

2. Said building shall be removed by the Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc., at its own expense, at the time of sale from its present location on Town owned land to some other location within the Town to be obtained by the said Arlington Post No. 1775, Veterans of Foreign Wars of the United States, Inc.

There being no further business under Article 63, the Moderator declared it disposed of.

On motion of Edward A. Parker, town meeting member from Precinct 13, duly seconded, it was

VOTED: That Article 64 be taken from the table.

Article 64. (Appropriation to Provide A Parking Area.)

VOTED: That the sum of seven thousand nine hundred dollars ($7,900) be and hereby is appropriated to excavate, grade, pave, paint stalls, provide lighting and install parking meters on property in the rear of Railroad Avenue, the site of the former Arlington Center Railroad Station, and do any and all other acts necessary on land owned by the Town of Arlington in the rear of Railroad Avenue to provide a public off-street parking area; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 64, the Moderator declared it disposed of.

Article 67. (Appropriation for Board of Directors of Youth Services.)

VOTED: (Standing Vote, 107 in the affirmative and 75 in the negative). That the sum of ten thousand dollars ($10,000) be and hereby is appropriated for the use of the committee known as the Board of Directors of Youth Services for the purposes of assisting in the prevention, treatment and control of problems relating to the children and youth of the Town, and of advising and assisting other agencies concerned with such matters; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 67, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Budget Item 33 of Article 28 be taken from the table.

Article 28. Budget Item 33. Division of Highways and Bridges (Town Manager)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED:

33.	Division of Highways and Bridges (Town Manager)		
	Maintenance of Highways and Bridges (to be expended substantially as follows:)		
	Labor	$249,500.00	
	Expenses	45,000.00	
			$294,500.00
	Removal of Snow and Ice		130,324.35
	Maintenance of Snow Removal Equipment and Supplies		28,192.94
	Transfer from Reserve Fund		
		TOTAL	$453,017.29

Voted:	To be raised by General Tax	$448,945.32
	To be taken from the Parking Meter Fund a/c removal of Snow and Ice from Parking Areas	4,071.97

There being no further business under Article 28, the Moderator declared it disposed of.

Article 68. AMENDMENT OF ZONING BY-LAW (Section 4, Paragraph 5)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell for the Planning Board, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by striking out Paragraph 5 of Section 4 and inserting in place thereof the following:

5. Any person or persons desiring to obtain the permission of the Zoning Board of Appeals for any purpose for which such permission is required under the provisions of this by-law shall make application in writing therefor to the Zoning Board of Appeals which shall, within a reasonable time, hold a public hearing hereon. Notice of such hearing and of the subject matter, sufficient for identification, shall be given by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication to be not less than fourteen days before the day of the hearing.

There being no further business under Article 68, the Moderator declared it disposed of.

Article 69. AMENDMENT OF ZONING BY-LAW (Section 5, Paragraph 2)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell for the Planning Board, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by striking out Paragraph 2 of Section 5 and inserting in place thereof the following:

2. The Planning Board, upon the request in writing of not less than ten registered voters of the Town, shall or upon its own initiative may, hold a public hearing for the consideration of any proposed amendment, modification or repeal of this by-law, provided that where a petition is filed such petition shall show that copies of the petition have been sent by registered mail to all abutters of the land referred to in the petition. The Planning Board shall report to the Town Meeting its recommendations with respect to the action to be taken thereon. Notice of such hearing and of the subject matter, sufficient for identification, shall be given by publication in a newspaper of general circulation in the Town once in each of two successive weeks, the first publication being not less than fourteen days before the day of such hearing.

There being no further business under Article 69, the Moderator declared it disposed of.

Article 70. ZONING (Area in vicinity of Summer Street, Thorn Road, Forest Street and Bow Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell for the Planning Board, duly made and seconded, it was

VOTED: (Standing Vote, 159 in the affirmative and 2 in the negative.) That the Town amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence B District the area now included in the Residence A District and bounded and described as follows:

Beginning at a point on the southwesterly side line of Summer Street, said point being a distance of 42.38 feet from a stone bound at the intersection of the southwesterly side line of Summer Street, and the southeasterly side line of Thorn Road, thence southeasterly and southerly on a curve to the right with a radius of 740.36 feet a distance of 226.30 feet to a point of tangency on said southwesterly side line of Summer Street thence continuing along said southwesterly side line of Summer Street S11° - 36'-42" E a distance of 23.33 feet to a point of curve on said southwesterly side line of Summer Street, thence southerly and southwesterly on a curve to the right with a radius of 213.38 feet a distance of 195.83 feet to a point of tangency on the northwesterly side line of Forest Street, thence S 40° - 45'-27" W along the said northwesterly side line of Forest Street, a distance of 129.50 feet to the point of intersection of the said northwesterly side line of Forest Street and the northerly side line of Bow Street, thence continuing S62° - 36'-21" W along the said northerly side line of Bow Street, a distance of 167.47 feet to a point on said northerly side line of Bow Street, thence turning and running N 50° - 19'-09" W a distance of 181.12 feet to an angle point, thence running N 50° - 33'-35" W a distance of 80.31 feet to a point on the northeasterly property line of Lot 18, thence turning and running N 45° - 55'-51" E a distance of 94.70 feet to an angle point, thence running N 43° - 18'-21" E a distance of 187.82 feet to an angle point, thence running N 42° - 31'-21" E a distance of 134.41 feet to an angle point, thence running N 41° - 28'-21" E a distance of 165.95 feet to the point of beginning and containing 3.48 acres

all as shown on a plan entitled "Plan of Land in Arlington, Mass. Owned by Charles A. Peirce, Scale 1" = 40', Jan. 3, 1918. Geo. E. Ahern, Town Engineer, Prepared for Commission of School House Sites, on file in the office of the Town Engineer, Arlington, Mass.", said parcel is also shown on plan entitled "Plan of Land in Arlington, Massachusetts, owned by Charles A. Peirce, dated January 3, 1918, by George E. Ahern, Town Engineer, recorded in Middlesex So. Dist. Deeds, Plan Book 263, Plan 48."

There being no further business under Article 70, the Moderator declared it disposed of.

Article 71. ZONING (Area in vicinity of Forest Street, land of Town of Arlington and land of Boston & Maine Railroad.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell for the Planning Board, duly made and seconded, it was

VOTED:

That no action be taken under Article 71 of the Warrant.

There being no further business under Article 71, the Moderator declared it disposed of.

Article 72. ZONING (Area in vicinity of North Union Street, Thompson School and Everett Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Miss Campbell presented the motion for the Planning Board, which was seconded, following which a substitute motion offered by Paul M. Cochran, town meeting member from Precinct 14, duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the motion of Miss Campbell for the Planning Board, it was

VOTED: That no action be taken under Article 72 of the Warrant.

There being no further business under Article 72, the Moderator declared it disposed of.

Article 73. ZONING (Area in vicinity of Norcross Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Miss Campbell presented the motion for the Planning Board, which was seconded, following which a substitute motion offered by Edward G. Murray, town meeting member from Precinct 14, duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the motion of Miss Campbell for the Planning Board, it was

VOTED: That no action be taken under Article 73 of the Warrant.

There being no further business under Article 73, the Moderator declared it disposed of.

Article 74. (Petition to The General Court.)

A substitute motion offered by Harry A. Earle, town meeting member from Precinct 1, duly seconded, was declared carried by the Moderator on a standing vote, 94 having voted in the affirmative and 78 in the negative. However, the motion of the Finance Committee as amended by the substitute motion was declared lost by the Moderator on a roll call vote, 109 in the affirmative and 75 in the negative, lacking the two-thirds vote required.

There being no further business under Article 74, the Moderator declared it disposed of.

On motion of Edward G. Murray, town meeting member from Precinct 14, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:25 P.M. on Monday, March 25, 1963, until Wednesday, March 27, 1963, at 8:00 P.M.

A true record.
ATTEST:

Ann Mahon
Town Clerk

ADJOURNED ANNUAL MEETING - MARCH 27, 1963

Pursuant to the vote of adjournment of March 25, 1963, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 27, 1963, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Mary A. Farrington and Charlotte E. Emerson. The lists contained the names of two hundred forty-two (242) elected town meeting members and eight (8) town meeting members at large qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that one hundred ninety-two (192) elected town meeting members and eight (8) town meeting members at large (80% of total - 250) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:05 o'clock P.M.

The meeting was opened with the singing of the "Star Spangled Banner" by the assembly, accompanied by Mr. Don Keay, pianist, and Mr. Augustus Mazzocca, trumpeter.

The invocation was given by Rabbi Herbert Rosenblum of Temple Emunah, Lexington.

A town meeting member who had not previously been sworn was thereupon sworn by the Moderator.

On motion of Selectman Pellegrini, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourn to Monday evening, April 1, 1963 at 8:00 o'clock.

The Moderator declared Article 75 to be now before the meeting.

Article 75. ZONING (Area owned by Town for Park purposes and located on Summer Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell for the Planning Board, duly made and seconded, it was

VOTED: (Unanimously) That no action be taken under Article 75 of the Warrant.

There being no further business under Article 75, the Moderator declared it disposed of.

Article 76. ZONING (Area in vicinity of Water Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell for the Planning Board, duly made and seconded, it was

VOTED: (Unanimously) That no action be taken under Article 76 of the Warrant.

There being no further business under Article 76, the Moderator declared it disposed of.

Article 77. ZONING (Area in vicinity of Spy Pond, land of Town of Arlington and land of Boston & Maine Railroad.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

The motion of Miss Campbell for the Planning Board, duly seconded, was declared lost by the Moderator on a roll call vote, 93 having voted in the affirmative and 96 in the negative.

There being no further business under Article 77, the Moderator declared it disposed of.

Article 78. (Purchase of Land for a Park.)

VOTED: That no action be taken under Article 78 of the Warrant.

There being no further business under Article 78, the Moderator declared it disposed of.

Article 79. (Transfer of Cemetery Funds.)

VOTED: (Unanimously) That the sum of eight thousand dollars ($8,000) be and hereby is transferred from Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of Town Cemeteries.

There being no further business under Article 79, the Moderator declared it disposed of.

On motion of Joseph S. Daly, town meeting member from Precinct 11, duly seconded, it was

VOTED: That Article 80 be laid on the table.

Article 81. (Appointment of a Committee.)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the Moderator be and hereby is authorized and directed to appoint a committee of five members, comprised of the Chief of Police, the Inspector of Wires, the Town Engineer and two registered voters of the Town who are experienced in electrical communications, to investigate, consider and make recommendations relative to the replacement of the Police Operations Desk in the Police Station; said committee to report not later than the 1964 Annual Town Meeting; and that for the use of said committee the sum of one hundred dollars ($100) be and hereby is appropriated; said sum to be raised by general tax.

There being no further business under Article 81, the Moderator declared it disposed of.

Article 82. (Appropriation for New Fire Alarm Signalling Equipment.)

VOTED: (Unanimously) That the sum of nine thousand five hundred dollars ($9,500.00) be and hereby is appropriated for the purchase of new fire alarm signalling equipment at the Fire Department Headquarters and for the relocation of the Watchroom and Mutual Aid Signals from the first floor to the second floor of said building; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 82, the Moderator declared it disposed of.

Article 83. (Improvement of Robbins Farm Playground.)

VOTED: (Unanimously) That the sum of ten thousand five hundred thirty two dollars ($10,532.00) be and hereby is appropriated for the development and improvement of the Robbins Farm Playground, including the construction of three tennis courts and installation of a storm drain; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 83, the Moderator declared it disposed of.

Article 84. (Purchase of Land for Of-Street Parking Area.)

A substitute motion offered by John P. Kedian, town meeting member from Precinct 12, duly seconded, was declared lost by the Moderator on a

voice vote. Thereupon, on the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 84 of the Warrant.

There being no further business under Article 84, the Moderator declared it disposed of.

Article 85. (Appropriation to Provide an Off-Street Parking Area.)

VOTED: That no action be taken under Article 85 of the Warrant.

There being no further business under Article 85, the Moderator declared it disposed of.

Article 86. (Addition to the High School.)

A substitute motion offered by James W. Daily, Chairman of the School Committee, duly seconded, was declared lost by the Moderator on a standing vote, 55 having voted in the affirmative and 117 in the negative. Thereupon, on the original motion of the Finance Committee, it was

VOTED: (Standing Vote, 117 in the affirmative and 56 in the negative) (1) That the sum of one million two hundred eight thousand eight hundred dollars ($1,208,800.00) be and hereby is appropriated for the purpose of constructing and originally equipping and furnishing an addition to the present high school building and that to meet said appropriation, the sum of two hundred eight thousand eight hundred dollars ($208,800.00) be and hereby is transferred from the Stabilization Fund and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow one million dollars ($1,000,000.00) under the provisions of Chapter 645 of the Acts of 1948 as amended and to issue bonds and notes of the town therefor payable in not more than twenty years; provided, however, that, if and to the extent that, prior to the sale of all of said bonds and notes, the Town shall have received from the Commonwealth of Massachusetts, under the provisions of Section 9 of said Chapter 645 as amended, the amount of any accelerated construction grant, said amount shall be used for the aforesaid purposes in lieu of the proceeds of bonds and notes and the amount of said bonds and notes herein before authorized so far as unissued and unsold shall, to that extent, be reduced accordingly.

(2) That the sum of forty thousand five hundred dollars ($40,500.00) be and hereby is appropriated for the purpose of remodeling and reconstructing the present high school buiiing, including equipment related to said remodeling and reconstructing, said sum to be raised by general tax.

Said appropriations shall be expended under the direction of the High School Additions and Reconstruction Committee appointed under Article 86 of the Warrant for the Annual Town Meeting of 1956; said committee to have full authority to do all things necessary to carry out the provisions of this vote.

There being no further business under Article 86, the Moderator declared it disposed of.

Article 87. (Appropriation for Boiler System at Locke School.)

VOTED: That the sum of five thousand dollars ($5,000) be and hereby is appropriated for the purpose of installation of new boilers, incinerators and an automatic temperature control system at the Locke School; said sum to be added to the amount appropriated under Article 98 of the Warrant for the 1962 Annual Town Meeting; and further that said sum be raised by

general tax and expended under the direction of the Town Manager.

There being no further business under Article 87, the Moderator declared it disposed of.

Article 88. (Conversion of Boilers at Junior High School West.)

VOTED: That no action be taken under Article 88 of the Warrant.

There being no further business under Article 88, the Moderator declared it disposed of.

Article 89. (Advertising Town By-Laws.)

VOTED: (Unanimously) That the sum of five hundred dollars ($500.00) be and hereby is appropriated for the purpose of defraying the expense of advertising and other costs relating to the By-Laws voted at this meeting; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 89, the Moderator declared it disposed of.

Article 90. (Ornamental Lighting - Christmas Holiday Season.)

VOTED: That the sum of three thousand dollars ($3,000.00) be and hereby is appropriated for the purpose of providing ornamental and additional light to the Town during the Christmas Holiday Season; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 90, the Moderator declared it disposed of.

Article 91. (Headquarters for Lt. Stanley G. Benner Detachment Marine Corps League of Arlington.)

VOTED: That in accordance with Chapter 40 Section 9 of the General Laws of Massachusetts, as amended by Chapter 409 of the Acts of 1946, the sum of one thousand two hundred dollars ($1,200.00) be and hereby is appropriated for the purpose of providing headquarters for the "Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington"; and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 91, the Moderator declared it disposed of.

Article 92. (Addition to the Stabilization Fund.)

VOTED: That no action be taken under Article 92 of the Warrant.

There being no further business under Article 92, the Moderator declared it disposed of.

Article 93. (Appropriation of Available Funds.)

VOTED: That the sum of five hundred fifty thousand dollars ($550,000) voted for appropriations heretofore made under the Warrant for this meeting, and not to be borrowed or to be taken from available funds or from balances of special appropriations made in other years, shall be taken from any available funds in the Treasury; and that the Assessors be instructed to

use free cash in the Treasury in any available funds to that amount in the determination of the 1963 tax rate.

There being no further business under Article 93, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be taken from the table. (Reports of Town Boards, Finance and other Committees)

Mr. Anthony J. DiNatale submitted the report of the Board of Directors of Youth Services.

There being no further business under Article 3, the Moderator declared it disposed of.

The Moderator declared Article 80 to be now before the meeting.

Article 80. (Improvement of Playground.)

A substitute motion offered by Joseph S. Daly, town meeting member from Precinct 11, duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 80 of the Warrant.

There being no further business under Article 80, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:35 P.M. on Wednesday, March 27, 1963.

A true record.

This Department has turned into the Town Treasurer the sum of Four Hundred Thirty-Two Dollars and Thirty-Five Cents, which was collected as sealing fees.

Respectfully submitted,

James J. Dolan
Sealer of Weights & Measures

ANNUAL REPORT of the BOARD OF ASSESSORS for 1963

During the year, the Board of Assessors met every Monday evening, plus special meetings called by the Chairman, especially during July and August, when intermittent sessions were held.

At the organizational meeting on the Monday following the Annual Town Election, the members, including Mr. Walter S. Cooledge, Jr., Mr. John B. Byrne, Jr., and Mr. William O. Hauser, met and unanimously elected Mr. Hauser as chairman and Mr. Byrne as clerk for one year.

Hearings were held with residents of the Town on the subjects of property valuations, personal and motor excise taxes, relief to the aged, infirm, widows, hardship cases, veterans' exemptions and the like.

During the year, members of the Board attended all conferences conducted by the State Department of Corporations and Taxations, and also the Assessors' Seminar at the University of Massachusetts.

Members of the Board made weekly trips "into the field" during the year to assess new property constructed within the town, as well as additions and alterations to existing buildings.

During the month of January, members of the Board made individual inspections throughout the town and assessed personal property in the amount of $5,399,400.00.

The number of tax bills processed by the office this year was in excess of 51,000 in the following categories:

Motor Excise	24,575
Real Estate	12,580
Polls	13,500
Personal Property	593
	51,248

The following permits were received from the Building Department during the year:

Residential Buildings	77	Signs	33
Apartments	9	Swimming Pools	4
Additions & Alterations	109	Restaurant	1
Garages	18	Demolish Buildings	27
Aluminum Siding	33	Miscellaneous	70

The following is a comparison of exemptions granted on Real Estate, as authorized by law:

	1963	1962
Veterans (disability, etc.)	$158,288.71	$158,059.63
Widows	21,941.01	22,462.15
Old Age	9,940.50	9,647.50
Blind	5,076.00	4,590.00
Hardship	5,095.55	2,598.77
Minors	338.40	340.00
	$200,680.17	$197,698.05

The total amount of statutory exemptions granted in 1963 represents approximately $2.20 on the Tax Rate.

New property was found and total valuation increased as follows:

January 1, 1959	$1,347,500
January 1, 1960	1,974,500
January 1, 1961	1,686,400
January 1, 1962	1,428,200
January 1, 1963	1,984,800
January 1, 1964	1,700,000 (estimate)

The Assessors wish to point out that the source of new value has changed considerably in the past few years. In the past, new residential construction was the major source; however, apartment house construction now provides the greatest source of new value, as can be seen from current estimates. Out of the $1,700,000 estimated for 1964, over $1,000,000 or 65% is due to apartment houses.

With the almost complete development of residential land, it would appear that the apartment houses will continue to provide the major source of new value to the town.

Due to the takings by the state for the reconstruction of Route 2, the town lost $135,200 in assessed value, which is reflected in the estimate for 1964.

The tax rate figures, statistics and percentages of appropriations by departments follows:

William O. Hauser - Chairman

Walter S. Cooledge, Jr.

John B. Byrne, Jr. - Clerk

Recapitulation of Figures Used in Determining the Tax Rate of 1963 ($84.60)

DEBITS		
Appropriations (including all appropriations voted since 1962 tax rate was fixed)	$9,698,506.01

Report of the Finance Committee for 1963

During 1963 the following changes occurred in Finance Committee, William H. Farrow retired from office of Executive Secretary.

Precinct
- 5 Philip D. Ahern resigned to accept office of Exec. Secretary.
- 8 T. Richard Guinan resigned as member, and Vice Chairman.
- 12 Charles W. Blackmon resigned as member.
- 14 Kermit C. Streng resigned as member, and Chairman.

Appointed to replace above were;

Precinct		
5	Joseph L. Sliney	93 Warren St.
8	Richard J. Bartholomew	94 Spring St.
12	Norris H. Hoyt	56 Florence Ave.
14	Charles N. Brennecke	62 Wollaston Ave.

As now composed the Finance Committee is as follows;

Precinct		
1	Edwin A. Barnard	61 Cleveland St.
2	William H. Dunn	10 Varnum St.
3	Ronald E. Higby	31 Tufts St.
4	George J. Remmert	5 Homestead Rd.
5	Joseph L. Sliney	93 Warren St.
6	George K. Rugg	16 Spring St.
7	Eugene F. Lawler, Jr.	47 Alton St.
8	Richard J. Bartholomew	94 Spring St.
9	John R. Cotter	65 Columbia Rd.
10	Robert G. Sisson	39 Highland Ave.
11	Gilbert F. Dillon	316 Washington St.
12	Norris H. Hoyt	56 Florence Ave.
13	Percival E. Richardson	137 Newland Rd.
14	Charles N. Brennecke	62 Wollaston Ave.

Member at Large

	J. Howard Hayes	115 Claremont Ave.

The Finance Committee organized by electing the following officers;

Chairman George J. Remmert Vice Chairman George K. Rugg
Secretary Percival E. Richardson

Executive Secretary Philip D. Ahern

The Chairman appointed the following sub committees.

Sub Committee A: Percival E. Richardson, Chairman
Edwin A. Barnard
Richard J. Bartholomew with budgets 1, 2, 3, 4, 7, 10, 11, 14, 16, 18, 19, 20, 21, 22, 23, 35, 42, 43, 44, 45, 46, 47.

Sub Committee B: Robert G. Sisson, Chairman
George K. Rugg
Charles N. Brennecke with budgets 6, 8, 9, 13, 15, 24, 25, 26, 27, 28, 29, 30, 34, 39, 40, 41, 50, 51.

Sub Committee C: Gilbert F. Dillon, Chairman
William H. Dunn
J. Howard Hayes
Joseph L. Sliney with budgets 12, 31, 32, 33, 33A, 49.
Ext Water Mains
Ext Sewer Mains
Ext Storm Drains

Sub Committee D: John R. Cotter, Chairman
Ronald E. Higby
Eugene F. Lawler, Jr.
Norris H. Hoyt with budgets 5, 17, 36, 37, 38, 48.

Policy Committee: George K. Rugg, Chairman
Percival E. Richardson
Robert G. Sisson
Gilbert F. Dillon
John R. Cotter

Personnel Committee: J. Howard Hayes, Chairman
Edwin A. Barnard
Charles N. Brennecke

The Chairman of the Finance Committee is a member (ex-officio) of all committees.

There were 22 meetings of the Finance Committee in 1963 and 51 meetings of its sub committees, also the usual meetings of committee members with the Town Meeting Members of their respective precincts were held before Town Meeting to explain budgets and Warrant Articles on Thursday preceding Town Meeting.

Status of Reserve Fund, Budget 47, at end of 1963 follows;

Total of Budget 47	$85,000.00

Transferred by vote of Committee

Sept. 9, 1963 to Budget 33A, Snow equipment	$ 9,600.00
Nov. 30, 1963 to Budget 29, Board of Health Dental Clinic	1,567.00
Nov. 30, 1963 to Budget 46, Workmen's Compensation	8,000.00
Nov. 11, 1963 to Budget 36, Welfare, Aid & Assistance	3,000.00
Nov. 11, 1963 to Budget 8, Treasurer	774.90
Nov. 11, 1963 to Article 66 t.m. of 1963 Traffic Lights	400.00
Dec. 16, 1963 to Article 6 due to insufficient funds voted	2,000.00
Dec. 16, 1963 to Budget 42, Non-Contributory Pensions	24,293.53
Dec. 16, 1963 to Budget 23, Board of Appeals	75.00
Dec. 31, 1963 to Budget 33, Removal Snow & Ice	33,229.22
Dec. 31, 1963 to Budget 36, Welfare Aid & Assistance	265.64
Total disbursed	$83,205.29

$85,000.00 less $83,205.29 Balance returned to Treasurer $1,794.71.

Respectfully submitted,

Percival E. Richardson
Secretary

Report of the Tree Warden and Superintendent of the Moth and Town House Grounds Department

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Tree Warden and Superintendent of the Moth and Town House Grounds Departments for the year ending December 31, 1963.

TREE DEPARTMENT

In the Spring of the year four hundred and seventy (470) trees were planted. They included two hundred and fifty three (253) on new streets constructed by the Public Works Department and private contractors, forty-six (46) on Massachusetts Avenue, thirteen (13) on Broadway and one hundred and fifty eight (158) requests by private individuals.

Forty-nine (49) trees were ordered out by the Board of Selectmen for the construction of streets and sidewalks at the following locations: Spring Street (40), Day Street (2), Thesda Street (1), Mill Street (3), Dotham Street (1), Lake Street (1) and Gray Street at Coolidge Road (1). Trees were also removed for storm drain construction on Day Street, Thesda Street, Dotham Street and Lorne Road.

Public hearings were held for the removal of Town trees at #48 Mount Vernon Street, #112 Broadway, #85 Sunset Road, #66 Palmer Street, #5 Wachusett Avenue, #95 Grafton Street and #218 Crosby Street. As there were no objections, the trees were removed at the expense of the petitioners.

Trees were pruned and removed by this Department for the Park, Cemetery, School and Public Works Department, at the request of the respective department heads.

Roots of trees were trimmed or removed in various sections of the Town for sidewalk construction and curb installation, at the request of the Public Works Department.

The Boston Edison and New England Telephone and Telegraph Companies removed the tops of twenty-six (26) dead or dangerous trees that had their utility wires running through them. This Department then removed the rest of the tree below ground with our stump cutter. Thirty-nine (39) dead trees over 24" in diameter were topped by the personnel of this Department and they were all removed below ground level. There were also many small trees taken out throughout the Town for various reasons.

Many requests are still received at the office during the year for trimming trees that are close to houses and overhanging roofs, also; raising up and trimming trees to alleviate obstruction from high delivery trucks and buses traveling along our highways was continued. Thirty-eight (38) streets were raised up and pruned in their entirety.

Trees were trimmed for better vision of street lights, at the request of the Wire Inspector.

Three huge dead Elm trees were removed from Town property at the Great Meadows.

Three Flowering Crab trees were planted on the Library lawn, at the request of the Library Trustees.

Christmas trees in all sections of the Town were disposed of by Brush Chippers, thereby saving a considerable amount of money in truck hire.

The personnel of the Department assisted the Public Works Department in the removal of snow, and plowing streets when requested, also; assisted the Park Department clearing skating areas.

Complete maintenance of the Reservoir dump has been taken over by this Department.

The Boston Edison Company was granted permission to do spot line clearing on various streets in the Town when requested.

Due to the drought of the past summer, trees that were planted in the Spring had to be watered on two different occasions.

MOTH DEPARTMENT

Due to recommendations of the Massachusetts State College, dormant spraying of Elm trees was eliminated this year. Control of the Dutch Elm disease was limited to sanitation work only. Dutch Elm samples were taken from eighteen (18) Elm trees, of these, twelve (12) had the disease, three (3) had wood decay and three (3) were sterile. There is no known cure for the disease outside of removing the trees and burning them up or burying them.

The heavily populated tree area of the Town was again sprayed by Helicopter this year with Sevin, at the rate of 1/2 pound per acre. To my mind, as well as in the minds of the vast majority of people, it was very successful. There were seven property owners that did not want the benefits of this program. Due to the perfect timing of the aerial spray, very few complaints of insects were received at the office.

A large number of Maple trees were removed this year that were afflicted with Verticilluim Wilt. This disease is very contagious, so much so, that tools have to be disinfected after working on a diseased tree. Another disease has been causing Rock Maples to die, and it is called Maple Die Back. It is not known yet what the cause of it is.

We sprayed for Poison Ivy at twenty (20) different locations.

Due to the drought we had some isolated cases of Leaf Hopper. When they were called to our attention, they were sprayed with Sevin with the hydraulic sprayer.

Japanese Beetles were less prevelant this year and I believe that if the home owner continues with their own control measures this pest will soon be eradicated.

Bees' Nests and Hornets' Nests were either sprayed or cut down from trees when they were called to our attention.

Our hydraulic pump was loaned to the Public Works Department to spray disinfectant at the Sanitary Fill Area on Summer Street.

TOWN HOUSE GROUNDS DEPARTMENT

As has been the custom in past years, the personnel of the Tree and Moth Departments maintain the grounds bordering the Town Hall and Robbins House. The men also take care of the lawn and hedges at the Police Station and the islands on new Mystic Street.

The Town lot adjacent to the Arlington National Bank was landscaped, loamed, fertilized and seeded this year. The Park Department also planted two flower beds in the area.

The pool located on the Town Hall Grounds was painted as usual this year with Turquoise Blue Silasheen paint.

The flagpole on the grounds was painted and a new halyard installed.

The Patriot's Day celebration again attracted large crowds of adults and children which necessitated the men of the Department to rope off the entrance to the Town Hall and police the grounds.

A broken storm drain on the grounds had to be dug up and rebuilt. This work was done by the Public Works Department.

A watchman was employed during the summer months to patrol the grounds every evening as well as all day Saturdays, Sundays and Holidays. He also checked the Robbins Library doors and windows on weekends.

The regular maintenance of the grounds was attended to as usual. The lawns were all top dressed, seeded and fertilized.

Due to the severe winter, many of the Dogwood trees had sparse foliage this year and some of the branches died. They were pruned and fertilized and I hope they will make a come back.

Snow removal from the front platform of the Town Hall, the walks through the grounds and the parking areas in the rear of the building and adjacent to the Robbins House was taken care of as usual. These areas were also salted and sanded when needed.

In conclusion, I wish to gratefully acknowledge the co-operation given me by you and your staff, the personnel of this Department and all other Departments of the Town.

Respectfully submitted,

George M. Dolan
Tree Warden and Superintendent
of Moth and Town House Grounds
Departments

Annual Report of the Park Commission

January 1, 1964

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

The Board of Park Commissioners herewith submits its Annual Report for the year ending December 31, 1963.

J. Fred McGann was reappointed Park Commissioner for a three year term which will expire December 22, 1960. The Board held its organization meeting on January 7, 1963 and elected John W. Walsh, 3d, chairman.

MAINTENANCE

Cemetery Street:

Repaired and painted baseball backstop.
Painted benches and play apparatus.
Installed three saddle mates: a horse, donkey and duck.

Bishop School:

Painted play apparatus.

Florence Avenue:

Painted play apparatus.
Repaired and painted baseball backstop.

Crosby School:

Installed three saddle mates: a horse, donkey and duck.

Menotomy Rocks Park:

Repaired wall around Hills Pond.
Repaired gate valve controlling the height of water in pond.
Painted play apparatus.
Installed three saddle mates: a hippo, horse and donkey.

Crosby School:

Painted play apparatus.
Installed three saddle mates: a hippo, horse and donkey.

Ethel Wellington:

Painted play apparatus.
Installed three saddle mates: a hippo, horse and donkey.

Pheasant Avenue:

Repaired and replaced handrails on large slide and small slide twice.
Painted play apparatus.
Installed three saddle mates: a hippo, horse and donkey.

Parallel Street:

Replaced one saddle mate.
Painted play apparatus.

North Union:

Repaired roof drain.
Repaired and replaced four door locks.
Painted benches.

Reservoir Field:

Erected 140 feet of portable stands for softball and Little League games.
Replaced 120 floodlight bulbs broken by vandals.
Replaced 10 locks on locker building.

Reservoir Beach:

Replaced four new locks on bathhouse doors broken by vandals.
Graded beach with 800 tons of beach sand.
Added 100 lbs of H.T.H. to water daily to prevent pollution.
Average attendance 500.
Beach registration 4,900. 25¢ charged for identification tags and registrations handled at Park Department office.

Warren A. Peirce Field:

Regraded and reseeded gridiron.
Regraded and top surfaced running track.
With the building of an addition to the present high school, it was necessary to expand into the practice football field and basketball courts. The courts were moved by the Public Works Department to a position southeasterly from present location. All expenses were borne by the School Department.
Repainted the Safway Grandstand with gray paint and sectioned off stands used by bands in red paint.

Robbins Farm:

Installed three asphalt tennis courts. Provisions were made so that area could be flooded and used for ice skating.
Chain link fence was erected around tennis courts. Capital Outlay expenditure of $8,566.90.

Summer Street:

Erected 18' x 30' chain link baseball backstop.
Cut out Little League diamond.
563 feet of 4 foot chain link fence was erected by Armour Fence Company of Wakefield.
Erected a 30 foot flag pole in center field presented by Post 1775, Arlington Veterans of Foreign Wars, in memory of George Buck for his many services to Little League. Field also named in his memory. Capital Outlay expenditure of $1,748.

Spy Pond Field:

Erected two 10' x 12' baseball backstops on the oval for small children. Capital Outlay expenditure of $550.
Removed existing fence around tennis courts and erected a 9' chain link fence. Capital Outlay expenditure of $3,084.
Four tennis courts were resurfaced with clay by the Public Works Department. Capital Outlay expenditure of $3,200.

GENERAL MAINTENANCE

Play apparatus was inspected weekly and repairs made when necessary. 100 regular swing seats and 100 chair swing seats were painted and replaced during the winter months. The department maintains the Warren A. Peirce Stadium for Pop Warner, Arlington High School and Arlington Catholic High School football games. Gridiron was marked for every game and policed afterwards. All baseball and softball fields were watered, rolled and marked daily through the summer months for Town softball teams, American Legion, AYA, Little League, Cub Scouts, Hoboes and CYO girls' and boys' softball and baseball teams. Field hocky teams had goals erected and field marked weekly for practice and play at Warren A. Peirce Stadium, Linwood Field and Junior High West.

RECREATION

A six weeks recreation program for retarded children was organized last summer at the Brackett School. This department employed three instructors for this program who had been approved by the State Department of Education. Thirty youngsters registered and average daily attendance was eighteen. The children were transported by bus to and from school through the courtesy of the School Department. A flexible program was arranged in which a variety of activities were offered. Arts and crafts, story telling, sports, movies, cookouts and watermelon parties were arranged for these children. Special events which proved most popular were weekly visits to the Arlington Recreation Alleys for bowling and the Wednesday bus trips to Nahant, Franklin Park, and Hood's Model Farm in Beverly. $2,099 was spent on this program with the Town being reimbursed 50%, or $1,049.50, by the State.

Flag football in its second year again proved very popular. This program, sponsored jointly with the School Department, provided sports activity for more than 150 fifth and sixth grade boys from the various elementary schools throughout the town. Following a pre-season practice period the six team league engaged in a five game round robin schedule. Ideal weather prevailed and the boys enjoyed a banner season. Enthusiastic, capable coaching and officiating was noted throughout the entire league. New numbered jersies and special flag football equipment improved the caliber of play. Fields were marked off for practice and games. Unfortunately, the ability to secure a large number of competent instructors limited the number of boys we were able to accommodate in this after school program. We hope to be more successful in succeeding years so that more boys can participate in this program.

Grammer school basketball, sponsored jointly with the School Department, was added to our recreation program last year. This program for fifth and sixth grade boys was held on Saturday mornings in the Junior High East, Junior High West, and high school gymnasiums. Ten teams were formed and a nine game round robin schedule was set up. Program started in December continuing through March. 100 boys registered.

An adult basketball league program was conducted at the Junior High West on Wednesday evenings for a period of ten weeks from January through March. Four games were played each evening. The league played one round and the first four teams played an elimination series to determine the Town champion. This program provided exercise for young men between the ages of 18 and 25, and was open to private groups or social organizations.

The high school basketball league consisted of eight teams. Boys that did not play on any high school team were eligible. Four games were scheduled every Tuesday and Friday evening from January through March.

They played two rounds and the first four teams played an elimination series to determine the Town champion. Winners were presented small awards by the Chairman of the Board of Park Commissioners.

Adult badminton classes were held every Tuesday evening from November through March in the new gymnasium at the high school. Competent instruction was available for those who wished to improve their game.

A golf clinic was held for the 14th year under John Thoren, the popular golf pro at Myopia Country Club. The course consisted of six lessons held on Tuesday and Wednesday evenings at the Junior High East gymnasium. There were three one-hour classes held each evening with 135 persons registering.

Fourteen teams competed for the 14th year in the Town Bowling League. There were two leagues: one league of eight teams bowled on Tuesday nights; with a six team league bowling on Thursday nights. The season started in September and finished the following April. A banquet was held at American Legion Hall where awards amounting to $1,000 were presented to individuals and teams at no expense to the town.

The Golden Age Club continued to grow in its membership. Attendance at bi-weekly meetings increased to 135 persons. Meetings were held the 1st and 3rd Thursdays in Fellowship Hall, Pleasant Street Congregational Church from September through June. There were no dues or charges for membership. The following trips were planned for the enjoyment of the Golden Agers: a bus trip to the Weirs in New Hampshire with a boat ride around Lake Winnipesaukee; a foliage trip over the Mohawk Trail to Wachusett Reservoir with dinner at the Old Mill in Westminster; a trip to South Carver to see beautiful display of Christmas lights, to take a ride on the Edaville Narrow Gauge Railroad through the cranberry bogs, and a visit to the Train and Gun Museum. They were guests of the Boston Red Sox at several games, viewed the Cinerama, Ice Capades, and the Flower Show, enjoyed a catered luncheon sponsored by Boston advertisers and their annual banquet at Fellowship Hall.

Sixty-one boys and girls registered for the ballroom dancing lessons at Junior High East and twenty-two boys and girls at the Junior High West. One hour classes were held in the school gymnasiums at 2:30 P.M. on Tuesdays. A nominal charge of $2.00 for ten lessons was made. Refreshments were served and prizes awarded at final lesson.

Arts and crafts classes were held every Saturday morning from November through March at the Dallin, Stratton, Locke, Cutter, Thompson and Hardy playrooms for fifth and sixth grade girls. This program consisted of low games, folk dancing, story telling, short skits, and making of holiday gifts. Special holiday parties and a skating party at the M.D.C. Rink on Route 2 were enjoyed by the girls. 175 girls registered for this program.

Skating areas were provided and maintained for recreation at North Union wading pool, Waldo Road, Parallel, Robbins Farm and Ethel Wellington tennis courts. Lighted areas were provided at Meadow Brook Park and Hills Pond. Police supervision was provided when available. Every effort was made to provide safe skating for skaters and hockey players. A total of thirty-two days were recorded.

Pee Wee Hockey League was organized for the sixth year with 100 sixth, seventh and eighth grade boys registering. The league was formed into eight teams with thirteen boys on each team. Games were played every Saturday from 7:00 to 9:30 A.M. at the M.D.C. Rink on Route 2. The season opened December 7 and ended March 14. This continues to be a popular program for young boys. Inter-city games were played with Melrose, Cambridge,

Wakefield, Medford, Saugus, Stoneham, South Boston and Brookline. Arlington Pee Wees were semi-finalists.

The Little League program was coordinated by this department and consisted of twelve teams with boys ranging from 8 to 12 years of age. There were three leagues: Northern, Southern and Western. Each league played 5 rounds of play and at the end of the season an elimination series was played to determine the Town championship. An All-Star team was chosen to play inter-city games in the district to decide local champions.

Schedules were drawn up for the Cub Scouts. Twelve teams were organized into one league and they played during the month of May at the Brackett and Bishop Schools, Cemetery Street playground, Spy Pond Field and Junior High West.

One of our most successful programs was the Town Softball League which consisted of twenty teams. Two leagues were organized, one Class "A" and one Class "B". Each league played two rounds of play, then the first four teams played a 2 out of 3 series in an elimination series to determine the league champion. Both league winners then played a series of 2 out of 3 games to determine the Town champion. A banquet was held at American Legion Hall on October 26. Town officials were invited and awards presented the winners with no expense to the town.

A group of All-Stars were chosen from the two leagues and a game was played under the lights at Reservoir Field for the benefit of the Jimmy Fund. The proceeds of the game amounting to $30.00 was forwarded to the Executive Director of the Jimmy Fund.

Reservoir Beach opened June 21 and closed on September 5. The beach was restricted to Arlington residents for the fourth year. Residents wishing to use beach facilities were required to register with the exception of youngsters under five years of age. A fee of 25¢ was charged for identification tag which allowed holder access to the beach during the entire summer. 4,900 persons purchased these tags and $1,225 was turned over to the Town Treasurer. Average attendance was 500 and on hot days there was an estimated attendance of 2,500.

Red Cross swimming classes for young people were conducted by our lifeguards at 11:00 A.M. and 2:00 P.M., Monday through Friday. Classes averaged 70 in the morning and 125 in the afternoon. Children were assigned to three groups: Beginners, Intermediate and Advanced. Red Cross Junior and Senior Lifesaving classes were conducted three days a week.

An active summer program was provided for Arlington children at eighteen supervised playgrounds and one swimming beach. The playground season opened June 22 and closed August 15. A variety of games, free play, arts and crafts, baseball, softball, archery, tennis, trips and special events held the interest of the children.

Three baseball leagues were formed: Midget, Junior and Senior. Inter-playground games were played.

Leagues were also formed for ping pong, horseshoes and softball.

Tennis lessons were provided by competent instructors representing the New England Lawn Tennis Association. Lessons were held each morning at the Crosby School and Ethel Wellington tennis courts from 9:30 A.M. to 12:00 Noon. 66 youngsters from 8 to 16 years of age registered. We believe this program was worthwhile and hope to again engage these instructors and to continue the instruction of tennis.

The archery program has become very popular during the last few years with 80 youngsters registering. Classes were held at Spy Pond Field and Warren A. Peirce Stadium. Instruction was given the first half hour and shooting practice the second hour. Matches were held with Weymouth and Browne & Nichols.

Special events were held once a week which proved very popular with the youngsters. 500 youngsters were guests of Boston Red Sox. 280 youngsters between eight and ten years of age attended the Tufts University Magic Circle Theatre; 1600 boys and girls enjoyed the Annual Weenie Roast at Menotomy Rocks Park which was sponsored by the American League, Post #39, and the Arlington Lodge of Elks. Hot dogs, Coca Cola and ice cream was served. Thirty amateur acts were put on by the children from the various playgrounds.

Jimmy Fund: A week was set aside to raise funds by the children soliciting, holding puppet shows, cake sales, auctions, etc. $369 was raised by the children which was given to the Police Chiefs Association who forwarded it to the Boston Jimmy Fund.

The Final Day Parade was held on August 14 with youngsters from eighteen playgrounds marching from the Robbins Library to Warren A. Peirce Field to music by St. Agnes Band, and the Immaculate Conception Band from Everett. Costumes, decorated doll carriages, bicycles and prize winning floats were viewed with pride by those who watch this yearly event, sponsored by the Boys' Club Associates.

At Warren A. Peirce Field awards were presented to the winners of the various contests: champions in archery, ping pong, horseshoes, baseball, softball, tennis. Several outstanding amateur acts were also presented awards by Town Manager Edward C. Monahan, Selectman John W. Bullock, and Park Commissioner J. Fred McGann.

275 permits to use facilities at Menotomy Rocks Park were issued to Girl Scouts, Boy Scouts, Cub Scouts, church and family groups. Approximately 200,000 persons used this area during the course of the year for picnics, fishing, ice skating and summer playground program.

90 softball and baseball teams were issued permits to use our fields and permits were also issued to basketball teams to use school gymnasiums.

Christmas Carols: For the tenth year this department registered groups wishing to sing at the creche at Monument Park in Arlington Center during the holiday season. Eight groups participated, among them St. Agnes Boys Choir who had appeared on television, a group from the Bartlett School, a Junior High East group, Boy Scouts Troop #30, the Arlington Protestant Youth Council, and neighborhood groups.

The Board of Park Commissioners recommend that a small tots area be established in the Varnum Magnolia area, a small tots area and baseball field in Poets Corner in the St. Camillus Parish area, and that an Article be placed in the 1964 Warrant.

Hockey and skating areas have been a problem over the years because of inclement weather - either there was too much snow or it was not cold enough to freeze. Because of these conditions, this department was not able to give the adults and youngsters enough skating. An Article will be presented to Town Meeting in 1964 requesting that the Town procure plans and estimates for the construction of a skating arena to be built on Town owned land on Summer Street. Appointed Committee will be asked to report to Annual Town Meeting of 1965.

The Board of Park Commissioners are appreciative of the co-operation and assistance rendered by Town officials and employees of the department.

Very truly yours,

John W. Walsh, 3d, Chairman
Edward D. Buckley
J. Fred McGann

Supervisor of Custodians and Maintenance

January 9, 1964

Mr. Edward C. Monahan
Town Manager
Town of Arlington, Mass.

Dear Mr. Monahan:

I, herewith, submit my report as Supervisor of Maintenance and Custodians for the year ending December 31, 1963.

Specifications and contracts for various types of repairs, alterations, and replacements to various Town Owned Buildings for contract work, including fuel, etc., were prepared by this Department and submitted to the Purchasing Agent to obtain competitive bids. After bids were awarded, this Department supervised and inspected all work and materials as the work progressed.

The following consists of some of the various types of projects completed by Contractors and the Building Maintenance Department personnel during the year:

SENIOR HIGH SCHOOL

Prepared and painted the entire interior surfaces in Rooms #12, #13, #15A, #15B, #16 and #17.

Removed and replastered sections of loose ceiling in the Boys' Sanitary "A" Building.

Removed worn wood floor from rear lobby toilet room in the "B" section of the building and installed ceramic tile with a rubber base. Part of the work was done by the Building Maintenance Department personnel.

Wired and installed a breaker panel 4-wire 100-ampere circuit for new equipment to be installed in Room V-4.

Installed a drinking fountain complete with waste, vent and water supply in the corridor near Room V-4.

Made repairs and replacements to the brickwork of the fire boxes in Boilers #1 and #2 in the "A" Building.

Constructed and installed a sheet metal hood over the gas tempering furnace in the Machine Shop and connected same to an existing exhaust duct.

Replaced the Kalamine door at the entrance to the roof in the "A" section of the building that was damaged by fire and made other related repairs. This work was done by the Building Maintenance Department personnel.

Installed a portable folding gate in the corridor near Room 57 for closing off the corridor when the school is used for evening events.

Replaced (5) classroom door locks with new cylinder-type locks on the doors to the Science and Chemistry Rooms.

Cut an opening in the Dishwashing Room in the Cafeteria masonry wall and installed a stainless steel pass-through for receiving soiled dishes. The installation of this unit has corrected the congested condition that had exist-

ed. Part of this work was done by the Building Maintenance Department personnel.

Constructed cabinets along the north wall in Room V-1 Electronics Laboratory for storing supplies and equipment. This work was done by the Building Maintenance Department personnel.

Installed galvanized wire grilles over window openings of the Multi-purpose Room and Coaches' Room to prevent glass breakage.

Recovered (22) stair treads at the front entrance to the "A" Building with Vinyl tile and metal nozings.

Prepared and installed Formica Tops on (140) pupils' desks in Room #64 and #84. Work was done by the Building Maintenance Department personnel.

Removed 200 box lockers from Girls' Locker Room "B" and installed same in corridor outside of the room. Replaced 200 key locks with combination type. Work was done by the Building Maintenance Department personnel.

Rewired oil burners in the "A" Building where defective wiring occurred.

Installed opaque draw drapes in Room A-1 for Visual Aid Work.

Replaced (22) window shades and installed black opaque window shades in Rooms H-7, 14B, 54 and 63 for Visual Education.

Installed new electric circuit from the Electric Room to the Auto Shop for the new air compressor, also installed guard rails around the compressor.

Installed Class "A" incombustible Suspended Acoustical Tile ceilings in Rooms 12, 13, 16 and 17 over loose and cracked plastered ceilings.

Prepared and painted the entire boiler room and equipment in the "B" section of the building. This work was done by the Building Maintenance Department personnel.

JUNIOR HIGH EAST

Removed and replastered sections of wall in the Girls' stairway entrance. Removed plaster, waterproofed and replastered sections of wall at stairway to the Auditorium. The painting of these areas was done by the Building Maintenance Department personnel.

Removed corroded metal partitions around the shower area in the Boys' Locker Room and installed ceramic tile 6' high on both sides of the partitions and installed a ceramic tile floor over the worn cement floor in the shower compartment. Part of the work was done by the Building Maintenance Department personnel.

Traced out electric circuits and wired and installed outlets for Visual Education in Rooms #21, 22, 23, 26, 27, 33, 34, 36 and 37.

Made repairs to the roof parapet wall and located and repaired roof leaks over the front entrance to the Auditorium.

Repointed, recaulked and waterproofed all exterior masonry joints around all windows on the second floor of the classroom section of the building.

Replaced (4) impulse surface electric wall clocks.

Replaced (30) window shades throughout the building.

JUNIOR HIGH WEST

Made repairs and replacements to (7) large roof ventilator hoods, and made repairs to the gutters and conductors.

Repaired and refinished (790) pupils desks, (15) teachers' desks, (10) classroom tables and (25) tablet armchairs. This work was done by the Building Maintenance Department personnel.

Made repairs to (8) large Cafeteria tables and covered the tops of same with Formica. Work was done by the Building Maintenance Department personnel.

Prepared and painted the entire exterior wood and metal surfaces of the building. Work included the replacing of (15) worn wood sash in the "A" section of the building, and repairs and adjustments were made to the steel sash in the "B" section of the building. The repairing and replacing work was done by the Building Maintenance Department personnel.

Replaced the worn air compressor that operates the heat control system and made repairs and adjustments to thermostats throughout the building where needed.

Replaced (2) open type sinks with (2) new modern type cabinet sinks in Cooking Room #1. This work was done by the Building Maintenance Department personnel.

Located and repaired roof leaks over Rooms 30, 31, 32, 33 and over stairway "C" in the "A" section of the building.

Replaced (4) impulse electric wall clocks and made repairs and replacements to the clock and program unit.

Replaced (24) window shades throughout the building and installed black opaque window shades in Rooms #11 and #24 for Visual Education.

Prepared and painted the Boys' sanitaries on the basement level, first floor and second floor. This work was done by the Building Maintenance Department personnel.

Constructed a storeroom for Visual Aid equipment on the second floor landing at the Benjamin Road end of the building. Work was done by the Building Maintenance Department personnel.

JUNIOR HIGH INDUSTRIAL ARTS

Rewired and installed Fluorescent light fixtures in Rooms #9, 10 and 11 and the entire interior surfaces of the rooms were painted by the Building Maintenance Department personnel.

Replaced (8) window shades throughout the building.

Remodeled room in the basement next to the Gym to be used as a girls' dressing room for physical education classes. Work done by the Building Maintenance personnel.

Closed in two coat room areas on the second floor corridor and installed shelving. Area is to be used for storing supplies, etc. Work done by the Building Maintenance Department personnel.

CROSBY SCHOOL

Refinished (301) pupils' desks, (4) bookcases and (1) organ. Work done by the Building Maintenance Department personnel.

HARDY SCHOOL

Prepared and painted the entire wood and metal exterior surfaces of the building. Repairs and adjustments to all window sash and doors were made by the Building Maintenance Department personnel prior to the painting.

Installed (8) eight-foot Fluorescent light fixtures in the Library and the entire room was painted by the Building Maintenance Department personnel.

Installed new checker brickwork in Boiler #1 and Boiler #2 and replaced side brick wall of Boiler #1.

Repaired blisters in the gravel roof deck over the "A" section of the building, removed section of deteriorated cast sone cornice and repointed and waterproofed the cast stone belt and cornice on all sides of the building.

Replaced (15) window shades throughout the building.

STRATTON SCHOOL

The Building Maintenance personnel installed aluminum plates and angles over (4) open expansion joints in the brick section of the building, and replaced the antenna and parts of the weather station equipment on the roof damaged by vandals.

BISHOP SCHOOL

Located and repaired leaks in the air lines to the pneumatic heat control system.

Painted windows and trim on the outside walls in Rooms 5, 6, 7, 12, 13 and 14, stair risers and railings on (3) stairways. This work was done by the Building Maintenance Department personnel.

Repaired and refinished (343) units of classroom furniture. This work was done by the Building Maintenance Department personnel.

Installed a new catch basin at the rear entrance to the school. This work was done by the Public Works Department.

Replaced the burnt out hot water circulator on the Hot Water Tank in the Boiler Room. This work was done by the Building Maintenance Department personnel.

Installed the name of the school, made with 10" stainless steel letters, on the front side of the building.

Replaced (10) window shades throughout the building.

PARMENTER SCHOOL

Installed 3/16" Asphalt Tile flooring over worn mastic flooring in Rooms 8, 9, 10, Work Room, Boys' and Girls' Sanitaries and second floor corridor.

Made repairs and replacements to roof leaks over the Kindergarten entrance and main roof, cleaned and repaired the gutters and conductors.

Prepared and painted the Boys' and Girls' Sanitaries and the Clinic Room. This work was done by the Building Maintenance Department personnel.

Repointed, recaulked and waterproofed all exterior masonry joints around the windows and stone sills in the "A" section of the building.

Replaced (7) window shades throughout the building.

CUTTER SCHOOL

Painted the entire Auditorium and entrance corridor. This work was done by the Building Maintenance Department personnel.

Rewired and installed a complete new clock and program system throughout the entire building.

Replaced (10) grate bars in Boilers #1 and #2 and made general repairs and replacements to the fire boxes in both boilers. A new catch basin and drain was installed by the Public Works Department at the Robbins Road end of the Parking lot to prevent damage to the adjoining property.

Cleaned the roof gutters, replaced missing slate and installed (14) strainers on the gutter outlets.

Installed prefinished wood panels on the walls of the second floor Clinic Room and repainted the area. This work was done by the Building Maintenance Department personnel.

BRACKETT SCHOOL

Replaced the worn divider curtain in the basement playroom with a new 13-oz. Army Duct flameproof curtain.

Replaced (14) window shades throughout the building.

LOCKE SCHOOL

Replaced a 38' corroded section of the 32" diameter steel flue liner which is now being used for the incinerator.

Installed a complete pneumatic heat control system throughout the building with thermostats in each room to control a more even heat throughout the building. With this control system now installed the classrooms are more comfortable and there will be a saving in fuel.

Installed a 3/16" Asphalt tile over the worn mastic floor in the Multipurpose Room.

The Building Maintenance Department personnel painted the (4) stack rooms in the basement area.

Replaced sections of corroded copper conductors, repaired leaks in gutters, replaced missing roof slate and cleaned the gutters twice during the year.

Installed prefinished wood panels on the walls from floor to the ceiling in the Principal's Office and Clinic Room to cover loose and cracked plaster, also installed an acoustical tile ceiling in the Clinic Room. Work was done by the Building Maintenance Department personnel.

Replaced (25) window shades throughout the building.

PEIRCE SCHOOL

Prepared and painted the outside walls, sash and trim of Rooms 17, 18, 23, 27, 28, Teachers' Room and Girls' Sanitary.

Located and repaired leaks in the roof area over Room 25 and 27, made repairs and replacements to the gutters and conductors, replaced sections of the copper gravel cleats in the "A" section of the building.

Painted the entire exterior wood and metal surfaces of the building, replaced (4) worn wood sash and made repairs and replacements to the wood and steel sash prior to the painting of the building. Repairs and replacements were done by the Building Maintenance Department personnel.

The Building Maintenance Department personnel painted the entire exterior of the concrete foundation wall around the building.

Rebuilt large Auditorium exhaust fan motor, located and repaired leaks in the pneumatic lines for the Auditorium exhaust damper and repaired trouble in the pneumatic heat controls for Auditorium unit heaters.

Replaced (14) window shades and installed opaque window shades in Rooms 17 and 27 for Visual Education.

THOMPSON SCHOOL

Located and repaired leaks in the roof area over the Auditorium.

Repaired leaks in the window wall area of the connecting unit and prepared and painted the entire inside area of the connecting unit including exterior metal panels. Work was done by the Building Maintenance Department personnel.

DALLIN SCHOOL

On February 16, 1963 this school was broken into by vandals causing a considerable amount of damage to the Teachers' Room, Library, Office and Clinic Room, which required the repairing and recovering of (2) upholstered couches and (2) chairs, reconditioning of an oil painting of Mr. Mantyla, replacing of two pair of drapes, replacing (1) wall clock and thermostat, replacing (1) typewriter, (2) lamps and (1) serving table, also repainting of walls in the Teachers' Room and Library.

Replaced striker plates on all interior doors and installed rubber bumpers on same to help prevent jarring of the plaster walls.

Located and repaired leaks in flashing around soil pipe vent on the roof.

Installed cork strips for displaying pupils' work in Rooms 1, 3, 4, 5, 6, 7, 8, 9, 10, 11 and 12 and installed bulletin boards in Rooms 5, 9 and 11. This work was done by the Building Maintenance Department personnel.

Installed a new catch basin in front of the driveway at the rear entrance. Work was done by the Public Works Department.

Replaced the FP2 control panel for oil burner #2 and replaced the 2000-watt - 230-volt oil heater on oil burner #1. Installed galvanized wire grilles on Scullery room windows facing the playground to prevent glass breakage.

Installed an acoustical tile ceiling in the Library work room to improve the acoustics.

23 MAPLE STREET

Made repairs and replacements to the roof areas. Painted the front (2) hallways and Girls' room on the second floor. Work was done by the Building Maintenance Department personnel.

ROBBINS TOWN HALL

Replaced old style flush tanks and closets in the Girls' room near the Town Clerk's Office and the Men's toilet room near the Selectmen's Office with new modern closet and flush valves.

Prepared and painted the entire exterior wood and metal surfaces of the building.

ROBBINS HOUSE GARAGE

Rewired first floor and circuit to the second floor, replaced main switch and cut-out cabinet and installed (3) lights and (2) receptacles on the first floor.

VARIOUS SCHOOLS, ETC.

All exterior flag poles (14) were prepared and painted and new halyards were installed on same.

The stage curtains in the Bishop, Junior High East, Locke, Cutter and Hardy Schools were flameproofed and certificates of approval for same were submitted.

During the year 1,115 lights of glass were replaced by the Building Maintenance Department personnel in the various schools at a cost of $6,164.21.

All heating boilers, hot water tanks and air compressors in the Town Owned Buildings were inspected by the Insurance Inspectors and all repairs and replacements were made according to their requests. Certificates of approval were issued for each unit in each building for a period of one year.

The Fire Alarm System in all Schools were tested prior to fall school opening by the Fire Department and were found through the testing to be in good operation.

All Fire Extinguishers throughout the Town Owned Buildings were checked and recharged by the Fire Department.

In addition to the above work, well over a thousand work and repair orders were issued to the Building Maintenance Department personnel and Contractors for various types of work, such as plumbing, heating, painting, electrical work, roof work, boiler and oil burner repairs, carpenter work, furniture repairs and replacements, etc. The cost of these jobs varied from $3.50 to $100.00.

I wish to express my appreciation to you and to the Officials and Employees of the Department and all other Town Departments and Town Officials for their co-operation during the past year.

Respectfully submitted,

George H. Greim
Supervisor of Custodians
& Maintenance

Annual Report of Inspector of Animals

January 3, 1964

Subject: Annual Report of Inspector of Animals
To: Town Manager

1. A total of 193 animals in Arlington were examined and quarantined for biting persons in 1963.

2. The heads of two animals were sent to the Wasserman Laboratory in Jamaica Plain for examination for Rabies. Both were negative.

3. There were no cases of rabies in Arlington during the past year, but a continuing increase in the number of bites is to be noted.

4. The Inspector of Animals again wishes to express his apprecation to the Board of Health and the Police Department for their excellent cooperation.

Respectfully submitted,

John J. Murphy, Jr., D.V.M.

Report of the Arlington Development Commission

January 27, 1964

Mr. Edward Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

The year 1963 was comparatively a quiet one for the Development Commission. Efforts, however, were devoted solely toward the sale or development of the Town owned property at 1083 Massachusetts Avenue.

During the year the major time was spent screening inquiries or interviewing parties interested in the development of the area.

Working in close cooperation with the Town Manager and the Board of Selectmen meetings were set up to discuss those inquiries that were interesting and might prove to be beneficial to the town. All information gathered was turned over to the Board of Selectmen, the awarding authority whose power it was to accept or reject any and all bids for the property.

From the original appropriation of $1,000 which was voted by the 1957 Annual Town Meeting at the time the Commission was created, there remains an unexpended balance of $251.05.

Respectfully submitted,

Lawrence Babine
Harry C. Behr
John B. Fox
John Mirak
Francis O'Hearn
Allan B. Igo, Chairman

Annual Report of the Department of Civil Defense

January 21, 1964

Mr. Edward C. Monahan
Town Manager
Arlington 74, Massachusetts

Dear Mr. Monahan:

In accordance with the By-Laws of the Town, I submit herewith the fourteenth annual report of the Department of Civil Defense.

Shelters: This year the Department of Defense issued shelter provisions to local governments for placement in public fallout shelters meeting O.C.D. criteria. In 28 shelters 288,955 pounds of material were placed. This included water, food, sanitation kits, medical kits and radiological kits. 7165 cubic feet of space were needed and obtained to hold the stock.

Buildings now marked and stocked are:

	Spaces
Arlington Cooperative Bank	65
Arlington Five Cents Savings Bank	184
Arlington Town Hall	134
Regent Bowling Alleys	144
Gordon's Furniture Co.	104
Central Fire Station	300
Arlington Catholic High School	345
Pierce School	86
St. James School	171
Arlington Storage Warehouse	494
Arlington High School	1695
Robbins Library	196
Police Headquarters	60
Industrial Arts School	450
Crosby School	316
Cutter School	154
Junior High West	80
Locke School	188
Brackett School	120
Arlington Post Office	132
Symmes Hospital	80
Nurses Homes	131
St. Agnes Grammar School	307
St. Agnes Convent	75
Marion Convent	83
St. James Church	273
St. Camillus Church	216
MDC Pumping Station	137
	6720 Total

There are six additional shelters still to be licensed. In an emergency it is possible to crowd more people in these shelters bringing the number up to possible 15,000 crowded spaces. There are approximately ten more buildings that can be used as shelters. An attempt is now being made to license and stock these possible shelters.

The policy of Arlington Civil Defense is to keep no one out of a shelter. The most critical period is the first seven hours. The next less critical period is the following forty one hours.

A great deal of work has to be done in training shelter managers, radiological monitors and in setting up instructions for the use of each shelter. It is estimated that 100 shelter managers and 100 radiological monitors will have to be trained in 1964.

Public Law 85-606: On April 1, 1963 the Civil Defense Department of Arlington was certified by the State and Federal Government as eligible to participate in the Personnel and Administrative Expense Program.

By participating in this program the Federal Government reimburses Arlington one half the cost of personnel and administrative expenses. Reimbursements are made on a quarterly basis. On October 1, 1963 we received our first reimbursement check for $767.92 covering one half the personnel and administrative expenses for April, May and June. A check dated December 26, 1963 for $724.54 has been received covering July, August and September making a total of $1492.46 for a six month period. These checks are not added to the Civil Defense Budget but go directly to General Town Funds.

Arlington is one of two cities and towns in this Sector that have been approved as participants in this program.

Surplus Property: During the year the following amount of surplus property was purchased.

Government Cost	Our Cost
$54,971.95	$1,927.95

Our outstanding purchase was a truck tractor purchased for $125.00. Government cost $12,945.00.

Matching Funds

Total Cost	Government Payed	Cost to Town
$288.00 Electricity	$144.00	$144.00

Auxiliary Fire Department. A. Henry Ottoson, Chief of the Auxiliary Fire Department has had a very progressive and busy year. He has given much time and effort to further increase the efficiency of this department.

During the year 1963 the men of this department served 677 hours at Highland Fire Station on regularly assigned nights 7 to 10 P.M. They responded to 110 alarms for a total of 56-1/2 hours. On many occasions the men responsed in their own cars to various fires. Some served Saturday and Sunday afternoons at other stations. These occasions were not logged in the records.

A training school was conducted by Deputy Chief Irving Proctor of the regular Fire Department. He is to be commended for the efficient training in use of equipment and in the art of fire fighting. From time to time other regular fire officers gave instruction on use of equipment.

Auxiliary Police Department. This year our Auxiliary Police Department continued their valuable service to the Town under the expert leadership of Captain John Y. Duggan of our regular Police Department. They were on duly a total of 1346 hours. This time was devoted to Sunday traffic, March of Dimes, April 19th and May 30th and Halloween. These men are to be commended for their many hours of faithful service.

Communications. In Arlington, the Director of Civil Defense also has the supervision and maintenance control of the Local Government Radio Communications System.

A Standard Operating Procedures manual was prepared, printed and distributed to all operators of the communications network on August 1, 1963. This includes Fire, Police, Public Works, Engineers, Town Manager and Civil Defense.

A 1000 gallon underground gasoline tank was installed at the Park Circle Fire Station. This supplies the gasoline for the emergency generator to run the base standby communications station. A gasoline pump was also installed so that fire vehicles can obtain their gasoline from the same supply. This is not only a convenience for the Fire Department, having eliminated a fire hazard, but also keeps the gasoline fresh for emergency use.

A tape recorder was installed in the Civil Defense Control Center. This records all messages going out and coming in over the radio system.

A Quick Call system was installed at the dispatchers desk at Fire Headquarters. This accomplished three purposes.

1st. It allows the Deputy Chiefs to be alerted at their homes to a multiple alarm fire. This will allow the fire alarm tappers to be removed from their homes. This was one of the recommendations by the Underwriters to improve Arlington's rating.

2nd. It keeps the three police cruisers in constant touch with the station even when they are out of the car checking buildings or on emergency traffic duty. Each of the horns on the cruisers can be blown by radio notifying the police officer he had a radio call.

3rd. In case of a serious water break or a multiple alarm of fire it can call the operators of four water trucks from cellers, where they would normally be working, to answer the radio on the water vehicle. This is done by remotely blowing each horn by radio.

An Inter-City Police Radio Network Station was installed at the police headquarters with an antenna two-thirds the way up the tower.

All the above equipment has been operating satisfactorily and improves the operational efficiency of all using departments.

My sincere thanks and appreciation to all Civil Defense Volunteers, Town Departments and Boards for their cooperation during the past year. And to you Mr. Monahan and the Board of Selectmen my sincere gratitude for the trust you have shown me.

Respectfully submitted,

John P. Dempsey
Director of Civil Defense

Report of the Inspector of Buildings

December 31, 1963

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

I wish to thank you and the various departments of the Town for the many courtesies and co-operation I received during the year.

Respectfully submitted,

Robert L. Reid
Inspector of Wires

Annual Report of the Department of Veterans' Services

Mr. Edward C. Monahan
Town Manager
Robbins Town Hall
Arlington, Mass.

Dear Mr. Monahan:

Submitted herewith is the nineteenth Annual Report of the Department of Veterans' Services covering the calendar year of 1963. Massachusetts laws make it madatory that financial aid be furnished to needy veterans and their dependents in a special way apart from other public assistance programs and that there be made available to all veterans and their kin such advice, information and assistance as may be necessary to enable them to procure the benefits to which they may be entitled relative to employment, vocational and other opportunities, hospitalization, medical care, pensions, compensation, insurance and other benefits and must keep on hand current booklets and other printed matter pertaining to the statutory rights and privileges of war veterans provided by Federal and State laws. The first section of the report deals with the services provided to all veterans and their kin, and the second section with the financial aid disbursed to needy veterans and their dependents.

VETERANS' SERVICES

Photocopies made	1813
Documents notarized	17
Discharges recorded in the Town Archives	8
Contacts made in furnishing counsel, information and assistance in prosecuting claims of veterans and their dependents and survivors and processing claims of all types of benefits	2734
Visits to hospitals, homes and other places	712
Letters, history entries and records	2486
Veterans Administration forms completed	324
Veterans Administration claims handled	75
Total for year 1963	8169

Total cash benefits accruing to Arlington claimants by reason of Veterans Administration awards in claims processed by this department	$12,468.00
Estimated total of money saved the Town by reason of successful prosecution of Veterans Administration claims filed by persons who had applied for financial aid	9,321.00

VETERANS' BENEFITS AND BURIAL AID

A tabulation of the administrative work connected with the disbursement of financial aid to needy veterans and their dependents follows:

Contacts (visits, interviews, etc.)	2029
Applications, history entries, records and letters	2201
Cases on aid rolls	
(a) Settled in Arlington	125
(b) Settled in another Massachusetts town	7
(c) State settled	2
Applications and re-applications received	153
Applications and re-applications accepted	65
Applications and re-applications rejected	22
Applications and re-applications referred to other communities	6
Applications pending	0
Refunded cases	6

A tabulation of actual disbursements made to needy applicants for aid during the year 1963 follows:

VETERANS' BENEFITS

(State participation 50% of all authorized payments in Arlington settled cases. Otherwise, 100%)	
Disbursed	$77,111.91

BURIAL AID

(State participation on same basis as above)	
Disbursed	250.00
Total disbursements	$77,361.91

Aid and Assistance that was granted by the Arlington Veterans' Services Department in 1963 will be reimbursed by the State of Massachusetts by November 15, 1964. This is the State Law governing the reimbursements to the town and cities of the Commonwealth of Massachusetts under the State Veterans' Services Department. The Town Collector and Treasurer in 1963, received from the State Treasurer an amount which covers the entire year of 1962 for Aid and Assistance

Total reimbursement	$35,623.63	
Refunds from persons who had received aid and returned checks	2,180.00	
Total receipts		37,803.63
Net disbursement by Town for aid		$39,558.28

Hospital expenses, one of the greatest and the most unpredictable costs to this department, has been held to a minimum during 1963, due in part to the Blue Cross coverage we have assumed on all permanent cases. Because of this action we have been able to keep within our 1963 budget, the first time in several years that there was no necessity to request an increase.

We wish to gratefully acknowledge the cooperation and help received from the Board of Selectmen, the Town Manager, the Personnel Board and their staff and to express our appreciation of the excellent work performed by the employees of this department.

Respectfully submitted,

Alfred J. Boudreau
Director

Report of the Board of Appeals

January 17, 1964

To the Honorable Board of Selectmen
Robbins Town Hall
Arlington, Mass.

Gentlemen:

Submitted herewith is the Annual Report of the Boards of Appeals for the calendar year ending December 31, 1963:

The Zoning Board of Appeals heard a total of 43 cases during 1963, disposition of which was as follows:

Variances granted	23
Variances granted with restrictions	3
Variances Denied	12
Appeals withheld pending further action or study	5
	43

The Building Board of Appeals heard a total of seventeen Appeals of which thirteen were granted, three denied and one held for further study.

Respectfully submitted,

Ralph F. Tuller
Chairman Zoning Board of Appeals

Daniel A. Healy, Jr.
Chairman Building Board of Appeals

Report of the Dog Officer

January 10, 1964

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit my report as Dog Officer for the Town of Arlington for the year ending December 31, 1963 in accordance with Section #3 of Article #3 of the Town By-Laws.

Complaints registered with me as follows:

Dogs impounded	275
Licensed dogs returned via telephone	304
Licensed dogs returned by car	43
Unlicensed dogs impounded and turned over to the Animal Rescue League when owners could not be located	150
Dogs destroyed at pound	8
Dog owners contacted on warrant	2600
Dogs caused to be licensed	2297
Dogs licensed	2297
Complaints received at my office and investigated	74

Complaints registered with me to remove dead or mutiliated animals from the highways as follows:

Dogs	85	Pigeons	21
Cats	176	Rats	17
Skunks	11	Rabbits	14
Squirrels	66	Raccoons	4
Turtle	1	Ducks	2

At this time I wish to express my thanks to you and the Board of Selectmen for the advice and assistance given me in the settlement of the many controversies arising between dog owners and complainants.

I would also like to take this opportunity to thank Police Chief Ryan, his department and the office of the Town Clerk for the splendid co-operation given me through the past year.

In conclusion, I gratefully acknowledge the prompt attention given by the dog owners of Arlington to the licensing of their dogs this year.

Respectfully submitted

Samuel F. Femia
Dog Officer, Town of Arlington

Annual Report of the Arlington Housing Authority 1963

Board of Selectmen
Town of Arlington
Arlington, Massachusetts

Gentlemen:

The Arlington Housing Authority submits herewith its annual report for the year 1963.

The year 1963 was the fifteenth year of operation of the Arlington Housing Authority. At the annual March Town election Mr. Edward J. Doherty was reelected for a term of five years. At its annual meeting held on March 12, 1963 the members of the Authority elected James A. Coffey, Chairman; Joseph S. Vahey, Vice Chairman; Thomas M. Kelly, Treasurer, Edward J. Doherty, Assistant Treasurer. Regular and special meetings of the Authority were held throughout the year.

In addition to the details of managing and maintaining the presently existing 176 Veterans' apartments and 72 apartments for Elderly persons, a major problem was the ever present need to seek land to develop additional dwelling units for the use of Elderly Persons. The need for such dwelling units is manifested daily by telephone and written inquiries to the office. At the Annual Town Meeting in March, this Authority did submit an Article seeking to obtain the necessary two-thirds majority vote by a scant margin. It is the intention of the Authority to continue its efforts in this regard.

During the course of the year the Authority did make a voluntary contribution to the Town in the amount of $6336 which is the largest amount permitted under the law.

The Authority wishes to express its thanks to all Boards and Departments of the Town for their cooperation throughout the year.

Respectfully submitted,

ARLINGTON HOUSING AUTHORITY

James A. Coffey
Joseph S. Vahey
Thomas M. Kelly
Edward J. Doherty
Myron D. Chace

Report of the Cemetery Department

January 7, 1964

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear Sir:

The Board of Cemetery Commissioners herewith submit their Annual Report for the year ending December 31, 1963.

BB Plot on the westerly side of Mill Brook was marked for three and four grave lots.

Cross Avenue from Center to Willow Avenue was repaired and black topped.

Trees were pruned and sixteen trees of various types removed by the Tree Dept. because of poor condition. These trees are to be replaced in 1964.

There were 451 interments during the year.

The Commissioners wish to thank Town Manager Edward C. Monahan and all Department Heads for their kind assistance. We also extend our appreciation to Supt. Edward C. Preston for his fine work and all employees of the department for their co-operation during 1963.

The following are the receipts of the Cemetery Department for the year ending December 31, 1963:

Sale of Lots and Graves	$18,590.00
Annual Care	1,736.30
Foundations	2,385.00
Opening Graves	15,560.00
Miscellaneous	5,056.62
Perpetual Care	20,952.00
Income from Funds	18,152.44

Respectfully submitted,
Board of Cemetery Commissioners

John H. Callahan, Chairman
T. Gordon Smith
Arthur L. McAvoy

Annual Report of the Engineering Department

January 8, 1964

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Mass.

Dear Sir:

During the year 1963 the usual work of this Department consisted of processing 88 building applications, which includes the assignment of street numbers and the checking of the proposed building grades; checking and inspecting the work of privately-employed contractors at 52 locations; drafting 7 taking plans and instruments for sewer, water and drain installations; surveys, lines, grades and record plans of sewer, water or drain installations at 30 separate locations; calculating the assessments for sewer, water and street construction projects; estimating, designing and supervising the construction of 8 streets; estimating the costs of 14 streets for 1964 and the drawings of plans and sketches for 22 miscellaneous projects; investigations of many accident claims and complaints as well as plans, information, estimates, etc. provided for many of the other Town Departments.

In addition, this Department made the contract plans and specifications and supervised the installation of the Waldo Road and Warren Street outlet drains; the traffic-light installation at the High School; the Robbins Farm Tennis Courts; fencing at Spy Pond Field and the Summer Street Playground; the Mill Brook Culvert at the High School and the Winslow Street parking area.

Contracts were prepared and installations inspected for the Robbins Library Auditorium relighting, the waterproofing at the Dallin Library, alterations to the jail cells at the Police Station and the floor tiling at the Park Circle Fire Station and the Robbins Library.

Studies were made for additional heating at the Robbins Library and the Dallin Library and for the air conditioning of the 3rd floor of the Robbins Library. Site studies for a swimming pool were prepared.

Traffic counts and studies continue to require a considerable portion of this Department's time.

Annexed to this report is a list of public-and private streets with other statistics as of January 1, 1964.

My sincere thanks are extended to the employees of this Department and to all Town Officials for their cooperation and assistance.

Very truly yours,

W. H. Roby
TOWN ENGINEER

TABLE SHOWING LOCATION, LENGTH AND WIDTH OF PUBLIC AND PRIVATE STREETS

Name	Location	Width	Length		Date of Acceptance

The Four Fatal Accidents were as follows:

On March 16, 1963 at 4:10 P.M. Mabel F. Harney, 57 years, 52 Robbins Road, Arlington, while operating an automobile on Robbins Road, toward Massachusetts Avenue, was in collision with a tree a short distance in from Massachusetts Avenue, receiving injuries which resulted in her death on the same date. In the automobile with her at this time was her husband, Edward F. Harney, 63 years, 52 Robbins Road, Arlington, who received injuries which resulted in his death on the same date.

On March 27, 1963 at 1:50 A.M. Marilyn Floyd, 37 years, 168 Norfolk Street, Cambridge, while operating her automobile in an Easterly direction on the Concord Turnpike, went across the median strip and head-on into a Mack Truck being operated in a Westerly direction on the Concord Turnpike, receiving injuries which resulted in her death on the same date.

On June 2, 1963 at 12:55 A.M. Denis J. Mangan, 17 years, 26 Conwell Avenue, Somerville, while operating an automobile in an Easterly direction on the Concord Turnpike, just East of the Pleasant Street Underpass came in contact with an Edison pole, receiving injuries which resulted in his death on June 12, 1963.

On December 18, 1963 at 6:06 P.M. Viola A. Casalou, 58 years, 930 Mass. Avenue, Arlington, a pedestrian, when crossing the westbound lane of the Concord Turnpike near the Cambridge line was struck by an automobile receiving injuries which resulted in her death on that date.

TRAFFIC SIGNAL DEPARTMENT

The Traffic Signal Maintenance Division is responsible for the installation and maintenance of all aids to the regulation and control of vehicular and pedestrian traffic on the public ways.

Measures adopted in 1963 to expedite the flow of traffic and to facilitate parking were as follows:

Mill Street was widened from Mass. Avenue to Summer Street. Spring Street was widened between Highland Avenue and Bellevue Road.

Parking was prohibited on the easterly side of Pleasant Street, between Swan Street and Mass. Avenue. Parking was prohibited on the westerly side of Water Street, between 8:00 A.M. and 6:00 P.M., on a trial basis for ninety (90) days.

Modern street lighting was installed on Appleton Street, between Park Avenue and the Concord Turnpike.

AUXILIARY POLICE

I wish to take this opportunity to publicly thank all of the members of the Auxiliary Police. In addition to their attendance at monthly lectures on subjects pertinent to their duties, they also gave unselfishly of their time, assisting the Regular Department in the control of vehicular and pedestrian traffic at church services, parades and other civic affairs.

CONCLUSION

To the Honorable Board of Selectmen, esteemed Town Manager, members of the Police Department and to all others who in any manner contributed to the success of the Department, within the past year, I am deeply indebted and sincerely grateful.

Respectfully submitted,

ALBERT E. RYAN
Chief of Police

ANNUAL REPORT OF THE PUBLIC SCHOOLS

REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR 1963

To the Citizens of Arlington:

In today's world it is fair to say that the central objectives of a School Committee are to assure (1) that the right climate and opportunities exist for rapid and thorough learning, and (2) that the educational program anticipates the needs of the years to come.

The first involves indispensable elements that include not only inspiring and effective teachers but also buildings and apparatus which are adequate, promote the learning atmosphere and extend the teaching effectiveness. These are ingredients familiar to all American communities and generally are the focus of discussion about public education, probably because they are easily equated to operating costs and requirements for new physical facilities. Their true importance cannot be over estimated in providing the best circumstances for learning and they are receiving the continued attention of your school authorities.

The second objective involves the problems which the increasingly rapid technological advances have catapulted into a position of new urgency. It is of growing concern to your School Committee and School Department and worth emphasis in a report to you.

Traditionally our schools have provided a general education and a certain amount of training for employment in various pursuits. Beyond this, on-the-job training in the current practices equipped the individual for a long useful employment. Now it simply is no longer enough to educate and train our young citizens as to the activities and the practices of today. They must be equipped, whether it be in the ideas and understanding of the mind or in the physical skills, with the potential for handling problems and performing tasks which we cannot even define today. The effects of automation on the displacement of many of yesteryear's skilled technicians and the steady emergence of completely new industries are hints of changes to come. The person without the potential to assimulate new ideas and abilities will be more and more of a problem to himself and to the community in the next decades.

Your School Committee and School Department are aware of the needs and the detailed report of the Superintendent of Schools gives a picture of the kinds of steps that are being taken. At the risk of over simplifying, they might be summarized in four categories. First, the fundamentals of what we have known as the general education in elementary and secondary school are being examined and modified in the light of improving ability to understand and cope with more complex ideas and problems. The new math, innovations in social studies and broadening language and science studies are in this grouping. The second concerns the opportunities for learning basic shop skills and obtaining technical and vocational training. This includes the blossoming Industrial Arts Program at the high school and our now well established Technical and Vocational High School. The third is the new offering of opportunities for post-secondary education in specific areas of demonstrated future importance. An Electronic Data Processing Course offered under the name Arlington Technical Institute and two Manpower Development and Training Courses subsidized by the Federal government are our initial ventures. The fourth is new and small and yet of probable importance well beyond the numbers involved. This is a program called STEP (Student to Employment Program), to provide potential dropouts with some specific marketable training as well as keep alive the elements of a general education.

An annual report is not complete without comment on the operating budget. In Arlington, as throughout the Nation generally, the costs continue to grow. The budget increase required for the next fiscal year is due essentially to two factors, the continued increase in pupil enrollment and the necessity of raising teachers' salaries. Over the past decade the average annual growth in pupil enrollment has been approximately 225. This is the equivalent of eight to ten new classrooms yearly with all associate teaching and auxiliary costs. In order to attract and keep good teachers to provide for this growth and for normal replacements, it is necessary to meet the competition from other school systems. Consequently, in the face of pressures due both to a limited supply of good teachers and the general unstable wage and salary picture throughout the country, Arlington finds it essential and to her advantage to grant salary increases.

The year of 1963 saw the retirement of six long-term professional employees.

Mr. Charles H. Downs, principal of Arlington High School since 1954, retired in June, 1963 after thirty-six years of devoted service. Mr. Downs began his career in Arlington in 1927 as a social studies teacher and coach. The Committee, in grateful acknowledgement of his service, honored him at their June meeting. Mr. Downs has our warm wishes for a long and well-deserved retirement.

Mr. Raymond S. Locke, of Barrington, Rhode Island, was appointed principal of Arlington High School upon Mr. Down's retirement.

Miss Ann O'Keefe, a mathematics teacher at Arlington High School, retired in June, 1963 after thirty-seven years of continuous and meritorious service.

Mr. Lawrence P. Arthur, a teacher at Arlington High School, retired in June, 1963 after thirty-three years of faithful service as a member of the Industrial Arts Department.

Mr. James Toner, a member of the Business Department at Arlington High School, retired in September, 1963 after thirty-two years of devoted teaching.

Miss Margaret Bubar, a teacher at the Junior High School East, retired in June, 1963 after thirty-two years of loyal service.

Mrs. Margaret Brennan, a teacher at the Hardy School, retired in December, 1963 after twenty-five years of service as an outstanding elementary school teacher.

The Committee deeply appreciates the efforts of the entire staff of the Arlington Public Schools for their service and loyalty to the schools. It is this sort of cooperation that enables our schools to fulfill their functions so well.

We extend our thanks to the Town Manager and other Town officials for their help in all school matters in which they were involved.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

FOR THE YEAR 1963

To the School Committee of Arlington

Ladies and Gentlemen:

In accordance with the provisions of the Rules and Regulations of the Arlington School Committee, the Superintendent of Schools has had prepared and submits herewith his Annual Report. No report can hope to adequately cover the activities of 8600 pupils and 550 employees, so at its best it must be eclectic. Therefore, this report contains only information about newer phases of our program or areas of greatest public interest.

The School Committee received during the year 1963 $50,760 under Public Law 874. The Committee chose to continue its practice of allocating the majority of monies to Instructional Services. Operating under this policy support was given to the following areas: Consultants for the Mathematics Program, SMSG Math Books, Data Processing Equipment and Materials, Consultants for Psychological Counseling, Mystic Valley Children's Clinic, Summer Project for (4) teachers at the Harvard-Lexington Summer School, the STEP Program for potential school drop-outs, and the deficit in the Instructional Services due to an unusually heavy drain on the teachers' Sick Leave Account. In addition, the School Committee at the request of the Finance Committee voted to return $25,000 to the Town to be expended for teacher salary adjustments for the year 1963.

OUR ELEMENTARY SCHOOLS

> "Give me a log hut, with only a simple bench, Mark Hopkins on one end and I on the other, and you may have all the buildings, apparatus and libraries without him."
>
> James Abram Garfield

The MOST significant fact regarding the whole of education resting on a bench shared by Mark Hopkins and a student is that Mark Hopkins didn't make the assertion. As an educator he knew better! When Mr. Garfield created this much-quoted aphorism, he paid a great tribute to his revered teacher but radically over-simplified the necessities of the twentieth century educational process, which needs teachers such as Hopkins, primarily, but also needs the "buildings, apparatus and libraries" which he so graciously offered to trade.

Education has come a long way from the simple one room school of Mr. Garfield's time to the multi-level buildings of today. Our society has become increasingly complex and with it education has expanded so today it is big business far removed from that simpler age. In that bygone time it was possible for every citizen to know the school through personal experience. This is no longer possible but in the belief that an informed citizenry is the best safeguard for good education, this report is an attempt to provide the information needed to understand our schools.

The first of the 3 R's - Reading - has this year received a goodly share of our attention as has always been the case. We have continued our policy of gradually equipping our classes with three basal readers rather than with one basic text. This enables us to provide more meaningful experiences suitable to the various needs of differing pupils.

In our continued striving to reach our goal -- Better Readers -- we try to keep abreast with current research for any ideas that may aid us in developing a more effective reading program. Currently, we have on our staff for the elementary schools two reading consultants who work with our teachers and their classes in order to develop better readers. It is our belief that consultants working through the regular classroom teacher achieve greater success than if the consultant operates alone as the specialist who teaches reading. Furthermore, it enables the professional skill of the trained reading teacher to reach more pupils. The classroom teachers are encouraged to train children in the art of self-direction and independence. In addition, it becomes important to utilize effectively every available moment if we are to advance each pupil to the limits of his capacity.

There is neither a perfect way nor one particular way to teach reading. However, a combination of several proven practices has given us good results. Nevertheless, we cannot be smug or satisfied with what we have lest complacency sets in; but we must manifest a willingness to try something new that is likely to result in improvement, provided we move cautiously and keep in mind our main objective.

Operating on the premise that we must explore new approaches to learning that show promise, we are pleased to participate with Boston University on such a project. For years our schools have been using many of the teaching materials provided by Drs. Durrell and Murphy of Boston University for classroom use. Currently, we are using some of their new research material entitled "Speech to Print Phonics." It is designed to aid the classroom teacher in developing a more effective phonics foundation in grade one. It differs from the traditional approach in that the every-pupil response method permits each child to respond to every task instead of following the older method of "waiting turns." In a given reading period every pupil makes as many as twenty responses while previously he was fortunate if he made more than one.

In at least two of our schools we are proceeding cautiously with the introduction of the individualized reading program mentioned in previous reports. The results are gratifying but it must be borne in mind that this type of program is dependent upon unusually capable and dedicated teachers. Persons trained in this technique are in scarce supply so the competition for them is spirited. Realizing this, we are endeavoring to train a limited number of our own teachers in the basic skills of the program. We are extremely fortunate in having on our staff a truly master teacher whose specialty is individualized reading. Capitalizing upon this individual's skill, we are gradually training others in the method. It is well to bear in mind, however, that many very capable teachers may not be tempermentally suited for this approach to the teaching of reading, so it is not likely that it will ever become a standard practice in all of our schools.

Arithmetic, the second "r" has been the main focus of attention this past year in the elementary schools. Dr. Lonie Rudd, our Arithmetic Consultant for the elementary schools from Tufts University, has been instrumental in the introduction and teaching of the School Mathematics Study Group (SMSG) Math program--materials. Separate workshops for teachers of Grades IV, V and VI have been carried on prior to the introduction of new units of work at these levels. Teachers have been preparing bulletin boards and worksheets in order to help the children better understand the work. Currently it is the practice of teachers, at the intermediate level (Grades 4, 5, 6) to teach SMSG materials three days of the week and coordinating it with the regular arithmetic program on the other two days.

Our fifth grade classes are also participating in a five year nation-wide study to determine whether or not the attitudes of children towards arithmetic improve when the SMSG program is taught, as well as to discover

what are the most effective ways of using this material. Traditionally, arithmetic has not been a popular subject, since many pupils found it difficult as well as uninteresting. It is believed that the current approach, where the structure of mathematics is stressed rather than the techniques, will prove more stimulating to students. Pupils will learn not only how to perform various functions but will also learn the why of it.

While the intermediate grade teachers (IV, V, VI) were working on the arithmetic program, the primary grade teachers (I, II, III) were engaged in the process of updating the Social Studies curriculum. A diversified program was provided, including speakers from nearby universities and from our local administrative staff. The majority of work was done in small committees under staff consultants. Teachers, under direction, were given time to examine and evaluate new social studies books of their respective grades as well as an opportunity to discuss the curriculum guides now in use.

The results from this series of in-service meetings has been pleasing. The end product of these seminars has been a collection of resource materials for each grade which has been edited, duplicated and distributed to all teachers of grades one, two and three.

Over the past five years there has been increasing attention to the teaching of science by our staff in the elementary schools. This is evidenced by the amount of science equipment purchased under Public Law 874 monies. Many of our schools now have portable science tables for demonstration purposes. These are usually kept near the sixth grade classes who use them rather extensively in their physical science studies. Equipment alone is naturally not the answer to an effective program. In our recruitment of teachers we are constantly on the look-out for those with an interest and special knowledge in the field of science. As a result, every building has at least one teacher with some special training or skill in the field who may assist with other classes in this area. It is hoped that eventually we will be able to obtain more such people for our staff, if industry does not lure them away with more lucrative salaries. In any case, we feel it would be wise to intensify the in-service training of our present staff in science.

Three of our schools have weather stations installed in their buildings. Our newest school, the Stratton, began its weather station this past year. Mr. Charles Peirce, a local resident and an employee of the United States Weather Bureau, taught the first series of classes to the sixth grades. Under our program pupil weather observers read and forecast the weather twice daily. This is recorded, and monthly, transmitted to the United States Weather Bureau. The local rain and snowfall is also recorded as a part of the Charles River flood control project. Last year during the extremely heavy autumnal rains these observations were an important part of our local emergency planning.

For the past three years we have had an elementary science consultant on our staff whose specialty is natural science. She conducts one hour-long lesson every two weeks in every fifth grade and in the Industrial Arts Junior High School. The sixth grade AT class has a lesson with her weekly, and the Special Classes once every three weeks.

This year the first month of teaching was an insect study with special emphasis on the Monarch butterfly. As part of the Harvard University banding project of banding butterflies, our classes had the rich experience of being in on a university research project. All classes saw Monarch caterpillars, chrysalis and live butterflies. Some classes saw the caterpillars make its chrysalis and many children watched the butterfly emerge from the chrysalis and expand its wings to full size. Every class saw a Monarch being banded and released to start its long journey south. Students also caught many butterflies, so in all about 225 were banded.

The sixth grade Academically Talented class sponsored an informal family star night as part of their astronomy study. Approximately seventy parents, brothers, sisters and students turned out on a Friday night to view the heavenly bodies. Through the use of a 90 power telescope they were able to view Jupiter and its moons and Saturn with its rings. Some teachers, parents and students also attended the open night at the Harvard Observatory.

Every elementary school was provided with a special science kit this year. Each kit provides all the necessary materials and apparatus needed for science demonstrations, Grade I through Grade VI. A complete manual is provided for each kit which is written in non-technical terms readily understood by the regular classroom teacher. This enables the teacher to carry on a number of essential experiments without special assistance.

Our art program in the elementary schools is continuing to grow in scope and depth. However, our expanding school population is over-taxing our special art teacher to the extent that we must request an assistant for her.

Team Teaching is a modern concept of education that has received its fair share of attention by our staff. Currently, at least four schools are attempting to implement some facets of it in their programs. For the past two summers we have had members of our staff studying this method of teaching at the Harvard-Lexington Summer School under funds made available by Public Law 874. Briefly, this program stresses cooperative planning, teaching and evaluation of the results by a group of teachers. Our buildings do not permit the degree of flexibility needed for full-scale utilization of this concept nor do we feel that it is entirely acceptable for our system, but we are confident that increased teacher cooperation in planning is resulting in better educative experiences for our pupils. We, therefore, hope to continue to adapt various new techniques of this program to suit our needs. This may include a series of teacher workshops during the summer.

Through the cooperation of several P.T.A.'s, a series of informal discussion groups for parents have been set up. These include parents of youngsters in special classes, parents of youngsters in the primary grades, and the parents of youngsters in the intermediate grades. Discussions are led by a staff member of the Psychological Counseling Department. They have been examining the growth and developmental patterns of children and how these relate to the whole learning process. This is a service that the School Department is delighted to provide and strongly endorses. It is felt that we can promote an even better type of education for our youngsters as the parents and the school work more and more cooperatively. The more we all understand about the educative process the easier it becomes to implement desirable changes.

OUR JUNIOR HIGH SCHOOLS

Perhaps the least understood and therefore, the most maligned segment of American Education is the Junior High School. Its very name Junior High School indicates somewhat the complexity of its true identity. The Administration has become increasingly concerned over the lack of a role definition for the junior high school nation-wide, so accordingly, they are instituting a rather comprehensive look at our own two schools. So far, this has consisted of a day long discussion between the principals and the administration with a university professor whose speciality is the junior high school. This much is certain. We are giving in our junior high schools as good and in most cases better preparation to our youngsters than the national average. Is this good enough? We think not, for we feel the potential and the "know-how" is locally available to make a real contribution to the field.

Country-wide there is an extreme shortage of teachers specifically trained to teach and to understand the eleven to fourteen year old youngsters. The vast majority of teachers tend to be trained as senior high school teachers with the result being a greater stress on subject matter mastery than some educators feel desirable.

The Junior High School West has been using a method of teaching for some years now that tends to prevent the over-stressing of subject-matter. Where possible, the same teacher teaches the same youngsters in both English and Social Studies. This has merit, in our opinion, because this permits the teacher to know his pupils better and consequently, provides more adequately for individual needs and abilities. A further concommitant is that the seventh grade youngster coming from the self-contained classroom of the elementary school (where one teacher teaches most subjects) is not coldly thrust into the usual departmentalized setup. It is our feeling that this smoother transition ultimately resolves itself in a better adapted pupil, who in turn is more likely to perform at his optimum capacity. Admittedly, it is difficult to obtain teachers who are sufficiently trained in two subject fields. It is our thought at the present time, without research aid, that part of the answers to the shortage of qualified teachers may lay in the use of certain intermediate grade teachers, with liberal arts backgrounds, in the junior high school. This seems feasible, for though there is a shortage of good teachers at every level, there is less of a shortage in the intermediate grades. At any rate, the administration with the whole-hearted support of our very capable junior high school principals, intends to spend much time studying the function of the junior high school and how we can improve it.

Perhaps the strongest area in our junior high school curriculum is mathematics. This has not just happened but is the deliberate result of a policy of up-grading through the introduction of SMSG Mathematics. Our teachers have been thoroughly trained in the subject by a series of in-service workshops over the past three years. This new approach to teaching mathematics with its emphasis on teaching pupils to think has proven to be a way to provide more participation, motivation, and interest for teachers and pupils alike.

One year ago a Developmental Reading teacher was placed at each of our junior high schools. This was in keeping with the nation-wide trend to provide reading instruction at all levels of education from the primary grades through college level. Developmental reading is not for poor readers, primarily, but is designed to help readers at all levels to improve their comprehension, speed and accuracy. The success of this program has exceeded our expectations. The reading specialists have of their own volition begun working with teachers in the various subject matter fields. For example, in working with the science teachers, ways of teaching better pupil understanding of what they are reading have been explored. Our experiences lead us to believe that there is not one way to read but many ways of reading. There is reading for content, there is reading for mastery, and there is reading for pleasure alone to mention but three ways. The pupils, however, need to be taught how to use the best method for each subject. This in essence is what a good developmental reading program can do. Each pupil is encouraged to develop his reading skills to the utmost of his potential.

In the field of science in one of our junior high schools progress is being made toward a modified team teaching approach. Efforts are under way to install equipment to enable pupils in Grade 8 to have laboratory experience in small groups. In addition, a branch in the school libraries is being set aside for a science library which should foster better study habits and encourage research by pupils. Already our science teachers are exchanging classes to share teacher backgrounds and abilities, lesson plans,

worksheets and equipment. Needless to say, the inflexibility of our buildings as well as a certain amount of understandable reticence by our traditionally trained teachers, makes this step even more significant.

The field of physical education is one in which our junior high schools have made great strides forward. It is functioning in complete agreement with the late President Kennedy's ideas of vigorous activity to develop each individual to his fullest capacity. In fact, two of our teachers at the Junior High School West received presidential citations for their work in this direction. The motivating factor in our program is the scheduling of classes by physical ability, through the results of a physical fitness test, and not by just grade in school. Each pupil strives to improve himself in order that he can pass his fitness tests and be re-classified to a higher ability group. This system has been in operation for four years and the results are good. The standards for these tests have been revised upwards several times as the over-all development of a large segment of the classes has continued to improve. A special teacher is provided for those youngsters who need remedial exercise in order to improve their physical tone. All youngsters receive periodic physicals to ascertain their fitness for participation in the program.

The amount of pupil interest and voluntary participation in physical education is most pleasing. It seems altogether possible that physical education may prove to be the medium by which our academic disciplines will be better understood by parents and faculty alike. No one would consider, for one moment, to match a 90 lb. seventh grader vs. a 150 lb. seventh grader in a weight lifting contest. Yet many persons fail to see the inequity involved in equating the academic results of a youngster with an IQ of 95 with another youngster in the same class with an IQ of 130. Perhaps the time has come when we are really ready to accept the fact that there are individual differences in mental ability as well as physical ability.

Our Junior High School of Industrial Arts is a unique institution. Its primary function is to work with youngsters who are performing below grade level, for any of a number of reasons, and raise this level of performance to that height at which the pupil can perform optimumly for him. Many people are unaware of the opportunities this school affords. Consequently, the school and its program has to speak for itself. Therefore, we strongly urge parents, teachers and all others who are interested in the proper placement of pupils to visit the school and become acquainted with its purposes.

In an effort to bring a closer relationship between our two junior high schools, the policy of joint mid-term and final examinations in all major subjects has been instituted. This gives pupils needed experience in taking longer examinations as well as providing needed parallelism between schools.

During the past year the Administration has sensed a greater seriousness on the part of junior high pupils in their approach to school tasks. This is evident in a marked decline in pupil disciplinary problems and in the decrease in pupil failure marks. The staff in both junior high schools are undoubtedly responsible for helping to bring about this change.

OUR SENIOR HIGH SCHOOL

The Senior High School opened its doors in September to a total of 2589 students. At the present time, the first of November, the enrollment is 2567. The high school closed June 20, 1963 with an enrollment of 2332. Therefore, at the present time, we are handling 235 more students than we were last June without any increase in physical facilities. This increase has been successfully absorbed by the general expansion of class sizes. Unfortunately,

this expansion has caused the necessity of classes in excess of good standards in several of the academic disciplines namely English, Mathematics and Science.

The high school addition was begun in October and good progress has been made on it. Prudence decrees however, that the public be made aware that it is extremely unlikely that it will be ready for occupancy much before February or March 1965. This means that some sort of double session is inevitable beginning in September, 1964 until the addition is complete.

In the area of curriculum at the senior high school several additions and changes took place this past year which should continue to strengthen our program. In the Science Department an Earth Science Course has been added to the offerings. This course will eventually replace the ninth grade General Science Course for many pupils. It is a study of the earth and its relation to the rest of the universe. With the addition of this course our high school students, who are science oriented, can take it for four years beginning with Earth Science the freshman year, Biology the sophomore year, Chemistry, the junior year, and Physics, the senior year. This progression of courses should leave our youngsters extremely well equipped to cope with college science courses and careers.

The Mathematics Department has gone all out to encompass the SMSG (School Mathematics Study Group) program supplementing it with some work from the traditional. This is being done particularly in Algebra I, Plane Geometry, Solid Geometry, Intermediate Algebra and Trigonometry. To finish out a full course in the Intermediate Algebra it is proposed to introduce Elementary Functions in the later portion of the school year. In addition, a new course in Elementary Calculus has been introduced in the senior year for advanced pupils.

The Social Studies Department was instrumental in setting up a course on the "Modern Geography of Latin America, Africa and Asia" for teachers last year. This year they are sponsoring another course for teachers entitled "Economic Education." It is felt that these courses enable our staff to keep abreast of changes at a minimal cost to them in time and money. It is naturally assumed that teachers who participate in these in-service courses will bring greater interest and knowledge to their pupils who are our "raison d'etre." This year, the Social Studies Department on the junior high and senior high level is taking a critical and constructive look at its curriculum. They are meeting monthly with a consultant, Dr. David Purpel of the Harvard Graduate School of Education. The teachers are examining and anlayzing the curriculum, particularly in the area relating to realistic citizenship--its goals and practices.

The shop program in the high school is an area that is gradually coming into its own after years of relative obscurity. Perhaps the times are more propitious for the Industrial Arts are a phase of general education which serves to familiarize students with the tools, products, processes and occupations of industry in the technological world in which they live and work. Courses include mechanical drawing, ceramics, silk screening, graphic arts, general shop and printing. Such a diversity of course offerings enables this department to serve an increasing number of pupils and their needs. When the high school addition is completed it is hoped that a General Metals Shop can be constructed in the old high school. If this is possible, we shall be able to provide an Industrial Arts program second to none.

The Home Economics Department has increased its course offerings so it now serves approximately 960 girls, nearly 50% of the entire student body. That this growth has been particularly swift among college preparatory girls is most significant. It might seem to indicate that despite increased emphasis and success in academic fields, our young women are keenly aware of their responsibilities as future homemakers.

The Music Department has been continually striving to grow and to enrich its total curriculum. However, the most apparent advances have been made in the instrumental program. In the fall of 1960 the Music Department predicted as a desirable goal, "a selected 60 piece marching band for the fall of 1964." The expenditure of funds for new instruments and added faculty strength has contributed greatly toward seeing that goal nearly reached. This fall we have a 55 piece marching band, 20 Samettes (the recently created drill team), and 12 majorettes. In total we now have close to 90 students participating in the football half-time shows.

The band, as a concert group, entered the 1963 New England District Music Festival. Though they won no awards they were complimented on their performance by the judges. This is the first time an Arlington instrumental group has participated in such an activity in many years. In regard to individual honors received during the past year, two Arlington instrumentalists have been selected to perform in the Boston Youth Symphony and five high school band and orchestra students have won "chairs" in the New England District Divisional Concert Band and Orchestra.

In the last few annual reports the Administration has voiced concern about our dropout rate and the general curriculum youngsters. Although our dropout rate is low (5%) compared to a national rate of 30%, it still has been of concern to us. This fall something concrete is being done about the problem by developing a special program called STEP. The STEP (Student to Employment Program), as it is popularly known, is an experimental program which attempts to provide a limited number of boys who are potential dropouts and who are in the general curriculum with a specific marketable skill upon graduation from high school. They will be trained to hold positions as assistants to skilled mechanics or as service station attendants.

The key to this program is the emphasis on individualized instruction inherent in it. Each boy accepted in the program has undergone a battery of achievement and diagnostic tests to determine his academic needs and his potential. The boys are receiving instruction in three broad subject fields--English, Social Studies, and Mathematics with the same teacher. Each boy is following an academic program tailored to fit his specific needs. All of the boys are also spending over two hours daily in the Auto Shop. Here they are learning the skills necessary to do light automobile repair and effectively operate a service station. It is much too soon to comment on the success or failure of this program.

The School Committee, in cooperation with the Maintenance Department, has been engaged in a long range renovation program whereby the old high school building (Building A-1914) will be modernized in many respects. This plan has included: tiling the old floors, installing acoustical tile on the ceilings, installing modern fluorescent lighting, painting the woodwork, and equipping all classrooms with modern movable furniture. If all goes according to plans all Building A classrooms will be renovated by the end of the summer 1964. One must hasten to add that the remodeling of the toilets and the changes necessary in the heating system have not been included in the 1964 School Budget. It is sincerely hoped, and urgently requested, that the Town Meeting Members will see fit to authorize this work at the March 1964 Town Meeting.

One must not assume that when Building A has been completely renovated that all of our problems have been resolved. Unfortunately, Building B (1931) will need some reconditioning done to it. This is less urgent, but nevertheless it cannot be ignored for long.

ARLINGTON TECHNICAL AND VOCATIONAL HIGH SCHOOL

The reorganization plan adopted by the School Committee, and placed in operation in September 1961, is beginning to show favorable results. Students graduating last June were better equipped to gain employment of a type requiring a high degree of skill and technical knowledge. Several graduates were able to meet the entrance requirements for institutions of higher learning which previously had not been the case. Interest in technical and vocational education is on the increase as evidenced by the fact that over 125 pupils applied for admission in September 1963 to fill 46 openings in the freshman class.

Although the full impact of reorganization will not be felt until June 1965, students during this interim period will have the benefit of an enriched program of instruction, better and more abundant equipment, and improved training facilities. Graduates of the future will possess the skills so necessary to insure steady employment, good salaries, and also a suitable background to continue their education, if they so desire.

Two new projects made their initial appearance this year under the Manpower Development and Training Act. A 900 hour course in General Machine Operation, using the Machine Shop and related classroom, became effective in May and will terminate in December 1963. A 600 hour Clerk-Typist Course using classrooms in the business department began in October and will terminate in late February 1964. These courses operate after the regular school day for the purpose of retraining unemployed persons who have lost their jobs through automation. The Federal Government completely finances the program and in addition new equipment obtained from this source amounting to $15,000 is available for our regular day school use as well.

Arlington's first venture in post-secondary education took place in October 1963 under the name of Arlington Technical Institute. A course in Electronic Data Processing, including IBM training, was offered to high school graduates with 20 students enrolling. This program is being financed under Federal Funds from Title VIII of the National Defense Education Act.

The future of vocational and technical education looks most promising. Under the constant threat of automation and chronic unemployment the role of the Federal Government is bound to increase. Presently, increased Federal allocations are being considered by the Congress. The Perkins Bill, also in a stage of enactment, promises greater State aid for equipment, salaries, and possible building funds. At the present time, the fact that Arlington students have the opportunity to be trained or retrained in a marketable skill should be most gratifying to all of us.

ADULT EDUCATION

The School Committee, at its June Meeting 1963, voted to have the Adult Education Program run by two Co-Directors. This decision has proven to be an advantageous one for greater teacher supervision with continuous coverage is now possible. As a result, administrative problems have been kept to a minimum.

A new type of brochure introduced this year seems to offer many advantages over previous booklets. It was possible in this brochure to include such necessary information as course dates, classroom numbers, teachers' names, and general procedures. As all of this information was available in early August, the numerous telephone inquiries which used to overload the switchboard were cut in half. The brochure also expedited the registration process so that a large number of the usual problems were eliminated.

Over 1,000 students of all adult age levels are enrolled in 58 classes. The majority of classes are now held at the senior high school Monday through Thursday from 7:00 P.M. to 10:00 P.M. Following the suggestions of the School Committee, courses have been added in SMSG Math for parents (Elementary and Secondary levels), Art--drawing and painting, Great Books and Shorthand. The most popular new course is Art which has such a turnout it was necessary to schedule four classes on four separate nights. Surely, such an enthusiastic response to Adult Education indicates that an informed public is an interested one.

PUPIL PERSONNEL SERVICES

The Department of Psychological Counseling is continuing to have as its main goal the achievement of changes in attitudes and behavior of children who either present learning and behavior problems or who are too fearful to participate in the academic or social life of the school. Some members of the staff have led parent-discussion and teacher-discussion groups to better understand these youngsters. Other staff members have led small groups of children in therapeutic play-and-discussion-groups to help these youngsters with their peer relationships.

The department is now cooperating with three universities in the field work training of graduate students. Four graduate students from the Simmons School of Social Work with their own supervisor, one doctoral student in school psychology from Boston University, and another from Harvard University, who are supervised by the senior psychologist, have been participating in the regular work of the department. Thus, they augment our regular staff of two full-time psychologists, two social workers, and a psychiatric consultant. Despite this impressive staff it is regrettable that we do not have the additional psychologists and social workers needed if we are to serve every child in need of psychological help.

The high school Guidance Department this year completed its twentieth year of follow-up studies. This year the Arlington High School sent 69.2% on for further education, the largest proportion it has ever had. This, in spite of the present tight admission policies at the nation's colleges, is a dramatic increase over the 47.9% which attended college ten years ago and the 32.4% which attended 20 years ago. It is gratifying to observe that the intensive counseling program, the testing program, the academic preparation, and the development of the academically talented student program is proving its value.

In addition to full-time education, 15.3% of the total employed are taking part-time education, making a total number of graduates of the Class of 1963 taking full or part-time education 73% of the total class of 400.

A large percentage of the class is attending colleges in the Greater Boston area, with 26 at Northeastern, 9 at Tufts, 6 at Brown University, and 6 at Boston State. The rapidly growing University of Massachusetts has jumped to second place in popularity with 10 members of the class there. Other well known colleges which have enrolled members of the Class of 1963 are: Amherst, Annapolis, Bates, Bowdoin, Brandeis, Colby, Duke, Harvard, Holy Cross, Notre Dame, Simmons, etc. Perhaps the most interesting disclosure of this year's study is that eight colleges of the famous "nine sisters" have members of the Arlington senior girls enrolled as freshmen: Bryn Mawr, Connecticut College for Women, Mt. Holyoke, Radcliffe, Smith, Vassar, Wellesley and Wheaton (Massachusetts).

Thirty-two girls are enrolled in business schools at such representative institutions as Acquinas, Burdett, Cambridge School of Business, Chandler, Katherine Gibbs and Wyndham.

Twenty-one girls are in junior colleges and six are attending nursing schools. There has been a substantial drop in nursing schools from previous years but many of the girls are enrolled in nursing programs in four year colleges rather than a three year nursing school program. Although this desire for a collegiate program in nursing is commendable, we are concerned that so many girls who, during earlier years, were interested in nursing change to other fields as they progress through the high school.

Thirty-three graduates are following a two or three year program in technical or miscellaneous schools. It is revealing in analyzing this placement to observe the varied fields in which these students are studying.

As in the past, we have made a concerted effort to interest our young people in the field of teaching and, as a result, 48 members of the class are attending state colleges or university colleges of education to prepare for this profession. Unfortunately, as we have noted in past reports, many of our better students are not entering the teaching field.

The Arlington High School Class of 1963 was awarded three full scholarships by the National Merit Scholarship Corporation out of eight semi-finalists. The class surpassed all previous scholarship grants with a total of $38,700. The amounts of the National Merit Scholarships were not disclosed so that the total amount would have been larger than what has been stated. A total of $20,250 in scholarship aid was renewable for each of the four years of college. Scholarships were received from our leading colleges--Antioch, Amherst, Bates, Boston College, Boston University, Brown, M.I.T., Northeastern, Rensselaer, Smith, Tufts, etc. Substantial aid was received from the Massachusetts Vocational Rehabilitation Agency for members of the class who had physical disabilities.

Again this year, the job placement bureau within the high school Guidance Department has been most active. Among the June 1963 graduates, 58 girls out of 64 employed were placed in full-time work by the department. 518 students were placed in part-time employment. Each year a study of the students in the high school who are working part-time is made. As of January, 1962, 464 were employed in part-time jobs and were working an average of 11.6 hours per week with an aggregate earning of $8,626.14 a week.

A LOOK TO THE FUTURE

Good education does not just happen; it is the result of years of hard work by a dedicated staff and effective support by an understanding community. A high level of education is not easily gained but it can be lost easily unless every effort is expended to keep improving it. Therefore, it behooves us to take a good look at what the future has in store if we wish to maintain Arlington's tradition of good schools.

This year for the first time regular school busses are in use transporting pupils from one school to another. By tradition, our schools are neighborhood schools so located that youngsters can easily reach them on foot from their homes. Phenomenal growth in the Stratton School district (the Stratton district is barely two years old) has necessitated that two fifth grade classes be transported to the Bishop School where there were empty classrooms. When the Stratton School opened in early 1962 there were three empty classrooms, but two years later there was an excess of two classes. This area of the Town has had a building boom which is now slackening off due to the lack of available building lots. Nevertheless, it appears as if we can still expect substantial growth in this district as the average family size is large and the parents, for the most part, are young. It therefore appears, at this time, that bussing may be only a temporary solution to our overcrowded problem at the Stratton School. If the population

increases the most obvious answer might be an addition to the building as it was constructed with this thought in mind. If the population decreases, the Stratton School as presently constructed could house the pupil population. However, in long range planning one must take all known factors into consideration before a decision is reached. It is therefore necessary to examine the situation in other areas of the Town.

The Peirce and the Locke Schools are two of our older buildings. They are located in areas which, until recently, had little population growth. Within the past two years their school population have shown gradual but consistent growth. The Locke School, by reason of its large classrooms, can accomodate some further growth. The Peirce School, on the other hand, is operating at full capacity now and can absorb additional students only by increasing class sizes beyond satisfactory standards.

The Dallin School is a relatively new school which was built specifically so that an addition might be easily added. At present, this school is not crowded but it does not have any unused classrooms. The Dallin School is located in an area of possible potential population increase. Within this school district lies the largest number of building lots left in the Town. The relocation of Route 2 has tended to slow down building activity in this section. Assuming that the Route 2 problem will someday be ironed out, it is not unreasonable to assume that the population will grow, and therefore, might necessitate an addition to the Dallin School.

When the Stratton School opened it took many students from the Bishop, the Cutter and the Peirce Schools. The Dallin School drew the majority of its pupils from the Locke and the Brackett Schools. All of these schools are now having gradual pupil increases despite the number they lost to the Stratton and the Dallin Schools. Therefore, it appears likely that if any solution to overcrowding is to be found, it will be found in either an addition to the Dallin or the Stratton Schools or smaller additions to both, plus redistricting. Bussing pupils will not offer any long-range solution as the number of empty classrooms in the Town is limited and they are scattered among several schools in the east end of the Town. It may well be that additional bussing of pupils will be necessary until more classrooms become available.

The problem of overcrowding at the high school has already been discussed earlier in this report. The high school problem will be particularly acute from September, 1964 until the addition is completed sometime that school year. The present set of buildings simply will not hold all of the youngsters at one time next fall. Therefore, some type of double session must be worked out in order to accomodate the student body.

In the field of curriculum revision significant beginnings have been made in several fields that must be finished within the next several years. At least two new areas must be explored within the next year. The high school must be prepared to offer Advanced Placement Courses in the basic disciplines. It is suggested that the field of Mathematics and the Classics take our initial steps in this direction. Reliable information, from the officials of the College Entrance Examination Boards, indicate that very soon we must plan on Advanced Placement Courses in English, Social Studies, Mathematics, Foreign Languages and Science. The second area of curricular change should commence next fall with additional classes in the STEP Program and possibly a STEP Program for girls provided our experiment in this area is successful this year. The time is here when every pupil must have a high school diploma and for the pupil who is not going on to further education this diploma must be evidence of a marketable skill.

Any change in curriculum naturally has an effect on the faculty. In order to prepare our present staff to effectively teach Advanced Placement

Courses we must institute a vigorous in-service training program. Some of this, as has been done in the past, can be accomplished after school during the regular school year. However, it is more likely and certainly preferable that this training take place during the summer when the demands on the teacher's time is at a minimum. This suggestion assumes that teachers will be paid for this professional work as is the custom in other professions and industry.

Teachers for the STEP Program are in scarce supply. As teachers they are generalists in regard to the subject matter disciplines, but they are specialists in understanding the problems of youth. We must, therefore, exert every effort to recruit capable people in this field.

In general, our faculty is a mature one. This speaks well for us and our children for it indicates some degree of stability. Unfortunately, within the next few years, we will lose many of our good teachers through retirement. We wish to replace them with equally good teachers. Furthermore, a balance between inexperienced and experienced teachers must be maintained. This will not be easy as the competition for good teachers is becoming increasingly great. It therefore behooves us to remember that good education is not cheap; our school budgets will continue to climb for the foreseeable future. However, cheap education is expensive because it is expensive in wasted human lives.

CONCLUSION

May I take this opportunity to publicly express my thanks to the School Committee for the privilege and pleasure of working with such a dedicated group of individuals. It is gratifying to be able to work with a School Committee who is imbued with but a single purpose--to make our schools "Better." As an Administrator it is most satisfying to work with a Committee that concerns itself with policy decisions alone and permits me, without interference, to administer the schools within their rules and regulations.

No man could effectively run an undertaking as large and as complex as the Arlington Public Schools successfully without the whole-hearted support of many individuals. I am deeply grateful to the Assistant Superintendent of Schools for his effective support in areas too numerous to mention and for taking the responsibility of preparing this report so ably. To the professional staff I express my appreciation for their dedicated service, to the clerical staff and to the custodial staff I wish to express my thanks for their splendid efforts.

We of the school staff are most appreciative of the gracious assistance afforded us whenever we have called upon the Town Manager, the Superintendent of Public Works, the Fire Chief, the Chief of Police, the Supervisor of Maintenance, and the Supervisor of Custodians.

To all concerned, I extend my appreciation and gratitude.

Respectfully submitted,

Bert A. Roens
Superintendent of Schools

Report of the Planning Board

January 4, 1964

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 90 and Section 71 of Chapter 41 of the General Laws, the Planning Board submits its report for the year ending December 31, 1963.

There was no change in the membership of the Board during the year. David A. Leone and Richard L. Mullin were reappointed for three-year terms which will expire in 1966. The Board held a reorganization meeting on August 14, electing George M. Herlihy chairman and Murdena A. Campbell secretary.

In January copies of the Summary Report of the Comprehensive Plan for Arlington prepared for the Board by the Planning Services Group of Cambridge were distributed to town officials, members of town boards, and all Town Meeting members. Copies are available in the Robbins Library and are on sale for a nominal fee in the Town Clerk's office. This Plan, authorized by the 1960 Town Meeting and financed in part through an urban planning assistance grant from the U.S. Housing and Home Finance Agency, is intended as a general guide for the continuing development and improvement of the Town. It summarizes the findings of studies made over a two-year period. Within the framework of this Plan the Board has adopted a series of closely interrelated policies and proposals dealing with land use, traffic circulation, and community facilities. While some of the specific recommendations may be modified during the continual review and updating of the Plan by the Board, the general objectives will undoubtedly remain constant. It is hoped that the Comprehensive Plan will become increasingly useful to town officials and citizens in making decisions that will determine the future of Arlington.

Two additional planning projects were undertaken by the Board in 1963 with two-thirds of the cost being financed by urban planning assistance grants totaling $9,330 from the U.S. Housing and Home Finance Agency. The Board again engaged the Planning Services Group of Cambridge as consultants to prepare these programs.

The first of these, a Capital Improvements Program for Arlington, was completed in August and copies were distributed to town officials and town boards. Copies are available to the public at the Robbins Library. The Program presents a series of integrated budgets prepared with the assistance of town officials and department heads and is designed to establish priorities, realistic timing, and methods of financing selected recommendations of the Comprehensive Plan over a six-year period. The Board believes that the value of developing and publishing such a program each year lies in its usefulness to those people who are responsible for the choice and timing of future capital improvements: the Town Manger, Board of Selectmen, Finance Committee, town boards, Town Meeting members, and the public at large. The need to submit requests for money on an orderly schedule over a six-year period can also provide a stimulus to the various departments to organize their spending according to their internal needs and protect legitimate projects against temporary political interference. Furthermore, recurring budgeting permits continuity of decision making by the constantly changing membership of elected or appointed town officials, boards, and

Town Meeting members. Such a program should help to stabilize the Arlington tax rate and smooth out its inevitable rise, avoid waste, and foster public support of necessary projects.

The second planning program is a detailed development plan for an 82-acre of Arlington Center. In preparing the Comprehensive Plan it became obvious that in the Center relationships of land use, traffic, and regional economic pressures were so complex that more detailed analysis was needed. The study was completed in December and the report will be distributed early in 1964. It will identify and analyze the specific problems of Arlington Center and set up objectives for the Town to pursue in realizing the area's full potential. Problems studied include maldistribution of parking, mixed land use, geographic factors such as difficult topography and the railroad grade crossing, and the general undistinguished appearance of the Center. In spite of these problems, an excellent potential market exists in Arlington's 50,000 residents and the Board believes that for the good of the Town, more of this market demand should be served locally. Improvement of Arlington Center as a town-serving shopping area through new construction can have beneficial direct effects on the local tax base. Retail trade improvements are also important in maintaining the desirability of most residential properties in Arlington, especially since these properties represent approximately 80 per cent of the town tax base itself.

To protect the Town's investment in the above planning programs and to assist in carrying out the recommendations they contain, the Board recommended to the 1963 Town Meeting that a full-time professional planner be appointed. This recommendation was approved and on September 1 Harry J. Miller was appointed to this position. Mr. Miller holds the degree of Master of City Planning from the Harvard Graduate School of Design and has had several years of planning experience in New Jersey and Pennsylvania.

The Board is presently at work on Warrant articles for the 1964 Town Meeting to implement certain proposals of the Comprehensive Plan. These include regulations for a new zoning district for three-story, walk-up apartments in areas where elevator apartments are not welcome. These will include recommendations for tight controls of density, parking, landscaping and recreation areas, buffer strips and screening to insure that such new construction would be acceptable and beneficial to the neighborhood.

More effective controls for signs, billboards, and similar advertising structures are presently under study by the Board. At the present time signs are controlled in Arlington by several unintegrated sets of regulations. It is hoped that with the cooperation of other boards a separate by-law for the regulation of signs can be submitted to the 1964 Town Meeting in order that increased protection may be afforded the public from structural and traffic hazards and that signs may be prohibited in locations where their presence would adversely affect property values.

During the year the Board held eighteen meetings and participated in joint meetings with the Board of Selectmen and the Arlington Housing Authority. Nine public hearings were held for revisions in the Zoning By-Law and changes in the Zoning Map. The Board's recommendations regarding these changes were upheld by the Town Meeting with one exception.

In May members of the Board attended the annual spring meeting of the Massachusetts Federation of Planning Boards held in Cambridge.

The Board met in June with Donald M. Graham, director of the Greater Boston Regional Planning Project, members of his staff, and members of the Board of Selectmen to be briefed on the preliminary comprehensive plan and development program for the Greater Boston Region being carried out

by the Project with the assistance of federal funds over a three-year period. Such a plan will be a prerequisite for federal aid to highways and mass transportation and the importance of local participation was stressed at this meeting.

The Board wishes to express its appreciation for the willing assistance and advice which has been given to us and to our consultants in the preparation of the above planning programs by the Town Manager and other town officials, town boards, and department heads.

Respectfully submitted,

George M. Herlihy, Chairman
Murdena A. Campbell, Secretary
John A. Cataldo
David A. Leone
Richard Leo Mullin

Report of the Public Welfare Department

January 24, 1964

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I have the honor of submitting the report of the Medical Inspector of the Department of Public Welfare for the year ending December 31, 1963.

	House Calls	Office Calls	Total
Old Age Assistance	124	93	217
Medical Assistance to the Aged	174	16	210
Aid to Dependent Children	7	40	47
Disability Assistance	9	17	26
General Relief	12	25	37
Veterans Services	5	28	33

In addition, several conferences were held with the Town Manager in regard to Welfare business.

Respectfully submitted,

Edward W. Feeley, M.D.
Medical Inspector
Department of Public Welfare

January 15, 1964

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Re: Report of the Public Welfare Department

Dear Mr. Monahan:

Herewith is the annual report for the Department of Public Assistance for the year ending December 31, 1963.

Monthly Case Load

Month	O.A.A.	M.A.A.	A.D.C.	D.A.	G.R.
January	305	160	43	39	9
February	301	164	41	36	9

CUBAN REFUGEE PROGRAM

This program is paid for entirely by the Federal Government although it is administered by the local agency. This past year we aided two families. Total expenditures were $558.94 and all of this has been reimbursed to the town.

REPEAL OF SETTLEMENT

Effective January 1, 1964. Settlement in O.A.A. and G.R. is abolished. Henceforth there will be no chargeback between communities. A community will aid all residents in need and will be reimbursed by the State 20% on all expenditures for persons without residence in the Commonwealth. In O.A.A. the State share has been increased to 70% of the balance after Federal share. This change will eliminate a great deal of paper work and seemingly nugatory activities.

NEW EQUIPMENT

Through the courtesy of the Town Manager and co-operation of the Purchasing Department, we were fortunate to be able to up-date much of the office equipment. These purchases were paid out of Federal Administrative grants in the usual proportionate part of the total costs with the remainder being paid out of Town funds representing accummulated and undistributed Federal Administrative grants in prior years. Total amount spent for equipment this past year $9,644.91. Of this amount $239.00 came from capital outlay.

Equipment purchases included:

6 Typewriters	2 File
3 Cars	4 Stenorettes
15 Chairs	1 Comptometer

Much remains to be done in replacing obsolete equipment and it is my belief we can do this more advantageously by following the same purchase procedures used in the current year. Hopefully in the coming year, renovations and alterations to our quarters will be possible in accordance with the plan submitted with the annual budget.

WELFARE ADMINISTRATION

Total Expenditures		$ 99,822.47
Personal Services	$ 92,635.41	
Expenses	7,187.06	
	$ 99,822.47	
Less Federal	$ 49,911.24	
Less State	24,955.62	
		74,866.85
Net Cost to the Town		$ 24,955.62

*Actual direct expenditures from appropriations will substantially exceed the "Net Costs to Town" as herein stated, the reason being that all reimbursements other than Federal Grants are credited to the Town's General Fund and may not be used for expenditures.

This first year as Director of the Arlington Public Assistance, like all periods of transition, has been a time of stress and change. To the Board of Public Welfare, members of the staff and to the town officials who were helpful to the department, we are most appreciative.

Very truly yours,

John F. M. Keane, Director
Department of Public Assistance

Annual Report of the Department of Youth Services

January 2, 1964

Mr. Edward C. Monahan
Town Manager
Arlington 74, Mass.

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 40 of the General Laws, I am, herewith, submitting the Annual Report of the Department of Youth Services for the year ending December 31, 1963.

Two (2) new appointments were made to the Board of Directors of Youth Services this year: Mr. Kevin P. Feeley, appointed on October 7, 1963 (term expires May 2, 1965) to fill the vacancy created by the resignation of Mr. Daniel J. Buckley on November 28, 1962; and Mr. George P. Faulkner, appointed on October 7, 1963 (term expires May 2, 1965) to fill the vacancy created by the resignation of Mrs. Kenneth C. Spengler on October 7, 1963. Both Miss Rebecca Glasmann and Mr. Anthony J. DiNatale were reappointed to the Board on August 28, 1963 for a term of three (3) years each.

At the September 12, 1963 meeting of the Board of Directors, Mr. Anthony J. DiNatale was elected Chairman to replace Dr. Lawrence H. Anderson. The Board met fifteen (15) times during 1963.

The Department continues to maintain one (1) office on the third floor of Robbins House. The services of Mrs. Tina G. Howell as Director were made possible by a $10,000. grant from United Community Services of Boston for this year of 1963. An additional grant of $5,000. has been received from United Community Services for Mrs. Howell's services as Director through June 30, 1964. The Board of Directors is presently negotiating with the Permanent Charities Fund of Boston for an additional grant. The exploration of grant funds from other sources has been pursued by the Board and the Director. In all these instances, the granting agencies contacted felt that a special demonstration project was premature at this time and indicated that the programs initiated by this Department were basic services that should be provided before special projects are considered.

With the passage of Article 67 of the Warrant for the 1963 Town Meeting, the sum of $10,000. was appropriated for the Department. This amount, plus the balance of $2,452.20 from our 1962 appropriation enabled us to meet our operating expenses, to utilize the services of a part-time civil service clerk-stenographer, and to advertise for and hire a social worker. Mr. Arthur E. Johnson, joined the staff on October 22, 1963. The selection of Mr. Johnson as social worker for the Department was made after twenty-six (26) applicants for the position were interviewed and screened. Although this appointment took longer than anticipated, the Board of Directors felt that it could not make any compromises in the qualifications set forth for this position. In selecting Mr. Johnson, the Board feels that it has hired a man more than adequately meeting the requirements, and one, who in this brief period of employment, has already demonstrated his ability.

During this year of 1963, the services set forth in the policy statement for the Department have been put into operation. The Central Registration and Clearance File, set up in April 1963, contains the names of 312 Arlington

children registered by other Arlington agencies (Schools, Police, Court, Social Agencies and Recreation Centers) as children manifesting behavioral problems in the community.

Case conferences have already been held on ten (10) youngsters known to several Arlington agencies as problem cases. In each case, staff members of the agencies concerned have been invited to meet together to discuss, not only the problems presented, but to jointly agree on the most appropriate plan of treatment. These conferences have facilitated the sharing of information and have defined the role each agency should play in the treatment plan, thereby eliminating the overlapping of services and the concentration of these services on a relatively small group of children. These conferences will be an ongoing service offered by the Department.

The Central Referral Unit, set up in the Department, have received telephone and personal requests for special services for children from local residents, members of the clergy, and from other agency personnel. Wherever possible, these requests have been referred to Arlington agencies who are prepared to offer the requested services, and in other instances, agencies, hospitals, etc. in Boston have been used as resources.

The most significant and important function of this Department is the direct casework service offered to problem presenting children and their families. In the relatively short period of three (3) months (October to December 1963), a total of 36 children have been referred to us for help. These referrals were made by the schools, police, probation department, clergymen and parents. In all these cases, regular appointments have been set up with the children and with their parents. For the convenience of working parents, home visits and evening appointments have been arranged. Many of these situations involve multiple-problem families who, otherwise, would not be receiving help of this nature.

The Department and the Board of Directors have been concerned with the increasing amount of vandalism to public and private property in Arlington. Recognizing that this is a problem involving a number of community departments and resources, one (1) meeting has already been attended by members of this Board with the Park Commissioners, the Superintendent of Parks and Recreation and the Chief of Police. The Board expects to pursue this matter with other appropriate persons and departments in an attempt to find some solution to this troublesome problem.

Respectfully submitted,

Tina G. Howell, Director
Anthony J. DiNatale, Chairman
Lawrence H. Anderson
Reverend Robert Bullock
George P. Faulkner
Kevin P. Feeley
Rebecca Glasmann
Reverend Lewis W. Williamson

Annual Report of the Personnel Board

January 22, 1964

To the Citizens of Arlington:

The Personnel Board herewith respectfully submits its annual report for the year ending December 31, 1963.

The membership of the Board changed with the appointment of John D. Pirelli, an employee nominee, to succeed Robert L. Johnson. Mr. Firelli resigned because of ill health on November 5, 1963 and Walter H. O'Leary was nominated by the employees and appointed by the Moderator on November 21, 1963. William J. Frost was re-elected Chairman for the coming year. The appointment of Paul E. Widder and Edward J. Swadkins, an employee representative, will expire on March 12, 1964. William J. Frost and Kenneth R. Andrews were appointed to March 12, 1965.

The Board has held 14 meetings during the year and considered 30 requests of individuals, committees and appointing authorities. A request from the various employee organizations for a general flat increase, reduction in the required service for 3 and 4 weeks vacation, 10 guaranteed holidays with another day off when holidays fall on Saturday, and paid time off to attend conventions of employee organizations was considered. A committee of Police and Fire personnel and the Library Trustees requested separate increases for those departments. The Board is again considering a recommendation of another general increase in order to maintain a median comparison and a fair standard of living for our employees. The Classification and Pay Plan has been in effect and administered by the Personnel Board since 1949 and it is the belief of the Board that a comprehensive review or survey by an outside agency is in order. We are, therefore, submitting an Article recommending such a study.

In addition to the meetings, we have had frequent contact with the Executive Secretary on various personnel matters that have arisen between meetings. The Executive Secretary has had numerous conferences with the Town Manager, department heads, employees and the Division of Civil Service on matters pertaining to Civil Service procedure, the operation of the Classification and Pay Plan and the Leave Regulations. The following are some of the personnel procedures handled by the department this year:

Civil Service requisitions	104
Emergency appointments	49
Appointments, temporary, provisional, renewals	219
Permanent appointments	39
Promotions - permanent and temporary	32
Termination of temporary employment	182
Termination of permanent employment	33
Permanent and temporary transfers	8
Loyalty Oaths	124
Group Insurance	29

There are at present 559 permanent full-time, 23 permanent part-time, 9 temporary full-time, 46 temporary part-time, and 40 seasonal part-time classified employees in the service of the Town. The peak employment period is during the summer months with a total of 793. These figures do not include the personnel under the School Committee.

The Board appreciates the cooperation and assistance given by the Board of Selectmen, Town Manager, Finance Committee, officials, boards,

Town Counsel and employees in our effort to administer the duties and responsibilities involved. We also wish to express our sincere appreciation for the capable services of our Executive Secretary and for the clerical work performed by Mrs. Helen McCluskey.

Respectfully submitted,

Edward J. Swadkins
Paul E. Widder
Kenneth R. Andrews
Walter H. O'Leary
William J. Frost, Chairman

Report of the Purchasing Department

January 22, 1964

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit my report as Assistant Purchasing Agent for the year ending December 31, 1963.

The year 1963 saw a slight rise in the cost of some services and materials necessary for the proper functioning of the various departments of the Town. It is my considered opinion that this department has done much to keep such increases to a minimum. Vendors and contractors find that doing business with a Town such as Arlington enhances the reputation of their company. They are able to mention this fact in soliciting or bidding on work or materials in surrounding communities. They learn that while our specifications are rigid, though fair, that on the completion of the work that sums are available for prompt payment.

Our encumbrance system whereby the amounts of all materials and services must first be approved by the Purchasing Agent and the Town Accountant insures their being sufficient funds in the Account prior to the materials being ordered or services performed.

Major items such as Gasoline; No. 2 and No. 5 Fuel Oil; Bituminous Coal; Tires; Incandescent and Fluorescent Lamps; Fine Sand, Coarse Sand; Gravel; and Bituminous Products, to mention a few, were all purchased on a yearly contract basis with excellent discounts. On the date of the writing of this Report we are paying .1679 per gallon for gasoline and .1079 per gallon for No. 2 Fuel Oil.

As before, all Bids are sought in compliance with the By-laws governing Purchasing for the Town.

Specifications for formal bids are carefully prepared in order that prospective bidders may have available all information necessary to prepare an intelligent and competitive bid. All bids are carefully analyzed prior to their award. Thorough investigation is made of the financial and physical responsibility of bidders unfamiliar to the Town of Arlington so

that we may determine their competency to provide the material or service bid upon. When necessary, Performance Bonds and Insurance Certificates are requested. This policy protects the Town against inadequate performance or loss from suits.

The continuing responsibility of the Purchasing Department is to obtain keen competition for materials, goods, supplies and services necessary for the various departments of the Town. There is no question that competitive bidding without sacrificing quality is a sound practice.

I wish to take this opportunity to express my sincere appreciation to the Town Manager, Board of Selectmen, various boards, Commissioners, Trustees, Town Officials, Committees, Department Heads, and my staff for their co-operation throughout the year.

Respectfully submitted,

Warren E. O'Leary
Assistant Purchasing Agent

Annual Report of the Fire Department

January 1, 1964

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I submit my First Report as Chief of the Arlington Fire Department for the year ending December 31, 1963.

PERSONNEL

The uniformed force consists of 99 men: The Chief of Department, 5 Deputy Chiefs, 7 Captains, 19 Lieutenants and 67 Fire Fighters. The Department has a Master Mechanic, Doward L. Barter; a Physician, Dr. Edward W. Feeley, and a Clerk, Anna B. Hurley.

RETIREMENTS

January 13 1963, Thomas H. Egan was retired as Chief of Department on disability pension, Chief Egan was appointed a Call-man in 1918, permanent Fire Fighter in 1922, Lieutenant in 1930, Captain in 1943, Deputy Chief in 1948 and Chief of Department in 1955. Through those years he gave his best efforts to the Fire Service, being a willing worker and a loyal Fire Fighter.

Also retired on disability pension after years of faithful performance of duty were Fire Fighters:

July 13, John P. Mahoney, Sr; appointed 1934.
October 19, William A. Libby, Sr.; appointed 1926.
December 14, John D. Pirelli; appointed 1948.

The four retirements in 1963 show that a total of some 126 years of service was contributed by these men to the Town of Arlington.

PROMOTIONS

January 13, 1963, Deputy Chief John E. Canniff was appointed Chief of Department to succeed Chief Thomas H. Egan who retired January 13. Chief Canniff became a Fire Fighter in 1929, was advanced to Captain in 1947 and to Deputy Chief in 1961.

January 20, the following were advanced in rank:

Robert C. Blomquist from Captain to Deputy Chief (replacement for Deputy Chief Canniff).

William A. Mills from Lieutenant to Captain (replacement for Captain Blomquist).

Thomas D. Molloy from Fire Fighter to Lieutenant (replacement for Lieutenant Mills).

APPOINTMENTS

Appointed permanent Fire Fighters were:

January 27, 1963, Clyde F. Coscia, 42 Yerxa Road (replacing Lieutenant Molloy).

August 11, Thomas E. Turnbull, 11 Fremont Court (replacing John P. Mahoney, Sr.).

December 8, Anthony J. Bonhomme, 14 Brattle Terrace (replacing William A. Libby, Sr.).

DEPARTMENT CHAPLAINS

Reverend Father Charles A. McCarthy, curate at St. James Church; and Reverend William W. Lewis of the First Unitarian Church, serve as Department Chaplains.

APPARATUS AT HEADQUARTERS

Engine 1 (1954-Mack), 1000-gallon pumping unit
Engine 4 (1954-Mack), 1000-gallon pumping unit
Ladder 1 (1961-Mack tractor attached to 1937 Seagrave Trailer), 85-foot aerial ladder truck
Rescue 1 (1958-Mack), equipped for emergency calls and floodlighting operations
Life Boat (1952), 14-foot metal boat with outboard motor and life-saving equipment
Chief's Car (1961-Pontiac)
Deputy's Car (1962-Chevrolet)
Fire Prevention Car (1959-Ford)
Utility Pick-up Truck (1963-Ford) 1-ton capacity

APPARATUS AT HIGHLAND STATION

Engine 2 (1952-Seagrave), 1000-gallon pumping unit
Ladder 2 (1952-Seagrave), non-tractor-drawn 65-foot aerial ladder truck
Heavy-duty Maintenance Truck (rebuilt 1945 Mack chassis) carries 5000-watt generator unit supplying power for six floodlights

APPARATUS AT PARK CIRCLE STATION

Ladder 3 (1949-Seagrave), a quintuplet unit comprising 750-gallon centrifugal pumper, non-tractor drawn 65-foot aerial ladder, booster pump with attachment, carrier for 1000 feet of 2-1/2 inch hose and 500 feet of 1-1/2 inch hose, and a complement of ground ladders.

Two 500-gallon auxiliary Fire Pumps (1941-Buffalo) numbered Engine 15 and Engine 16.

IN ACTIVE RESERVE

Engine 5 (1929-Seagrave), a 750-gallon pumper, is ready to replace disabled pumping units for limited time only due to its age.

RESPONSE

The Department responded to 1661 calls of which 543 were Box Alarms, 994 Still Alarms and 124 Mutual Aid (out-of-town) calls; of the 1183 telephone calls received, 189 were Box Alarms.

This 1963 total is the greatest in the history of the Fire Department, the previous high being in 1960 when there were 1250 alarms.

A summary of alarms revealed that the most number of such calls occurred in the month of April; that more occurred on Monday than any other day of the week, and also that of these calls, the largest number were between the hours of 11:00 A.M. and 12 Noon; and between 4:00 P.M. and 5:00 P.M.

One hundred and seventy-eight false alarms were sounded as compared to 150 in 1962.

Rescue Unit #1 responded to 150 First Aid Emergency calls where the Resuscitator and Inhalator were requested for administration of oxygen. Rescue equipment on this unit was used on several occasions to release persons trapped when involved in automobile accidents; also on calls to homes where accidents occurred through the misuse and faulty operation of home appliances.

Received 11 calls for use of Department Life Boat.

Causes of Alarms in 1963

Accidents	15	Grease	14
Automobiles	81	Heaters	15
Blow Torch	1	Incinerators	10
Boat	1	Investigating	14
Bomb Scares	4	Locked Out	124
Candle	1	Lightning	6
Careless Smoking	41	Malicious Mischief	1
Children and Matches	62	Miscellaneous	35
Chimneys	6	Needless	35
Dump	5	Oil Burners	21
Electrical Devices	23	Oil Tank Leaks	9
Electrical Portable Equipment	13	Out-of-Town	124
False Alarms	178	Refrigerator Leaks	7
False Telephone Calls	18	Rubbish	66
Fireplaces	2	Sprinkler Systems	6
First Aid	150	Television	14
Gas Leaks	16	Unknown	4
Gasoline	19	Utility Wires	26
Grass	470	Water Department Details	5
		Water Leaks	19

GENERAL SUMMARY OF EQUIPMENT USED AT FIRES

Ladders Raised	5850 feet
Hose Used	108425 feet
Water from Booster Tanks	58425 gallons
Pumping Operations	630 for 95 hours
Miles Traveled	7750 miles
Service Time	4200 hours

MULTIPLE ALARMS

January 2, 1963, Box 8461 at 12:44 P.M. house fire at 79 Hibbert Street.

January 28, Box 42 at 7:15 P.M. vacant building at 9 Swan Place. Extended to two adjacent buildings.

March 11, Box 486 at 9:01 A.M. house at 76 Gloucester Street.

April 6, Box 7321 at 2:08 P.M. brush fire extended to 38 and 50 Washington Street.

August 3, Box 372 at 10:52 P.M. vacant building at 77 Summer Street.

October 16, Box 176 at 2:49 P.M. house at 12 Cornell Street.

WEATHER DATA

January 1, 1963, had severe cold wave with continuous zero temperatures and full gale winds during which time the Fire Department received calls for assistance because of frozen or broken water pipes.

March 6, due to numerous calls to help remove water from flooded basements, the Fire Department and the Public Works Department worked together to eliminate conditions.

In April because of the prolonged period of dry weather, the Fire Department answered 256 alarms, the most ever recorded in a single month. April 16, His Excellency, the Governor of Massachusetts issued order prohibiting outside burning; also on October 14.

October 3, the Director of Civil Defense alerted the Fire Department because of threatening high winds and thunder storms; did not develop.

October 1963 experienced unusual dry month with no appreciable rain for 29 days, resulting in an increase in response of apparatus to alarms.

October 28, the Weather Bureau at Boston placed a "Hurricane Watch" for "Ginny"; did not materialize. However, the Fire Department made preparations to cope with approaching storm by checking its portable lighting and pumping equipment and emergency supplies.

FIRE LOSSES

Eighty-six losses occurred, 18 of which accounted for $76,113 of the entire yearly loss.

The total assessed value of property endangered, insurance thereon, loss sustained, and amount of insurance paid are as follows:

	Assessed Value	Insurance	Damage and Insurance Paid
Buildings	$ 786,400	$1,718,350	$ 70,783
Contents	453,550	453,550	30,255
Total	$1,239,950	$2,171,900	$101,038

APPROPRIATION

1963 Appropriation	$664,691
Expended	662,007
Balance	$ 2,684

CREDITS

Fees for 32 permits to blast	$ 16.00
Fees for 5 permits for flammable fluids	2.50
Fees for 5 permits to use tar kettles	2.50
Sale of junk	157.70
	$178.70

REPORT OF DEPARTMENT PHYSICIAN

Dr. Edward W. Feeley, Department Physician, rendered the following services in 1963: office calls 94, station calls 10, hospital calls 10, physical examinations 4, house calls 1. Furthermore, Dr. Feeley responded to emergency calls and alarms of fire. Several conferences were held with the Fire Chief on medical matters pertaining to the Department.

FIRE PREVENTION

Assigned to the following phases of fire prevention were:

Deputy Chief Charles J. Doherty - Lodging and Rooming Houses
Deputy Chief Francis M. Doherty - Mercantile Inspections
Deputy Chief Irving L. Proctor - Quarterly inspections of Nursing Homes, Hospitals and Theatres.

The Deputy Chiefs conducted quarterly inspections of Town-owned buildings in conjunction with the Insurance Program.

Fire Fighters made periodic inspections in places of business, public buildings, schools, hospitals, convalescent homes and places of public assembly. Records of existing conditions with date of corrections were kept.

For the fourth year, the recharging of fire extinguishers was carried out by the "In-Service" Plan whereby the Fire Fighters responded with apparatus to each public building, instructing occupants in the operation and actual use of a fire extinguisher in case of fire. A total of 445 fire extinguishers were recharged.

For the eighth year, in October, at the request of Catholic Archbishop of Boston, the Fire Department inspected Catholic Churches, convents, schools and other church property in Arlington, noting conditions found. Reports with recommendations were forwarded to the Chancellery.

During 1963, Lieutenant Daniel J. Mahoney, Inspector of Oil Burning Installations and Flammables, inspected 285 oil burners in addition to flammable installations and storage equipment. Two hundred permits were issued for approved installations after inspections. It was necessary to reinspect 85 installations because of faulty equipment and failure of installers to meet all rules and regulations.

FIRE PREVENTION WEEK

October 6-12th was observed as Fire Prevention Week. Timely and conspicuous posters were distributed and placed in public buildings and stores throughout the Town. Booklets and pamphlets for children were

passed out to schools with permission of Dr. Bert A. Roens, Superintendent of Schools. These were taken home by the children.

During Fire Prevention Week activities, the Public Works Department cooperated and removed from sidewalks the accumulated debris and rubbish set out at curbings by householders. Disposal of such excess rubbish has definitely reduced the number of cellar fires in dwellings.

DWELLING INSPECTIONS

For the seventh year, the "In-Service" inspection of dwellings by Fire Fighters was conducted, approximately 11,300 homes being inspected.

The annual "Clean-Up, Fix-Up, Paint-Up" Program began on April 1st and continued until May 15th. Common hazards were pointed out to occupants and emphasis was placed on the importance of all practicing fire safety in the home.

Again during the "Clean-Up" period, the Public Works Department cooperated fully in picking up debris and rubbish - an amazing amount - which was placed at the curbings. Lieutenant Harold C. O'Leary directed that program.

FIRE DRILLS IN SCHOOLS

In compliance with Massachusetts General Laws, Chapter 148, four fire exit drills were conducted in public, parochial and private schools, under the supervision of Officers of the Arlington Fire Department.

A record was made of the number of classrooms, pupils, exits used and the time required to evacuate each building, a copy of which report was sent to the School Department.

For the ninth year, the "In-Service" method was employed whereby apparatus is available for response to an alarm of fire through the medium of two-way radio.

FIRE DRILLS IN NURSING HOMES

Deputy Chief Irving L. Proctor made periodic inspections and held required fire drills at Symmes Hospital and the nine nursing homes in Arlington in accordance with the provisions of Chapter 333, Massachusetts General Laws. Reports were forwarded to the Massachusetts Department of Public Health.

HYDRANT INSPECTIONS

For the ninth year, under the direction of Lieutenant Harold C. O'Leary, the semi-annual "In-Service" inspection of 1323 hydrants in Arlington was continued.

Water flow tests were made of each hydrant during the summer test, and the static and residual pressures were recorded on permanent records. The winter inspection was conducted in November for frozen and defective hydrants. Frozen hydrants were thawed and pumped dry. When water was found in barrel of hydrant, it was pumped out by testing crew of Fire Fighters, thus eliminating the possibility of freezing.

During tests, close cooperation with the Water Department was maintained, and faulty or defective hydrants were restored to service as soon as possible. Permanent records are kept by the Fire Department of each hydrant, noting repairs.

TRAINING OF FIRE FIGHTERS

April 1, 1963, Deputy Chief Robert C. Blomquist, Officer in Charge of Training, and three new Fire Fighters attended a three-week training course at the Brookline Fire Department Drill School.

September 30, Deputy Chief Blomquist directed a four-week training course for members of the Arlington Fire Department. Drilling was held at the rear of the Highland Fire Station. Program covered fire fighting procedures including the laying of hose lines, pump operations and use of all types of ladders.

Drills were conducted in pumping methods and life boat practice at Spy Pond and at Heights Reservoir. Had frequent drills at the stations regarding forcible entry tools, first-aid, gas masks and resuscitator units.

That the Arlington Fire Department may be kept informed as to latest techniques of scientific fire fighting evolutions, its Drill Instructor has joined the Massachusetts Drill Masters Association.

AUXILIARY FIRE FIGHTERS

The members of the Auxiliary Fire Department deserve much praise for assistance rendered at fires and emergencies. Their continued working schedule of responding with the apparatus daily from 7:00 P.M. until 10:00 P.M. is of great value to the regular Department.

Deputy Chief Irving L. Proctor, Fire Department Coordinator for this group under the direction of Civil Defense, conducted a standard training program for five auxiliary members.

DETAILS

Since 1949, Fire Fighters at Park Circle Station have been assigned during school hours for traffic duty in that section to protect school children.

Fire Fighters were detailed to stand-by duty as precautionary measure to guard against fire during welding operations or when blow torches were being used for repairs in school or public buildings.

April 19th, Engine #1 participated in Patriots' Day Parade in Arlington and again in Lexington.

May 30th, Rescue Unit #1 in line for Memorial Day Parade.

October 6th, Engine #1 detailed to Boston Fire Department Parade for observance of Fire Prevention Week.

In 1963, the Highland Fire Station was utilized for registration of voters and voting purposes by the Town of Arlington. Park Circle Station also was used for voter registration besides being a meeting place for many civic groups.

RADIO SYSTEM

November 14, 1963, a "Quick-Call" Radio System was placed in service for use by the Fire Department, further supplementing new "Local Government Radio System" which was installed November 23, 1962 in compliance with Directive of the Federal Communications Commission.

BUILDING MAINTENANCE

At Headquarters, it was necessary to postpone plans to complete repairing fourth side of the 80-foot tower because of emergency repairs needed at Park Circle Station. Due to moving Watch-Room from the first

floor to second floor at headquarters, an auxiliary heating system was installed in new fire alarm room. It was a recommendation of the National Board of Fire Underwriters that this signal room be relocated for which Article #82 was voted at 1963 Annual Town Meeting.

At Highland Station, Fire Fighters carried on with general repairs and maintenance including various painting projects inside the building.

At Park Circle Station, an emergency condition arose. The wooden basement floor became deteriorated by termites. Immediate action was undertaken. Members of Maintenance Division of School Department, Public Works Department and Fire Fighters removed flooring and portions of wooden wall panelling. During alterations, correction was made to the heating system. A concrete floor was poured when carpentry work was done and a vinyl asbestos floor was installed. Because of that situation at Park Circle Station, weatherproofing of tower at Headquarters was postponed.

Complying with recommendations of the New England Fire Insurance Rating Bureau, installed a 1000-gallon gasoline tank with pump at Park Circle Station to supply fire apparatus, and also to operate emergency generator which provides power to run our emergency base radio station.

November 23, 1963, for a 30-day period, the three Fire Stations were draped in mourning because of the death of President John F. Kennedy.

RECOMMENDATIONS

For the year 1964 recommend that $715,163 be appropriated.

CONCLUSION

To the members of the Board of Selectmen, to Town Manager, Edward C. Monahan, for close cooperation with the Fire Department, my sincerest thanks.

To other Departments for assistance, my gratitude.

To my own officers and men for faithful and loyal performance of duty, my deepest appreciation.

Respectfully submitted,

John E. Canniff
Chief of Fire Department

Report of the Fire and Police Signal System

January 1, 1964

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

As Superintendent of the Fire and Police Signal System, I submit the Annual Report for the year ending December 31, 1963.

This system is maintained by Assistant Superintendent Lester W. Cameron together with two Signal Maintainers.

FIRE ALARM AND POLICE SIGNALS

Many difficulties were experienced as the result of temporary breakdowns in aerial and underground lines. Storms, high winds, rain, snow and lightning inflicted severe damage and circuits were grounded. When found out of order, circuits were restored to immediate service.

Made routine repairs, wound and tested fire alarm boxes and police signal boxes. Checked police signal desk, signal registers, air whistles and master clocks. Maintained and painted 318 fire alarm boxes and 89 police signal boxes throughout the Town. Installed decal "Fire" on fire pedestals. Conducted water-flow tests on signal boxes connected to sprinkler systems.

During 1963, held quarterly testing of fire alarm signal boxes as recommended by the New England Insurance Rating Association. Tests were under the direction of Deputy Chief Charles J. Doherty and the Assistant Superintendent of the Fire and Police Signal System, Lester W. Cameron. Faulty and defective boxes were rectified immediately upon discovery.

Installed new Police Signal Box:

Box 232 Ridge Street-Sleepy Hollow Lane

Installed new Fire Alarm Boxes:

Box 3913 Ridge Street-Sleepy Hollow Lane
3552 Ridge Street-Crosby Street
3553 Ridge Street-Pamela Drive
7713 Colonial Village Drive
8213 Nursing Home-146 Park Avenue

Because of street construction, reset police signal Box 8612 Dow Avenue-Rhinecliff Street.

The following signal boxes were damaged when struck by automobiles:

Box 554 Massachusetts Avenue-Clark Street
64 School Street-No. 76
8451 Appleton Street-Udine Street

Replaced damaged overhead wires on Park Avenue Extension-Morris Street when pole was struck by automobile.

The doors on the following fire alarm boxes were changed from the rattler-type to quick-action style door:

Box 136 Everett Street-Raleigh Street
48 Massachusetts Avenue-Bartlett Avenue
489 Highland Avenue-Arlmont Street
732 Forest Street-Adams Square

Replaced outmoded-type police boxes with 5-call standard type:

Box 21 Medford Street-Parallel Street
25 River Street-Mystic Valley Parkway
32 Massachusetts Avenue-Schouler Court

Relocated Police Box 132 from Massachusetts Avenue-Magnolia Street to Massachusetts Avenue-Teel Street.

CABLE CONSTRUCTION

Pulled in 6-conductor underground cable replacing old cable, cutting over to signal boxes and rebuilding terminal boxes on:

Broadway-Sunnyside Avenue to North Street, Somerville
Massachusetts Avenue-Park Avenue to Lexington Line
Mill Street-Massachusetts Avenue to Summer Street

Replaced, reran and pulled up 6-conductor aerial cable on the following streets, removing old cross-arms:

Milton Street-Massachusetts Avenue to Herbert Road
Lake Street-Wilson Avenue to Concord Turnpike
Sherborn Street to Fire Box 3141
Webster Street-Warren Street to Philips Street
Bradley Road-Winchester Road to Columbia Road, Falmouth Road West to Langley Road
College Avenue-Crosby Street to Ridge Street
Ridge Street-College Avenue to Sleepy Hollow Lane
Park Avenue Extension-Lowell Street to Forest Street-Dodge Street

Reran 2-conductor aerial cable on the following streets:

Amherst Street-River Street to Rawson Road
Newcomb Street-Orvis Road to Elmhurst Road
Pole #6 to Symmes Hospital Loop
Mystic Street at Beverly Road
Hayes Street to Fire Box 317
Colonial Village Drive to Box 7713
Ridge Street-College Avenue to Pamela Drive
Joyce Road-Oak Hill Drive to Ivy Circle
Woodside Lane-Oak Hill Drive to Hazel Terrace
Brattle Street-Woodside Lane to Millett Street
Cheswick Road-Colonial Drive to Bay State Road-Pioneer Road-Spy Pond Parkway

Because of street construction, repaired 3-inch conduit on Lake Street and on Massachusetts Avenue-Grove Street.

Made transfers of cables to new poles, rebuilding lines and pulling up slack on aerial conductors.

Throughout the Town, removed and trimmed trees and branches away from aerial lines of the Signal System, and installed wood mold where wires came in contact with trees.

RADIO SYSTEM

Since November 23, 1962, the new "Local Government Radio System" for use by the Town of Arlington has been operating in compliance with directive of the Federal Communications Commission.

November 14, 1963, a "Quick-Call" Radio System was further installed at Fire Department Headquarters, in the Fire Alarm Division, for the Fire Department, the Police Department and the Public Works Department.

RELOCATING FIRE ALARM SIGNALLING EQUIPMENT

In 1963 began moving the Watch-Room from the first floor to the second floor of Fire Headquarters Building as recommended by the National Board of Fire Underwriters and for which Article #82 was voted.

Preparatory to the relocating of Fire Alarm signalling equipment, it was necessary to modernize electric meter board and to install 200-ampere capacity electric service in the building.

As of December 31, 1963, the work of relocating the Watch-Room is delayed pending delivery of signal desk and signalling equipment.

AIR RAID SIGNALS

Tested sirens on first and third Fridays of each month.

Routine inspection was made of the Air Raid Sirens throughout the Town:

Massachusetts Avenue-Teel Street
Massachusetts Avenue-Winter Street
Massachusetts Avenue-Tufts Street
Massachusetts Avenue-Mill Street
Massachusetts Avenue-Brattle Street
Massachusetts Avenue-Forest Street
Massachusetts Avenue-Park Avenue
Florence Avenue-George Street
Summer Street-Mill Street
Summer Street-Park Avenue Extension
Broadway-Everett Street
Broadway-Silk Street
Lake Street-Margaret Street
Highland Avenue-Ottawa Road
Mystic Street-College Avenue
Medford Street-Sherborn Street
Pleasant Street-Gould Road
Lowell Street-Park Avenue Extension

DETAILS

Set up Public Address System on many occasions for various Town Departments.

April 19th, Patriot's Day, sounded 1-7-7-5 on air whistle at Fire Department Headquarters.

The Town Clock in church steeple, Massachusetts Avenue-Pleasant Street, wound weekly on Fridays.

Arranged Christmas lighting and decorations at the Town Hall, Library, Police Headquarters, on Tree and Crib at Monument Park and at the three

fire stations. Set up Public Address System for the playing of Carols from tower of Fire Headquarters Building.

APPROPRIATION

1963 Appropriation	$24,963.
Expended.	23,149.
Balance	$ 1,814.

RECOMMENDATIONS

For the year 1964 recommend that $26,682 be appropriated.

CONCLUSION

To the members of the Board of Selectmen, and to Town Manager, Edward C. Monahan, for active interest in matters pertaining to this Signal System, my sincerest thanks.

To the Assistant Superintendent of the Fire and Police Signal System, and to the Signal Maintainers, for ever-ready performance of duty to efficiently operate the Signal System, my deepest gratitude.

Respectfully submitted,

John E. Canniff, Superintendent
Fire and Police Signal System

Report of the Board of Selectmen

The Board of Selectmen herewith submits its Annual Report for the year ending December 31, 1963.

At the Annual Town Election in March, Messrs. Joseph P. Greeley and Horace H. Homer were re-elected to office for respective three year terms. Shortly thereafter the Board organized for the year with Mr. Philibert L. Pellegrini as Chairman, and Mr. John W. Bullock as Vice-Chairman, both being unanimously elected by acclamation.

The Board met weekly throughout the year except during the summer months when we met for the most part on a biweekly basis. However, there were several occasions when special meetings were called on matters of immediate importance.

Much of the business of the Board is relatively routine and although time consuming is repetitious. We shall, therefore, omit this subject matter from this report, since it has appeared in prior reports and is of doubtful interest to the average citizen.

Perhaps one of the most important topics that we had to contend with came early in the year and concerned legislation passed by the General Court in 1962 entitled, "Conduct of Public Officials and Employees", which became effective on May 1, 1963. This act, commonly called the "Conflict of Interest Law", was highly technical, extremely complicated, exceptionally controversial and received wide publicity throughout the Commonwealth. Basically it was designed to prevent any Public Official or Employee from deriving financial or other gain by reason of any power or information that he would obtain from his affiliation with the State or any of its political subdivisions. The law did, however, provide that under certain circumstances Officials and Employees could be classified as "Special Employees" by the Selectmen upon disclosing their financial interest in any particular matter and thereby would be permitted to engage in limited transactions with the Town outside their particular department.

In an effort to evaluate and explore every phase of this legislation we attended lectures given by prominent members of the Committee that was appointed to draft this legislation prior to its enactment. We had an opportunity to question these authorities relative to the procedure to be followed which would be of the greatest benefit to the Town. We also requested our Town Counsel to submit a written opinion outling what action could be taken with respect to elected and appointed Town personnel which would afford them the protection to which they were entitled without detriment to the Town's interests. This document was very thoroughly discussed item by item and paragraph by paragraph until we were certain that our decision would be impartial and fair both to the citizens of the Town as well as Town personnel. Letters were sent out to every person who was in any way connected with Town functions apprising them of this law and giving every one an opportunity to make application for classification as a "Special Employee", providing such request could be justified. Intense study and debate was given to every classification and on the basis of the testimony we had before us we were of the opinion that the Town's best interests would be served if every part time appointed Board, Commission and Officer of the Town was classified as a "Special Employee", and took appropriate action to effect these classifications. Since making this decision eight months ago we have had a firsthand opportunity to observe its effects in the Town and we certainly can report that at this writing it is operating with unqualified success.

Another piece of legislation that required our earnest attention was entitled, "Pedestrian Control Law and Uniform Traffic Control". This was passed at the insistence of the Federal Government, which was basing the money it was granting for the construction of the Interstate Highway Program on the premise that all traffic controls throughout the country would be uniform and threatened to withhold these funds unless the states involved complied with their regulations. Unless this legislation was accepted by cities and towns such municipalities could not enforce pedestrian obedience to either the familiar red and yellow combination on traffic signals or the newer "Walk - Don't Walk" signal. We were warned that refusal to accept the provisions of this legislation could result in the revocation of the permits granted for the installation and maintenance of existing traffic signals, as well as the possible withholding of the so-called Chapter 90 funds for road construction. Acceptance of these provisions seemed to make good sense and an article was consequently inserted in the Warrant for the 1963 Annual Town Meeting to determine the Town's feelings in this respect. The Town Meeting voted unanimously in favor and we, thereafter, adopted suitable regulations for the enforcement of this law which was approved by the State Department of Public Works and is now in force.

We were extremely pleased when our negotiations finally culminated in successfully effecting the sale of the former Public Works Department property at 1083 Massachusetts Avenue. This property became available after the 1960 Annual Town Meeting had authorized us to dispose of it with implied, if not specific, instructions to make certain that whoever obtained this land would develop it in a manner that would best serve the interests of the Town. During the interim between the authorization and the sale we frequently entertained offers for its purchase, consulted with various Town boards in this respect and held hearings for businessmen of the Town who opposed the use of this property for business purposes, despite the fact that it was, for the most part, industrially zoned. For one reason or another offers were received and found unacceptable until this past summer when bona fide offers were presented that showed promise and could be seriously considered. In this instance three developers were competing for the acquisition of the property with the intention of erecting apartment houses on the site. Meetings were held with these developers, both collectively and individually, to discuss their written proposals which, in each case, were supported by artist's drawings depicting the completed site. All three of the developers were then given an opportunity of submitting a firm offer in accordance with certain terms and conditions under which the property was to be developed. These offers were formally submitted on August 5, 1963 and during the next thirty days given careful scrutiny and evaluation. Ultimately, after extensive discussion, the offer of the Wilfert Bros. Realty Trust, for the sum of $128,400.00, was accepted and an agreement signed on September 16, 1963. Immediately thereafter we proceeded with the legal formalities to convey this property to the abovementioned purchaser. During the next two years the property will be fully developed and it is estimated that the Town will then derive in excess of $62,000.00 annually in real estate taxes. Although the disposition of this property took longer than we first expected, we feel that the results that have been achieved were eminently worth the wait, and that we have thereby carried out the implied mandate of the Town Meeting successfully.

As a Board of Survey we again initiated a street acceptance and construction program in an effort to reduce the number of private unimproved ways, as well as a Chapter 90 program where a State and County allotment of funds defrays 75% of the cost of improving existing public ways.

The State Legislature in 1962 and again in 1963 included a stipulation in authorizing a road construction bond issue that $10,000,000.00 be distributed to Cities and Town to be used in local street improvements. Under this statutory edict the Town will receive a total of $153,639.92. Of this

sum the 1963 Annual Town Meeting authorized the use of $55,000.00 during the current year which was used to repair and improve the streets listed under Article 36 of the Warrant. It is our intention to institute a similar program in 1964 with the remaining funds.

During the year the State Department of Public Works in anticipation of the widening of the Concord Highway, Route 2, has acquired some 28 pieces of property in the Arlmont Village, Arlmont Ridge section of the Town. This resulted in a moderate amount of anxiety on the part of persons who were being dispossessed, but by and large the moving of dwellings where this action was desired, as well as the relocation of families into new homes, was accomplished with reasonable efficiency. We can make no prediction at this time as to how soon this widening will take place but can only assume that the taking of private property by the State would indicate that this reconstruction is not in the too distant future.

In concluding this report we must point out that the population of the Town is steadily increasing and that within the next decade, we will, in all probability, have reached our peak in this respect. Although we attempt to maintain our suburban atmosphere our proximity to larger metropolitan cities makes this increasingly difficult. It is axiomatic that as population density increases it brings with it problems that are new to us but which are inherently prevalent in urban communities. Since it is virtually impossible to impede this type of progress we must perforce accept it, but in accepting it, we do not have to accept the decadence and the depreciation of property which will work to the Town's general disadvantage. We must instead adopt policies that will not only adapt themselves to this continuing change, but will set as a goal the continuance of Arlington as an eminently desirable residential community. We pledge our collective efforts to the attainment of this goal.

For the advice and assistance we have received during the year on many and varied matters that claimed our attention, we should like to express our appreciation to the Town Manager and to the Boards and Commissions who cooperated so ably with us. We also extend our thanks to our Executive Secretary and to the office staff for the efficient manner in which they carried out their respective tasks and in the many ways in which they assisted us in carrying out the duties of our office throughout the year.

Philibert L. Pellegrini
John W. Bullock
Arthur D. Saul, Jr.
Joseph P. Greeley
Horace H. Homer

BOARD OF SELECTMEN

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

The Registrars of Voters herewith submit their annual report for the year ending December 31, 1963, in accordance with Section 3 of Article 3 of the By-Laws.

Temporary Assistance Registrars of Voters designated by our Board made a complete canvass of the Town for the purpose of taking the annual listing of persons twenty years of age and older residing in the Town of Arlington on January 1, 1963, and in conjunction therewith a listing of owners or keepers of dogs, both as required under the law.

Our board certified the signatures of 8086 voters appearing in nomination papers filed by or in behalf of candidates seeking town offices at the Annual Town Election, in petitions for articles to be inserted in the Warrant for the Annual Town Meeting, and in referendum and initiative petitions.

Nine evening sessions for the registration of voters were held prior to the Town Election at various public buildings throughout the town. At these sessions 53 persons were qualified to vote in elections. Throughout the year, daily sessions for the registration of voters were held during regular business hours at the Registrars' Office in the Town Hall, at which an additional 444 were so qualified, making a total of 497 new registered voters in 1963.

For the Annual Town Election held on Monday, March 4, 1963, the Registrars were in session throughout the entire period during which the polls were open--7:00 A.M. to 8:00 P.M.--following which they assisted in the tabulation of the returns of ballots cast until the results were announced at 3:15 A.M. on Tuesday, March 5, 1963.

Upon completion of the work of revising the voting list, in accordance with the true list information that had been presented, a total of 1,916 notices were sent by first-class mail, as required by law, to persons whose names were to be removed from the voting list for the reason that they had not been reported as residing in Arlington on January 1, 1963. Of this number 423 proved residence and were reinstated.

As a result of the notices mailed, names of voters who had moved out of Arlington were removed from the voting list. In addition, names were removed because of death, change of name by marriage or court decree, failure to comply with the notice, and other changes in voting status.

The total number of registered voters upon completion of the revision of the voting list was 27,221 and of this number 12,611 were enrolled Democrats and 7,043 were enrolled Republicans. Following is a breakdown of the voters by precincts:

PREC.	TOTAL NUMBER VOTERS	TOTAL DEMOCRATS	TOTAL REPUBLICANS
1	1464	789	289
2	1929	1067	363
3	1166	573	298
4	1821	873	411
5	2297	1479	270
6	1455	459	594
7	1393	818	226

PREC.	TOTAL NUMBER VOTERS	TOTAL DEMOCRATS	TOTAL REPUBLICANS
8	1636	524	702
9A	1252	535	337
9B	1079	410	317
10A	770	303	228
10B	949	347	342
11A	1452	644	357
11B	1395	698	294
12A	1329	547	432
12B	650	242	218
13	2032	945	513
14A	1322	565	386
14B	1830	793	466
Total	27221	12611	7043

These figures represent the usual decrease in the number of registered voters in the year following a State Election due to a lesser number of new registrants because of lack of interest on the part of eligible non-voters.

During the year the information contained in the approximately 35,000 listing slips of residents of the Town of January 1, 1963, was transferred to their individual master cards, which provide for a complete official record of residence for all persons twenty years of age or older from the time they first become residents of the Town of Arlington.

A copy of the report of the Special Commission appointed under Authority of Chapter 666 of the Acts of 1963 by the Governor relating to the apportionment of the representative districts of Middlesex County was filed with this Board on October 15, 1963, assigning representatives to Arlington as follows:

DISTRICT 23. Precincts 8, 10, 12, and 14 of the Town of Arlington and Precincts 1, 2, 3, 4, 5, 6, 7 of the Town of Belmont, having 22,235 legal voters and two representatives.

DISTRICT 25. Precincts 1, 3 and 5 of the Town of Arlington, and Wards 6 and 7 of the City of Somerville, having 18,475 legal voters and two representatives.

DISTRICT 28. Precincts 2, 4, 6, 7, 9, 11, and 13 of the Town of Arlington, having 12,627 legal voters and one representative.

An amendment to such report was also filed on October 15, 1963, as follows:

DISTRICT 25. Precincts 1, 3, 5, and 7 of the Town of Arlington and Wards 6 and 7 of the City of Somerville, having 20,032 legal voters and 2 representatives.

DISTRICT 28. Precincts 2, 4, 6, 9, 11, and 13 of the Town of Arlington having 11,070 legal voters and 1 representative.

Mr. Timothy J. Buckley was reappointed by your Board as a member of the Board of Registrars of Voters for a term of three years. It is with a deep sense of loss that we now record his passing on December 29, 1963. We, the remaining members of the Board, have lost a true and loyal associate who had served the citizens of Arlington not only as a faithful and conscientious member of this Board, but in many other capacities in his private life.

Respectfully submitted,

Arthur P. Wyman
Joseph H. Cormier
Ann Mahon

REPORT OF DUTIES OF PUBLIC HEALTH NURSE

Visits were made to the homes of certain patients, reported ill with or in contact with cases of reportable disease, in compliance with Board of Health or State Department of Health requirements.

Assisted at the various Clinics which were conducted by the Board of Health.

Made inspectional visits to Day Care Centers and Nursing Homes licensed to operate in the Town.

Administered the School Nursing Program of the Parochial Schools in the Town.

Prepared and maintained all records in connection with the duties of Public Health Nurse for the Board of Health, and as School Nurse for the Parochial Schools of Arlington.

Assisted in office routine as needed.

REPORT ON DUTIES OF BOARD PHYSICIAN

Administered "Flu" vaccine at clinics conducted for Town employees by the Board of Health.

Gave physical examinations to 532 pupils at Parochial Schools in Arlington.

Gave 164 heart "Checks" to Parochial School children participating in Intra Mural Sports Activities.

Released from quarantine all members of households, ordered quarantined by Board of Health regulations.

Examined and reported results of Bacteriological examination of specimens submitted to the Board of Health.

REPORT OF SLAUGHTERING INSPECTOR

There was no slaughtering done in the Town during the year 1963.

REPORT OF DOG OFFICER

During the year 386 carcasses of small animals and birds reported by the Board of Health and other Town Agencies were collected and disposed of in a prescribed manner. Assisted in attempts to determine ownership of animals classified as "strays" that had been impounded.

MISCELLANEOUS REPORTS

Licenses and Permits issued (no fee)

Burial Permits	448
Licenses (Funeral Directors)	14
Permits to keep poultry	2
Permits to hold rummage sales	22

BIRTHS AND DEATHS OF ARLINGTON RESIDENTS IN 1963

Nervous System	90	1.8
Accidents	15	.3

Report of the Town Counsel

Mr. Edward C. Monahan
Town Manager
Robbins Memorial Town Hall
Arlington, Massachusetts

Dear Sir:

I herewith submit my report for the year 1963 in accordance with Section 3 of Article 3 of the By-Laws of the Town of Arlington.

There have been twenty-eight accident claims against the Town this year. Eight have been settled as authorized by the Town Manager and the Board of Selectmen. Eight have brought suit and twelve are in abeyance. Of the previous years' claims and suits, fourteen were abandoned without suit, three were abandoned at the time they were reached for trial, ten were settled as authorized by the Town Manager and the Board of Selectmen, and six are still pending. There were no verdicts against the Town.

Eighteen land damage claims against the Town arising from street widenings and storm drain installations were disposed of - sixteen by compromise settlements authorized by the Town Manager and the Board of Selectmen, and two by trial in the Superior Court.

There was one case pending against the Town before the Massachusetts Appellate Tax Board petitioning for a real estate tax abatement. This case was settled when it was reached for trial.

A petition brought by former Police Lieutenant Philip A. Sweeney seeking a declaratory judgment against the Town, claiming that his compensation as Civil Defense Director should have been included by the retiring authority, the Board of Selectmen, in the computation of the amount of his pension based upon a service connected disability suffered by him in his work in the Police Department, resulted in a finding in the Superior Court upholding the action of the retiring authority that his salary as Civil Defense Director should not be included in computing his pension. The petitioner appealed this decision to the Supreme Judicial Court. This case was argued at the February, 1963 sitting of the Court, and in May, 1963, the Supreme Judicial Court affirmed the decree of the Superior Court upholding the action of the retiring authority.

Substantial amounts of money for aid rendered by the Board of Health and the Symmes Hospital have been collected and turned over to the Town Collector.

Substantial amounts of money for aid rendered by the Bureau of Old Age Assistance have been recovered and turned over to the Town Collector also.

The Town Counsel has been available at regular and special meetings of the Board of Selectmen, has worked in close co-operation with the Town Manager, has rendered opinions as requested by the Town Manager, various Boards, Departments, Committees and Officers, has attended meetings at State Boards and Commissions, and has been vigilant in all matters affecting the interest of the Town.

For the kind consideration and co-operation extended to me by all the officials of the Town during the past year, and especially to the Board of Selectmen and Town Manager, I desire to record my sincere appreciations.

Very truly yours,

Joseph A. Purcell
Town Counsel

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

To: Mr. Edward C. Monahan - Town Manager

Dear Mr. Monahan:

It is with a sense of satisfaction that the Board of Library Trustees, through its report for the year 1963, can once more attest to the importance of the library to the community. Demands have been made upon its facilities which have taxed both space and staff as never before.

Personnel

A number of changes in the staff have taken place. Replacement, especially in the professional category was difficult due in large part to the low salary scale presently in force and to the shortage of qualified people available. Eventually, however, all positions but that of Cataloguer have been filled with well qualified people who are making their contributions to the library program.

In January, Mrs. Elizabeth Toohey, Supervisor of Children's Library Activities, resigned to become the Head Librarian of the library at Adams, Massachusetts. Mrs. Esther McQuaid, Head of Circulation at the Robbins Library, was appointed to fill the vacancy caused by Mrs. Toohey's resignation, and Mr. Grogan Brown, a Reader's Adviser in the Circulation Department of the Robbins Library, was advanced to Head of that Department.

In April, Mrs. Carol DiPesa became the Young People's Librarian, filling a vacancy of three months standing. Mrs. DiPesa is a graduate of the School of Library Science at Simmons College, and has held positions in the Detroit and Brooklyn Public Libraries and served as Head of Circulation in the Robbins Library during 1955-56.

To fill the vacancy caused by the resignation of Mrs. Mary Stolar in May, Miss Shirley Utudjian was appointed as a Reader's Adviser in the Circulation Department in September. Miss Utudjian is a graduate of Northeastern University, did social work for two years, and came to the Robbins Library from the Boston Public Library where she had received her library training and had been employed for almost three years.

In October, Miss Luz Posada, who has been on the library staff as Cataloger for the past two years, returned to her home in Medellin, Colombia, South America. This position has not yet been filled.

Mrs. Rita Girshman, a graduate of the University of Buffalo, with graduate work in library science at the University of Pittsburgh, was appointed to the School Library Staff in September, replacing Mrs. Elisabeth Sussman who moved to California.

In August, George A. Cape, reassumed his duties as Senior Custodian after a long period of illness and Frederick Kendall, following the action of the Town Meeting, was appointed to the Custodial Staff on a temporary basis, pending establishment of a civil service list.

Trustees

Mrs. Molly Yood was reappointed for a fourth term of three years as a library Trustee. In September, Mr. Robert Uek was elected to serve as Chairman for the ensuing year.

During the year, the Board held twelve regular sessions and met in numerous subcommittee meetings in the interests of the Friends of the Library Program, Personnel, Building and Grounds, and for a special study of salaries.

In April, the Trustees planned a special celebration in observance of the 25th anniversary of the Dallin Branch Building. On this occasion a bronze placque was presented to the trustees by the Arlington Heights Study Club for the outside of the building.

Again in December, the trustees were hosts to the staff at a family Christmas gathering. A program of travel slides of the far West and the Far and Middle East was presented by Mrs. Maude Thompson and Robert Uek.

Renovation Program

The Renovation Program, as originally planned, is practically completed. A hand rail for the stairs from the Gallery to the Main Floor was installed, the floors of the Catalogue Room and Gallery work room were tiled, the building, including the marble of the Rotunda, was cleaned by Public Works Department Personnel, lighting fixtures were replaced in the stacks and the library hall and in December new charging desk units were installed in the Circulation Department and the Junior Library. Still most urgently needed is functional furniture for the Reference and Business Rooms and air conditioning in the Music and Art Gallery.

Building and Grounds

The program of building and maintenance consisted of repainting the lower level of the main building including the library hall, the Young People's Department and the Librarian's office. This work was done by the Public Works Department. Public Works carpenters also helped to install a community kitchen in the cloak room for use of organizations meeting in the library hall.

Considerable work was needed at the East Branch. The outside of the building was pointed, repairs to the roof and chimney were made, a storm drain was installed and the interior was completely redecorated.

At the Dallin Branch new doors were installed and the Social Hall received a new look with the application of a fresh coat of paint.

Friends of the Library

The Friends of the Library held their annual meeting during National Library Week in April and presented Baroness Von Trapp and Munro Leaf to an interested audience which filled the Lowe Auditorium of the Arlington High School. Plans are already being formulated for the 1964 observance of this important event.

In October, the Friends sponsored a meeting in the interests of the new Business Department which was opened during the summer months in the former Music Room on the first Mezzanine Floor of the Main Library. The library hall was filled for this occasion and the speaker, Harry Baughman of Merchants National Bank, was well received. A special feature of this effort was the distribution of a list of business books prepared by one of the trustees, Mrs. Molly Yood.

Robbins Print Collection

Under the direction of Miss Ellen P. Wiese, Curator of the Robbins Print Collection, a series of monthly exhibits has been shown in the Print Gallery.

Displays have included the work of local artists as well as collections borrowed from various galleries and libraries. It has been a source of satisfaction to note the number of visitors who have been attracted to the library through these exhibits.

Grants-In-Aid

The Town of Arlington received a Grant-In-Aid from the Commonwealth of Massachusetts of $12,488.25, through State Aid to Libraries Legislation. As in the past, this money went directly into the Town Treasury as a cherry sheet item. New corrective legislation, however, passed in August of 1963, provides that beginning with the next fiscal year, July 1, 1964 - June 30, 1965, the twenty-five cents per capita - Grant-In-Aid for public library support will come as new and additional money from the general revenue of the Commonwealth instead of being taken from the proceeds of the state income tax which was money that would have gone to the cities and towns in any case.

In addition to this money, the library returned to the town in 1963, $8859.00 collected as fines for overdue books.

Conclusion

The almost completed Renovation Program has partially relieved the strained conditions of the Main Library, but already the ever increasing use being made of the library and the normal growth of the book collection is again taxing the facilities. As the librarian's report will show, additional space is vitally needed. The Trustees are giving thought to this problem. Their studies indicate need for a number of long range plans. These include additional and enlarged facilities for the main building; conversion of the meeting hall at the Dallin Branch to a Children's Room; additional space at the East Branch where over a hundred thousand volumes are circulated during the year and where there is no provision for children's programs; and some solution to the parking problem created by the ever increasing use of the library by borrowers and organizations.

The Trustees are cognizant of the devotion and cooperation of the Librarian and the entire staff in making the library program effective and far reaching, and are pleased with the general spirit of enthusiasm so clearly evidenced.

The Trustees wish to pay special tribute to the Town Manager for his constant support and cooperation, and to the Board of Selectmen for their interest in the library. Mention must also be made of the special assistance given the library by Mr. Frank O'Hara and Mr. Wilbur Roby in solving many unusual problems during the year, and to the personnel of the many town departments upon whose help the library is so dependent. Finally, the Trustees wish to commend the Friends of the Robbins Library for their sustaining interest and active participation in the library program.

Respectfully submitted,

Robert T. Uek, Chairman
Board of Library Trustees

Report of the Librarian for the Year 1963

1963 has been a challenging year for the Robbins Library in many respects, a year during which past policies and techniques have had to be re-evaluated and new ones introduced in the interests of service, efficiency and economy.

When evaluating a year's work, an increase in the circulation of books and other materials is usually considered to be the most important criterion to use in indicating progress. For many years, since 1944 in fact, library reports have consistently shown such increases, indicating that the people of Arlington were making greater use of their library each year. But never before have young and old come in such numbers and for so many reasons as in the year just completed. One of the Mother Goose rhymes talks about the Old Woman in the shoe "who had so many children she didn't know what to do". At times, during this past year, the members of the Robbins Library staff have felt almost like this old woman. More people than the library could comfortably accommodate at one time have called for types and depths of service which have taxed library facilities and, at times, have almost overwhelmed staff assistants. The librarians oft-times have felt that to keep pace, they should be twins at least. Over and over again during the past year, in the afternoons at the close of school and in the evenings after seven o'clock, the staff members wondered how they could possibly help all those who came for assistance, or how they would find time to locate the material requested, locate the book needed, collect the back numbers of periodicals wanted and answer the one hundred and one other questions asked. In retrospect, the overwhelming impression of the past year seems to be of numberless patrons who came to use the library's resources within the building and to consult its books for reference purposes, on all levels, by all ages, in all departments, branches as well as main library. For certain, library progress today cannot be measured by circulation statistics alone; for a true picture, other factors must be considered as well.

REFERENCE SERVICES AND PROBLEMS

The effective use of its reference services then, must be considered in appraising the measure of the library's progress. That these services were used in 1963 there is no doubt. Actually recorded during the year were 23,981 questions. Needless to say, many went unrecorded while in numberless instances, patrons acquainted with the library's facilities from past experience, found their own resource material.

Reference work on all levels is a challenge, and, upon occasion, time consuming. Answering questions, finding some elusive fact or locating and collecting desired information and material involves a considerable amount of research, including contacting of outside specialists, institutions and government agencies. Many times, in fact, it is almost like hunting for buried treasure and calls for personnel with a knowledge of reference books and sources and skill in their use. It is a truism that an ignorant assistant can render comparatively useless the finest collection of reference materials.

Questions are as varied as the people who ask them and not a week goes by without a unique question of some sort being asked. Names of places doing research with dolphins, the making of synthetic rubies, information on the barn at the Alcott House, the first use of the word MANAGER, are samples. Current events stimulate many questions as, for example, when the late President was assassinated, the library received numerous requests for information on the origin of the 21 gun salute, the eternal flame and the use of taps.

Although there was a growing use made of the reference services by adults in the year just past, the real crush came from the students covering all ages. Changes in the curriculum and teaching methods in the schools, updating of course content, an increased emphasis on reading and pressure for individual excellence have made more demands on the students, and, in turn, on the library. To a large extent questions have become more specialized, more specific and more serious than formerly, covering an ever widening scope. Interpreting the questions and helping the student who often comes to his research with no knowledge of the subject matter other than the "phrase outlining" given him by the teacher is common procedure for the librarians. All their professional skill and knowledge is needed in finding the information sought, and sometimes even these cannot help, as when material not yet in book form, is requested.

Not only have books been used by the students in their research work. Periodicals, too, have been in constant demand. Much stress has been placed on the importance of magazine articles. Fortunately, the Robbins Library keeps many of its magazines for periods varying from two to fifteen years. Each week literally hundreds of back issues are requested for use in the library in connection with research problems and papers. It can be said in truth, as never before, that all resources of the library have been utilized in dealing with the reference and research aspect of the work in 1963.

One of the problems posed by the new instructional methods and change in curriculum content lies in the field of children's work and was given considerable thought by the librarians during the past year. Seventh and eighth grade boys and girls, as well as sixth grade children, are often given assignments and projects which call for the use of adult books and periodicals as in the topic DISCUSS THE STYLE OF SUCH CONTEMPORARY AND NINETEENTH CENTURY AUTHORS AS STEINBECK, SALINGER, DREISER, O'HENRY, AND K. PORTER. Should these young people be given free access to the adult department as advocated by many parents and teachers? Should they be given the privilege of wandering at will through the stacks and using the resources of the reference department without restrictions of any kind? After serious deliberation, all other considerations aside, it seemed to the staff to be unrealistic to increase the problems of the adult department by adding to the already overcrowded and inadequate facilities by allowing hundreds of children to freely use these departments. Instead, a compromise was reached. A number of adult encyclopedias and other reference books were duplicated for the Junior Library, the Abridged Readers' Guide was added to its collection, adult books and magazines were collected for specific assignments and transferred to the Junior Library on a temporary basis for "in library" use and, for those boys and girls working on individual assignments, special permission was granted to use the adult book collection. In this manner, the needs of the children, on the whole, were met to the satisfaction of all.

It was in connection with the students of high school age that a second major decision was made. They, of course, are not restricted to the Young Adult Room. An attempt, however, has been made to meet their requests for more advanced, mature subject matter by adding books of this type to their own book collection with the result that adult titles make up about ninety percent of the Young Adult book collection. In order to accommodate the crowd of high school students who came to the library for reference study in the evenings and for whom there were no seats available either in the Young Adult room or the Reference room, the Junior Library (Children's Room) was opened from seven to nine Monday through Thursday evenings for reference and study, necessitating, of course, additional part-time help. This plan worked very well; evening after evening the room was filled with students quietly studying, using reference books and materials.

A sampling of questions recorded in the Young Adult department reveal the following, taken at random: ELECTROLYSIS OF BRINE, COMPARISON

OF THE WRITING STYLES OF PATRICK HENRY AND RICHARD NIXON, SUBATOMIC PARTICLES, WEAPONS USED IN THE FRENCH REVOLUTION, GIBBERELIC ACID, EGYPTIAN ASTRONOMERS, TEN PECULIARITIES OF NEW ENGLAND, ANCIENT HAIR STYLES, GOVERNMENT AID TO FARMERS IN NEW ENGLAND, COMPARISON OF THE COURTSHIP CUSTOMS IN THE UNITED STATES AND ENGLAND IN THE 18th CENTURY, EMBRYOLOGY OF THE SPINAL CORD.

CIRCULATION OF ALL MATERIALS

As has been seen, the use of books within the library surpassed that of any previous year. So, likewise, did the circulation of materials for home use, this despite the fact that the library was open a number of days less than in 1962, including two and one half days at the time of President Kennedy's death. The Music Room was closed or partially closed day after day during the heat of the summer and the East Branch lost five additional days when its interior was being redecorated and the branch was closed to the public. A total of 472,455 books, albums, films, and pictures was circulated during the year by the library and 91,290 volumes were issued from the elementary school libraries which are operated by the Robbins Library. The following tables will show circulation details:

CIRCULATION	1963	1962	Gain	Loss	
BOOKS & PERIODICALS					
Main Library					
Adult Dept.	150,002	143,373	6,629

TOTALS	91,290	80,450	12,124	1,284
		Net Gain	10,840	

CHANGES IN PROCEDURAL OPERATIONS

Every increase in circulation brings with it increased work loads. More books have to be prepared for the shelves, more books must be mended and revised to be returned to their proper places on the shelves, more notices have to be sent for overdue books. Over the years, as a courtesy, reminder notices have been sent to the borrowers as soon as a book was a week in arrears. This is a time consuming task, well over 20,000 such notices having to be sent each year. After a serious study of this problem, as an experiment, following a change in the operational method of filing cards for books in circulation, it was decided to send the first notice to the borrower only after a book was overdue one month, this notice to be followed by the usual weekly follow-ups of second notices, letters and bills. As expected, some borrowers were quite disconcerted when this plan was put into effect early in the year, but the results have been gratifying. 4,204 fewer notices have been sent at a saving of over $500 in printing and postage costs to say nothing of the saving in staff time and effort.

Growth inevitably brings with it change. For some years it had been apparent that the circulation desks at the Main Library, in the adult department as well as in the Junior Library, had become inadequate for the expanding program. New installations were called for in the renovation plans. Library desks are expensive equipment, however, and with this thought in mind, it was decided to experiment with the old desks before new ones were purchased. Separated and placed in new positions, the staff had ample time during the past year to note the advantages and disadvantages of the new positions in relation to the work load and the changes in operational procedures. By June, needs were pretty well defined and the new desks were ordered. Installation was begun in December and completed early in January, 1964.

A POTPOURRI

It was in early 1963 that the Music and Art Department was moved into its new quarters in the gallery to the satisfaction and pleasure of all, judging from the comments. Much to the distress of the trustees and the staff, however, it was soon learned that this beautiful room had a ventilation problem which, according to the experts, only air conditioning will correct. Even so, the room has been heavily used and its collection of 3,827 albums realized a circulation of 25,604 albums during the past year.

In the spring, books and magazines of interest to business people were transferred to the mezzanine area formerly used for the music and art books. In addition to the books and magazines in the various fields of industry and business, such reference books as Moody's Investors Service, the Prentice-Hall Publications on taxes, labor, personnel, etc., the Dun and Bradstreet Million Dollar Directory and other reference materials were moved to this area. It has been gratifying to note the amazing increase in the use of technical and business books since the Business Room was organized.

Through a fortunate purchase, complete sets of the Massachusetts Digest, Annotated and Massachusetts Decisions were acquired and placed in the Reference Room with the other law books in a special "law alcove" where they are being used to good advantage.

In April, as has been noted in the Trustees' report, National Library Week included the outstanding library event of the year when the Friends of the Library presented its program at the High School Auditorium with an attendance of about eleven hundred people.

Also in April, the twenty-fifth Anniversary of the Dallin Branch Library Building was observed with the special cooperation of the Arlington Heights

Study Club. This group was most instrumental in securing the building in 1938.

Children's activities have been many. Saturday morning programs have been presented, reading clubs which attracted almost 1000 children were carried on during the summer months, Children's Spring Book Festival and Children's Book Week were observed with appropriate programs and exhibits, schools were visited, and elementary and Junior High classes visited the libraries for library instruction and book talks. Reading lists for children of grades four through eight were prepared and distributed to all the boys and girls of these grades at the close of school in June and book deposits were sent to schools, camps and other agencies.

One of the many behind-the-scene activites during the year was completion of an inventory of the non-fiction book collections of the adult and junior libraries, accomplished with the help of college students during the summer months and on Saturdays. The work of replacing missing titles is now under way.

In summarizing the work of the cataloging division for the year, the Supervisor of Technical Services reported that a total of almost twelve thousand books went through the Department, 9,000 of which were for the Robbins Library and its two branches, while approximately three thousand were for the elementary school libraries. Of the 9,000 volumes, 3,937 were new titles and the rest duplicates, replacements and gifts. 3,590 books were withdrawn from the collection and 47,500 cards were typed for the public and official catalogs. At the end of the year the Robbins Library collection totaled 145,282 volumes.

The elementary school library program has been carried on as usual and has attracted the interest of many librarians throughout the state who recognize the need for such libraries. In many instances Arlington has been commended for the spirit of close cooperation which exists between public school and library personnel. The library staff itself is appreciative of this splendid cooperation received from the superintendents, principals, and teachers during the past year.

A growing interest in the book service offered by the Robbins Library to the patients and personnel at Symmes Hospital was noted during 1963. Because of staff shortages, only one call per week was made during the first nine months of the year, but in October, the former schedule of two visits each week was resumed. Even though fewer calls were made, circulation of books increased as shown earlier in the circulation tables. According to the hospital librarian, there have been many expressions of pleasure and gratitude for this library service and for the use of the video machine available to patients who cannot hold a book in their hands. That the new wing being added to the hospital will increase the bedside work is already anticipated.

Among the many visitors to the library during the year were a group of librarians from England and a librarian from Brazil who briefly did some volunteer work to get the "feel" of American libraries.

Well received by the general public has been the fully automatic, coin operated Docustat Photocopy Machine located in the lobby of the Main Library just outside the entrance to the Reference Room. Students have welcomed its convenience, and its use by them has notably prevented mutilation of reference books and magazines. Business men, too, have made frequent use of the machine and have commented favorably on its availability.

The hall at the Main Library was booked by forty-seven groups and used on three-hundred occasions, while ten groups met at the Dallin Branch hall sixty times.

Library personnel attended many library meetings, national, state and local, during the year and several held offices in these organizations. The Head Librarian delivered the Hewins-Melcher Lecture at the New England Library Association meeting held in Portsmouth, N.H. in September.

Gifts of books and phonorecords, magazines and flowers and other materials, as well, from both individuals and organizations, have been many during the year and all were gratefully received. Acquisition of a piano for the Dallin Branch, through the kindness of a member of the Arlington Heights Study Club, was especially valued. The numerous exhibits and displays, too, loaned and arranged by friends and patrons of the library added much to the library program and were appreciated by both staff and public.

It is not expected that the work will lessen in the coming months. From all indications, demands on the library will increase. And this is well, for the library represents a great investment on the part of the people of Arlington who, through the years, have accumulated, and still are making possible, these resources.

To all who have participated in, and supported the library program during the past year, the trustees, the staff, the custodians, and above all, the Town Manager, the librarian expresses her sincere gratitude. For, after all, were it not for these individuals, the library, in 1963, could not have functioned.

Respectfully submitted,

Judith E. Stromdahl
Head Librarian

Annual Report of the Department of Public Works

Mr. Edward C. Monahan
Town Manager
Arlington, Mass.

Dear Mr. Monahan:

I herewith submit the Annual Report of the Department of Public Works for the year ending December 31, 1963.

In 1963 the Public Works Department constructed Thesda St. from Wright Street to Dothan Street; Dothan Street from Thesda Street to Winchester line; Hillside Avenue from George Street to Rhinecliff Street; Day Street from Rhinecliff Street to property line; Lorne Road from Sutherland Road to its end and Lehigh Street from Quincy Street to Park Property. Pheasant Avenue from present end to Dickson Avenue and Acton Street from present end to Appleton Place were constructed by contract.

Under Article 59 of the 1963 Warrant certain Ways were accepted and completed by this Department. Baker Road from Stowecroft Road to its end; Stone Road from Nos. 32 to 55; Mountain Avenue from Overlook Road to Washington Street; Wollaston Avenue from north of Nicod Street to Wilbur Avenue; Wilbur Avenue from Wollaston Avenue northwesterly; Hemlock Street from Dickson Avenue to Fabyan Street; Ridge Street from Morningside Drive to Stone Road; Greenwood Road from Ridge Street to Winchester Road; Winchester Road from Ridge Street to Greenwood Road and Hancock Street from Forest Street to Hancock Street.

Under Article 35 of the 1963 Warrant and under the provisions of Chapter 782 of the Acts of 1962 Mill Street from Mass. Avenue to Summer Street was reconstructed; certain sections of Brooks Avenue, Varnum Street, Thorndike Street, Herbert Road, Park Avenue Ext., Hillside Avenue and Claremont Avenue were also reconstructed.

Under Article 32 of the 1963 Warrant new concrete and bituminous sidewalks, drives and new curbstones were installed in various locations throughout the Town. All projects ordered by the Board of Selectmen within the construction season were completed.

Under Article 33 of the 1963 Warrant we continued our program of replacing permanent sidewalks which have become dangerous, upheaved or wornout.

In conjunction with Chapter 90 reconstruction we provided manhole covers and frames; catch basin frames and grates in addition to locating underground structures.

Under Article 27 of the Warrant we installed the new automatic parking gates at the Municipal Parking Area and resurfaced the area. All work will be completed when weather conditions permit in the spring of 1964.

Under Article 64 of the Warrant we constructed an off-street parking area at Railroad Avenue with parking meters.

Starting November 9, 1963 and continuing through November 11, 1963 we had a substained rainfall of 4.88 inches. It was necessary to sandbag land abutting the upper Mystic Lake for precautionary measures. Fortunately no sizeable amount of damage occurred.

Under Articles 31 and 34 our Storm Drainage System was increased in various locations throughout the Town. Please see Table 3 for detail.

Our Water and Sewer Systems were extended in various locations. Please see Tables 5 and 8 for detail.

In conjunction with the construction of the new High School addition this Department undertook the extension of the Mill Brook culvert. We also moved the outdoor basketball courts to a new location.

Under Article 66 of the Warrant this Department performed much of the trench work, in connection with the installing of traffic light, Mass. Avenue at Lockeland and Churchill Avenue, which will be completed in the spring of 1964.

In 1963 we cleaned and flushed 173,998 feet or 32.95 miles of sewer main. We serviced eight (8) Sewer Pump Chambers which of necessity must be kept in operation at all times. We received the usual number of requests to assist those residents whose particular sewer connections had become clogged for one reason or another. It is to be noted that the excessive use of detergents is the reason for many of these stoppages. This service, is however, a good one and greatly appreciated by those in distress. The great majority pay the nominal charge rendered with no complaint.

Public roads and sidewalks were maintained and 60,347 square yards of roadway sealcoated.

November and December of 1963 provided us with an abnormal amount of snow and ice. We made every effort to effectively plow, sand and salt all of our roadways. Our Snow Blowers were tremendously effective in removing the snow from the main roads such as Mass. Avenue and around churches, places of business, etc.

On our snow program we have contracts with private contractors whom we can call upon when the scope of the storm is such that we need additional trucks and equipment.

During 1963 the complete maintenance of the Robbins Memorial Town Hall and Robbins Houses was placed under the care of this department. Every effort was expended and will continue to be expended to keep these buildings maintained well. The Town Hall roof and cupola should receive extensive repairs in 1964.

In 1963 we performed many services for other Town Departments as follows:

Civil Defense

Picked up, delivered, unloaded and stored supplies in designated shelter areas throughout the Town.

Installed 1000 gallon underground tank and generator at Park Circle Fire Station.

Placed signs at Fallout Shelters.

Elections and Town Meetings

Installed masonite inserts in voting booths.

Repairing voting equipment when requested.

Delivered and picked up voting equipment.

Engineering Department

Moving and setting up file cabinets.

Installing base for cabinets.

Fire Dept.

Pointing wall and installing parking bumpers at Headquarters.

Extensive carpentry at Park Circle.

Repairs and install new floor at Park Circle.

Park Dept.

Repairing bubblers.

Cleaning water gates.

Various welding at playgrounds.

Constructing and painting various signs.

Grading at High School Field.

Repairing walls at Menotomy Rocks Park.

Complete resurfacing with clay of tennis courts - Spy Pond Field.

Robbins Library

Extensive carpentry and painting - Main Library.

Repainting Young People's Room.

Repairing walk outside Jr. Library.

Insulating, plastering and painting.

Cleaning out basement.

Alterations to bookcases, magazine rack, painting ceiling and walls.

East Branch

Installing storm drain connection for roof water.

Painting.

Dallin Branch

Repairing front door and remove screens, etc.

Misc. carpentry - Install protective screening on doors. Fix towel racks.

School Department

Painting and lettering various signs.

Relettering instructional van.

Cutter School

Clean and repair storm drain.

Install new catch basin and drain.

Stratton School

Construction and installing of signs.

Dallin School

Install catch basin and drain.

Bishop School

Install catch basin and drain.

Senior High School

Repairs to toilets.

Cut hole in wall for new bubbler.

Repair washout damage.

Repair catch basin and grate.

High School Addition and Reconstruction Committee

Grade, roll and oil Parking Area - southside of Mill Brook Drive.

Dallin School Building Committee

Regrade and clean up area.

Tree Department

Repair underground drain on Town Hall grounds.

Repair pool - Town Hall grounds.

Automotive

Our repair shop maintains and services all departments with the exception of Fire and Police. We maintain a stock room which all departments are allowed to draw upon. Our equipment is of necessity heavy duty and the repair work is laborious in nature.

The following are the next expenditures made by the Department of Public Works:

General Administration	$ 104,321.01
Highway, Maintenance and General, including Snow and Ice	483,965.78
Highway, Capital Outlay	66,948.92
Maintenance of Public Sidewalks	24,072.77
Construction of Ways (1963)	109,851.55

ARLINGTON WATER WORKS

Arlington, Middlesex County, Massachusetts

Population by census of 1960, 49,953.
Date of Construction Low Service System, 1872; High Service, 1894.
By whom owned, Town of Arlington.
Source of Supply - Metropolitan Water System.

Consumption

1. Estimated total population at date, 50,500.
2. Estimated population on lines of pipe, 50,500.
3. Estimated population supplied, 50,500.
4. Total consumption for the year 1,762,913,500.
5. Percentage of consumption metered, 100%.
6. Average Daily Consumption 4,829,900.
7. Gallons Per Day Per Capita, 94.

Distribution

(Including Auxiliary Supply from Old Reservoir)

Mains

Four thousand, four hundred twenty-six (4,426) feet of new water mains were laid during the year and connected with the Metropolitan System. Details of regular water main installation will be found in Table VIII.

1. Kind of pipe; cast-iron, cement and transite.
2. Sizes, from 4 inch to 16 inch.
3. Extended feet during year, 4,426.
4. Number of feet renewed during year, 0.
5. Discontinued during year, 0.
6. Total now in use, 124.13 miles.

7. Cost of repairs per mile, $237.70.
8. Length of pipe less than 4 inches in diameter, 0.
9. Number of hydrants added during year, 8.
10. Number of hydrants now in use, 1,334.
11. Number of stop gates added during year, 17.
12. Number of stop gates now in use, 3,122.
13. Average pressure on mains at center of Town, 110 high system, 80 low, system.

Services

Eighty-nine (89) services have been added during the year and 4 abandoned. There are for all purposes, except fire, 4,352 on the low, 7,826 on the high and 5 on the Old Reservoir system. On the Metropolitan water supply there are 98 for municipal purposes, 48 sprinkler services, and 50 for sewer flushing purposes included in the above. On January 1, 1964 there were 181 services temporarily out of use.

1. Kind of pipe: copper, cement-lined, black wrought iron, lead and 3" to 6" cast iron and transite.
2. Sizes, 1 inch to 6 inch.
3. Number of service taps added during year, 89.
4. Number of services abandoned during year, 4.
5. Number of services now in use, 12,183.
6. Percentage of services metered, 100%.

Meters

Eighty-nine (89) meters were set during 1963 on services installed in 1962-1963. The total number of meters in use January 1, 1964 was 12,183.

Report of the Town Manager

February 1, 1964

The Honorable Board of Selectmen
Robbins Memorial Town Hall
Arlington, Massachusetts

Gentlemen:

Herewith is my report for the year ending December 31, 1963; it is the eleventh annual report, 1953 to 1963 inclusive, that I have submitted to your Honorable Board since my appointment as Town Manager on May 1, 1953.

In connection with our constantly increasing local tax rate, the dominating factors continue to be School Department costs and the ever-increasing costs of state charges to the Town.

Although all state and municipal authorities believe that something needs to be done to relieve the heavy burden on real estate property owners, it would seem that as we enter the year 1964, we are no nearer a solution than we have been for the last several years; nevertheless, there continues to be a "crying" need for action.

Particular reference is made to my report for the year ending December 31, 1961, which covers in great detail the effect on the Town's tax rate economy of the school construction program that has been in process pursuant to the original Harvard Survey Report of 1954. The matter is covered at considerable length in the 1961 report and there is no particular point in restating it here.

In this report, I present the results of a study I have made of the facts and figures of a selected group of well regarded cities and towns in the State which reveal Arlington's ranking and standing in several highly important areas of municipal government. These comparative facts and figures speak for themselves without the need of any comments by me.

PER CAPITA COSTS OF LOCAL GOVERNMENTS

Of twenty-four selected cities and towns in the Commonwealth of Massachusetts, Arlington ranks second in net operating costs of government as reflected by the Per Capita Direct Tax (Source - Massachusetts Federation of Taxpayers Association, Inc., "Tax Talk", November, 1963).

RANKING	CITY OR TOWN	PER CAPITA DIRECT TAX - 1963
1.	Belmont*	$143.30**
2.	Arlington*	155.90
3.	Milton*	159.40
4.	Norwood	160.10**
5.	Watertown*	165.40
6.	Weymouth	165.40
7.	Quincy	169.10
8.	Waltham	172.10
9.	Natick	175.50
10.	Wilmington	182.00
11.	Cambridge*	192.30
12.	Framingham	194.50

RANKING	CITY OR TOWN	PER CAPITA DIRECT TAX - 1963
13.	Winchester	$203.10
14.	Bedford	213.60
15.	Newton*	213.80
16.	Swampscott	215.10
17.	Burlington	214.60
18.	Needham	214.80
19.	Brookline*	218.70
20.	Wellesley	229.80**
21.	Concord	239.90**
22.	Cohasset	243.80
23.	Lexington	252.20
24.	Weston	281.10

*(Includes M.T.A. deficit; where there is no asterisk, such city or town does not have to participate in the deficits of the Metropolitan Transit Authority.)

**(Operates Municipal Light Department, which is usually a source of additional income.)

PER CAPITA DEBT OCTOBER 1, 1963

Of twenty-four selected cities and towns in the Commonwealth of Massachusetts, Arlington ranks twenty-first in the amount of outstanding municipal debt as reflected by the Per Capita Debt as of October 1, 1963 (Source - Boston Safe Deposit and Trust Company, "Financial Statistics of Massachusetts", Fifty Sixth Edition, January, 1964).

RANKING	CITY OR TOWN	PER CAPITA NET DEBT OCTOBER 1, 1963
1.	Bedford	$574.
2.	Burlington	405.
3.	Lexington	398.
4.	Framingham	339.
5.	Weston	313.
6.	Needham	272.
7.	Wilmington	272.
8.	Cohasset	260.
9.	Weymouth	260.
10.	Swampscott	214.
11.	Natick	195.
12.	Wellesley	192.
13.	Newton	173.
14.	Concord	160.
15.	Winchester	159.
16.	Quincy	127.
17.	Brookline	122.
18.	Norwood	95.
19.	Milton	95.
20.	Watertown	79.
21.	Arlington	79.*
22.	Cambridge	67.
23.	Waltham	33.
24.	Belmont	11.

* Arlington Debt:

School Debt.	$3,420,000.00
Street Debt.	545,000.00
Total Debt	$3,965,000.00
Per Capita Debt. . . .	$ 79.00

FREE CASH JANUARY 1, 1963

Of twenty-four selected cities and towns in the Commonwealth of Massachusetts, Arlington ranks eighth in the amount of Free Cash as of January 1, 1963. (Source - Boston Safe Deposit and Trust Company, "Financial Statistics of Massachusetts", Fifty Sixth Edition, January, 1964.)

Note - Free Cash is defined as the Municipality's Surplus less Uncollected Poll, Personal Property and Real Estate Taxes as contained in its Statement of Financial Condition as of January first.

RANKING	CITY OR TOWN	FREE CASH JANUARY 1, 1963
1.	Newton	$1,787,886.
2.	Brookline	1,388,575.
3.	Framingham	1,267,746.
4.	Belmont	1,142,148.
5.	Wellesley	1,133,900.
6.	Weymouth	1,027,258.
7.	Quincy	976,271.
8.	Arlington	870,034.
9.	Needham	822,406.
10.	Natick	646,457.
11.	Norwood	628,054.
12.	Winchester	621,379.
13.	Milton	605,311.
14.	Waltham	556,750.
15.	Cambridge	486,302.
16.	Watertown	412,507.
17.	Bedford	311,627.
18.	Concord	287,651.
19.	Weston	188,803.
20.	Lexington	159,757.
21.	Cohasset	150,215.
22.	Burlington	146,965.
23.	Swampscott	47,597.
24.	Wilmington	NONE

PER CAPITA ASSESSED VALUATIONS JANUARY 1, 1963

Of twenty-four selected cities and towns in the Commonwealth of Massachusetts, Arlington ranks last in the amount of its basic property valuations as reflected by the Per Capita Assessed Valuations - January 1, 1963 (Source - Boston Safe Deposit and Trust Company, "Financial Statistics", Fifty Sixth Edition, January, 1964.)

RANKING	CITY OR TOWN	PER CAPITA ASSESSED VALUATION JANUARY 1, 1963
1.	Lexington	$6,100.
2.	Natick	5,000.
3.	Weston	5,000.
4.	Brookline	4,100.
5.	Wilmington	4,000.
6.	Needham	3,300.
7.	Newton	3,100.
8.	Bedford	3,000.
9.	Burlington	3,000.
10.	Wellesley	3,000.
11.	Winchester	2,800.

RANKING	CITY OR TOWN	PER CAPITA ASSESSED VALUATION JANUARY 1, 1963 (approximately)
12.	Cohasset	$2,800.
13.	Weymouth	2,700.
14.	Framingham	2,600.
15.	Belmont	2,600.
16.	Swampscott	2,600.
17.	Cambridge	2,400.
18.	Waltham	2,400.
19.	Norwood	2,300.
20.	Milton	2,300.
21.	Concord	2,300.
22.	Watertown	2,100.
23.	Quincy	2,100.
24.	Arlington	1,800.

ARLINGTON'S CREDIT

Arlington's credit is the highest. On any given day (interest rates fluctuate from day to day), Arlington invariably borrows money at lower interest rates than any other city or town, whether the borrowing be for short term or long term, whether the maturity be one year, five years, ten years, fifteen years or twenty years. (Source - First National Bank's Letters on Bond and Note Sales, issued periodically.)

ARLINGTON'S PUBLIC SERVICES

In the opinion of many competent municipal observers, the standards of public service in Arlington in practically all respects are the highest. A few cities and towns may equal Arlington's public services in some respects, but taken as a whole, no community in the State can match Arlington's standards of public service, and these at the lowest possible costs to the taxpayer as conclusively indicated above in the section of this report designated as "Per Capita Costs of Local Government."

Of the twenty-four selected cities and towns, Arlington's Per Capita property valuations are the lowest; Arlington's Per Capita debt is among the lowest; Arlington's Per Capita operating costs are the lowest with one single exception; and Arlington's Free Cash Position is among the highest eight.

Herewith, also, are the annual reports for 1963 of the various town departments under the supervision of the Town Manager. I am sure you will find them most interesting and satisfying; they record performance and progress in the constant and continuing efforts of the town's employees to improve public service to the town's residents.

For their cooperation during the year, I wish to thank the Honorable Board of Selectmen, the Finance Committee, the Personnel Board, and all other town departments, boards and commissions.

My thanks are extended to the employees of all departments under my supervision and control who are especially deserving of my gratitude for their fine teamwork during the year. Considering the number of complaints and the enormity of the task, faults have apparently been relatively few in the rendering of public service to the citizens of the Town.

The Town of Arlington is indeed fortunate in the number of outstanding citizens, including Town Meeting members and members of school building committees, who give of their time and effort with no compensation to the

various unpaid boards and commissions of the Town Government. Sincere thanks are expressed to them for their truly tremendous services to the town during the year just closed.

To the citizens of the Town, my sincere thanks are extended for their continued cooperation, confidence and encouragement which make worthwhile every effort expended in their behalf by their town employees, including the Town Manager.

Respectfully submitted,

Edward C. Monahan
Town Manager
